RESOLUTION #7

Library Bookdrop

Whereas, it is often times inconvenient for the students to return books and other materials to the main library facilities and

Whereas, a more efficient means of returning these materials is desirable to both the student and the libraries, (other institutions having had great success with this type of service),

Therefore, be it resolved that the library establish a book drop to be located in the lobby of the Downing University Center.

Also, the books shall be collected by the use of a university owned vehicle, the times at which shall be the discretion of the library.
