In addition, the Cumberland Parkway, a multi-lane toll road, is accessible twenty-nine miles north of Monticello. Fourteen trucking companies provide interstate and/or intrastate service to Monticello. The Norfolk Southern Railroad provides the nearest main line rail service at Burnside, Kentucky, twenty-one miles northeast. The nearest scheduled commercial airline service is available at Blue Grass Airport, 105 miles north of Monticello. The Monticello-Wayne County Airport, a local airport located just north of Monticello, maintains a 4,000-foot paved runway.

Power and Fuel - Electric power is provided to Monticello by the City of Monticello Electric Plant Board, which is supplied by the Tennessee Valley Authority. Wayne County is served by the South Kentucky Rural Electric Cooperative Corporation, which is supplied by East Kentucky Power.

Education - Primary and secondary education is provided to Monticello by the Monticello Independent School System and the Wayne County School System. One university, five senior colleges, two junior colleges, and one community college are located within 85 miles of Monticello. LOCAL GOVERNMENT

Structure

The City of Monticello is served by a mayor and six council members. The mayor is elected to a four-year term and the council members serve two-year terms. Wayne County is served by a county judge/executive and four magistrates, each of whom serves a four-year term.

Planning and Zoning

Presently, there is no planning and zoning commission in Monticello.

Mandatory state codes enforced - Kentucky Plumbing Code, National Electric Code, Kentucky Boiler Regulations and Standards, Kentucky Building Code (modeled after BOCA code)

Local Fees and Licenses

The City of Monticello levies a business license fee ranging from \$50 to \$500 per year, depending on the type of business. For manufacturers, the fee is \$500 per year.

PROPERTY TAXES

The Kentucky Constitution requires the state to tax all classes of taxable property, and state statutes allow local jurisdictions to tax only a few classes. All locally taxed property is subject to county taxes and school district taxes (either a county school district or an independent school district). Property located inside of city limits may also be subject to city property taxes.

Special local taxing jurisdictions (fire protection districts, watershed districts, and sanitation districts) levy taxes within their operating areas (usually a small portion of community or county).

Property assessments in Kentucky are at 100% fair cash value. Accounts receivable are taxed at 85% of face value.
