PURPOSE

The purpose of the American Business Women's Association shall be to elevate the social and business standards of women in business by uniting them nationally for training designed to make them more efficient, more considerate and more co-operative toward their work, their employers, and their employer's customers, thereby increasing their earning ability, success and happiness.

PRESIDENT'S MESSAGE

Dear Members:

It's the time of year when we should be doing constructive thinking about the Spring "Hand of Friendship" Tea. Through this event, prospective members will learn of the advantages of ABWA membership, and will be given the privilege of affiliating. If you have not turned in your prospective list to the membership committee, please do so.

Those of you who missed our January meeting should make a special effort to attend this month. Remember when you are not there you are missed - not to mention what you have missed. Our speaker, Dr. Paz Ramos, gave an interesting talk concerning the role that the women of the Philippines play in the business and professional fields. The hostesses carried out a delightful "island" theme with table decorations of fresh pineapple and fruit. From the appearance of the room, the lovely island music in the background, and each member wearing a colorful lei and a friendly smile, no one could have guessed that the weather outside was a nippy 15° and 7 inches of snow covering the ground, except that each member arrived looking as if she had just arrived from the Yukon with boots, coats and gloves, instead of the Philippines in grass skirts. Dr. Ramos was very much impressed with ABWA and our chapter. She has extended to our program chairman, Jane Lewis, her appreciation for inviting her.

Congratulations to Joann Rudolph as our representative to the South Eastern District meeting in Tampa. I'm sure she will have an informative report for us in April.

to the

SOUTHEASTERN DISTRICT MEETING

The red carpet is in the cleaners, and the fever is rising as the Southeastern District Meeting in Tampa, Florida draws nearer.

THE EARLY BIRD TOUR for those arriving by noon on Friday, the 25th will cover a variety of points of interest and pleasure, with much contrast, from the spanking new Convention Center on the Riverfront and the Gasparilla ship Jose Gaspar, via the banana docks to the Old World charm of Ybor City and lunch in the widely acclaimed Spanish restaurant, the Columbia. Following a typical Spanish luncheon in a delightful dining room of picture tiles, palms with a bubbling fountain and a visit through a "hand-made cigar" factory (where you might want to buy a box of cigars for the "feller" back home), we proceed on to Busch Gardens. The acres of tropical gardens, trained birds performing, the Swiss House and that completely transplanted African veldt are not to be missed. Then a drive along Bayshore Boulevard and Tampa Bay's beautiful residential section - and all this is via air-conditioned bus with a personable, informative guide, which will get you back to the hotel in ample time to dress for the Open House on Friday evening.

EARLY BIRD TOUR leaves at 1:00 p.m. - arrives back by 5:00 p.m. - Complete \$3.75.

WEARING THE EMBLEM

The Emblem is to be worn on the left side in the vicinity of the heart. It should never be worn anywhere else. After a member has earned a "Hand of Friendship" guard, the guard is to be worn on the left and a little below the center of the Emblem.

PLANNING AHEAD

Does the date February 13, 1965 ring a bell? Why certainly it does! On this date the Kentucky Colonel Chapter of the American Business Women's Association and the city of Bowling Green was honored with the presence of our gracious 1965 National President of the American Business Women's Association, Mrs. Peggy Flanagan. Peggy's visit filled with gala events was climaxed with the Annual Boss's Night. The time has arrived once again for us to show our appreciation to our bosses. Since this is an event anxiously awaited each year by our employers we try to make it just a little bigger and better!

This year we have invited our founder and executive director, Mr. H. A. Bufton, Jr. As of yet we do not have a confirmation, but we hope to report good news at the February meeting.

So girls it's time to start now working toward making this another unforgettable moment. Have your ideas ready for committee meetings that will be announced.

Judy Faught
Boss Night Chairman

Leadership in ABWA

As leaders in the community, how many ABWA members measures up to a test established by our district governor, who wrote: Leadership is a challenge to be met, a task to be performed, and a responsibility to be shouldered, an obligation to be met. Two basic qualities are essential; honesty of purpose and enthusiasm for service.
