BILL #3

Guidelines for Use of Unspecified Funds

The Executive Council, as a whole, will have jurisdiction over the allocation of any fund not derived from approved A.S.G. budget.

Any expenditure that is not to be reimbursed by the A.S.G. budget will be voted on by the Council.

The records of this fund will be shown to the EXecutive Council at a regular meeting once each month.

This procedure will be followed by each successive Executive Council.
