Southern Continental Telephone Company

INCORPORATED
GENERAL INFORMATION

TARIFFS, RULES AND REGULATIONS

The tariffs, rules and regulations of this Company, as filed with the Tennessee Railroad and Public Utilities Commission, are on file in each business office of the Company and may be inspected upon application. A representative of this Company will lend any assistance necessary in securing information from such tariffs.

LOCAL SERVICE

Local service is furnished for the primary use of the subscriber, members of his firm or family, employees, guests or joint users. Pay stations are conveniently located for the use of the general public.

TOLL SERVICE

Subscribers are responsible for all long distance service originating from or made collect to their telephones, regardless of who places or talks on the call.

ATTACHMENTS TO TELEPHONES

The Company’s general rules provide that no instruments, appliances or wiring not furnished by the company shall be attached to or be used in connection with the instruments, wiring or lines of this Company. Many of them cause trouble and to protect its service this Company asks your co-operation in complying with this stipulation.

USE OF THE SERVICE

Be a good “telephone neighbor.” If you will limit your conversations to five minutes duration and allow some time between calls everyone will get his fair share of the use of the exchange equipment and lines.

BUSINESS TRANSACTIONS

Business transactions and applications for service, changes in or additions to existing service may be made by telephone, by mail or in person with the Company’s Local Business Office. The office is closed on Saturday afternoons, Sundays and generally observed legal holidays.

Our aim is to render a service that will be satisfactory to all our customers. We realize that difficulties may sometimes occur, notwithstanding all our efforts to avoid them and shall appreciate your comments and suggestions for the betterment of the service or our relations with the public at any time.

BILLS AND PAYMENTS

Telephone bills are rendered monthly and are due when rendered. They cover local service charges in advance for a one-month period from the date of the bill and long distance service charges for a one-month period ending on the twentieth of the preceding month. Bills are payable by the 15th of the current month. We ask your co-operation in the prompt payment of all amounts due.

DIRECTORIES

Directories are the property of this Company and old directories are to be returned upon delivery of new ones. Binders, holders or auxiliary covers may not be used in connection with this directory except such as may be furnished by this Company.

ERRORS IN THIS DIRECTORY

Every effort is made to prevent errors in this directory. However, the Company cannot and does not assume any liability for any errors or omissions in the compiling, printing or distributing of its directory. Sometimes, in spite of care and attention, errors will be made. Please check your listing in the directory. If it is not correct, please call the Business Office so that it may be corrected in the next issue.
