"Never mind where your work is. Never mind whether it be visible or not. Never mind if your name is associated with it. You may never see the issue of your toil. You are working for eternity. If you cannot see results here in the hot-working days, the cool evening hours are drawing near when you may rest from your labor, and then <sup>they</sup> may follow you. So do your duty and trust God to give the seed you sow "a body as it hath pleased Him".
