Library Committees

Respectfully submitted,

Linda G. White

My suggestion is that there be a suggestion box in the Commons area for patrons. This suggestion would benefit the patrons and the library.

-A request has been submitted to Brian Coutts box to be placed in the Commons area for patron use. His response will be forwarded to the Library Staff Council.

What is WKU policy on e-cigarettes? And where is it posted if a patron asks where to find it. My suggestion would benefit the faculty and staff. We need to have policies in place to inform our patrons.

-WKU Libraries adheres to campus wide policies regarding smoking on campus and that includes e-cigarettes. They should be used in smoking areas only. This policy is available at <http://www.wku.edu/policies/docs/153.pdf> and includes all smoking areas on campus.

My suggestion is a display for Helm 2nd floor. It would be nice. It could display historical events or fashion from history or from newspapers or microfilm. It would enrich the library's aesthetics, promote library materials, and be something for the students to view.

-Suggestion has been sent to the display committee and we await their response. I will forward their response to the committee.

I would suggest having a BSA on week-ends to take out trash and maintain restrooms as the trash cans overflow and library staff are having to empty the trash cans.

-This suggestion will be discussed with Daniel Peach, Library Facilities Coordinator.
