The Servants sang on November 16 and 17 in Knoxville and LaFollette, Tennessee. They sang there with The Gloryland Boys, a Tennessee group. They reported a great time and have planned a return trip in June of 1975. In the above picture, they turn loose on Garry’s new song, “When Gabriel’s Trumpet Sounds”.

GMA FAMILY NIGHT HELD NOV. 16

A number of South-central Kentucky’s top gospel groups performed to an enthusiastic audience in attendance at the Hart County GMA Family Night on November 16 at the Hart County High School. Groups appearing included the Temple Trio, Peacemakers, Good News Singers, Cook Family, Voices of Faith, Christian Sounds, Singing Stantons, McCubbins Family and the Perry Sisters.

The main purpose of the evening was to offer an appealing program for the entire family. Numerous prizes were awarded with special recognition going to the largest family in attendance. This award went to the family of Mr. and Mrs. Howard Waldeck of Bonnieville.

This type of program received an extremely favorable reaction from those in attendance and it is expected that it will be repeated in the near future.
**PEACEMAKERS SAY THANKS**

We want to take this opportunity to thank all those across the country for their concern, prayers, cards, etc, during Sister Jewell's recent illness and stay in the hospital. We hope to see and thank you in person during our crusade tour through the U.S. in 1975.

Since this paper originates in Hart Co., Ky. We hope to meet many more new friends at the Hart Co. Singing Convention Dec 7. This will be our first or second trip in this part of the country even though Sister Jewell is a native of Hart Co., but we find God to be the same everywhere - Saving souls - healing bodies, but best of all - Someday He'll raise dead in Him - Praise God - Until we meet.

Go with God

SERVANTS SING
AT COOK RALLY

The Servant's Quartet, of Campbells-ville, sang at Senator Marlow Cook's rally at the Adair County High School. 1,500 people gave the Servants a standing ovation when they sang God Bless' America. The Servants have received similar responses recently during concerts before people who were generally unfamiliar with gospel music.

By singing at this type event, the Servants are presenting gospel music to many new people.

1974 Was A Busy Year For The Tomes Four

The Tomes Four would like to take this opportunity to thank everyone for another year of your support and prayers. We have experienced many things in the past year. Clifton got married to a fine Christian young lady Robin Houchins, daughter of Mr. and Mrs. Jimmy Houchins in Chalybeate, Ky. Also this past year Lemar our oldest brother was called into the ministry. He helped our father and cousin Van Tomes in a revival at our church and had 17 saved and twenty joined the church at close of Revival. Wanda, my wife and I had a little girl May 23, Larissa which we are so thankful for. Beyond all this we have met so many Christian friends in our travels this past year.

We hope and pray that God's richest blessing be upon you all and that your final next year to be the best year of your life. Come out and be with the Tomes Four when their in your area.

Gary Polston stated, "We believe the album will be our best yet. I want everyone to be listening for my new song 'When Gabriel's Trumpet Sounds'."

Don Parker, tenor for the Servants, has a new solo recording which will be released on 8-tract tapes in a few weeks. It features such songs as "The Lord's Prayer" and "Rock of Ages" in the outstanding style unique to Don.

Both recordings were produced by Robert Boston of Boston's Recordings. Boston is the new producer for Servants' recordings.

Splashing thru puddles in wet boots,
Vaguely blinking neon purple haze
Blaming the last-minute rush on a fat old man
in a red suit forgetting
Three Wise Men long ago brought gifts to a
Baby in token of a four-letter word
seldom used.
Stand still and listen
Can you still hear the wind?
Voices of angels
to shepherds on a hillside told of
blessings in the night.
He didn’t have to come at all but
He wanted to know
how it felt to be a man
He could have been rich or stayed on His throne-
But Calvary was Salvation for you
and me.
One day we call Christ’s birthday
Celebrate with worship gifts given in joy
I’m touched by the rat race.
Remember how to love.

Trick or Treat

Gospel is truly reaching out, you never know the direction the Gospel road will take.

The Cook Family Singers were invited to sing for a company's costume get together in Bowling Green at Richardson Stables. They were pretty surprised when they arrived and found it was exactly that - a stable, complete with Thoroughbred horses, hay and saw dust.

They soon got into the swing of things. The guys rolled up their pant lets and the girls kicked off their high heeled shoes. Thus began their first Barnyard Gospel Concert.

Their audience consisted of everything from clowns, to cavemen, and planet of the ape creatures. They seated themselves on the saw dust and clapped their hands to the music.

Even the horses got excited when they sang The Coming of the Lord. One Tennessee Walker began doing a very pepped up version of the Tennessee Waltz.

This experience topped a couple more strange situations the Cooks have experienced recently.

At the Cave City Bi-Centennial Celebration they performed on a large wagon bed in the middle of Main Street. They had to move fast when it started to rain. They moved instruments into nearby stores until the rain stopped. Someone provided a huge piece of white plastic. They set up again and began singing. About thirty minutes later the sky opened up again. People began dashing for shelter. Several men standing in front of the wagon grabbed the edge of the plastic, pulledd it over the wagon, and covered instruments, singers and all. The group was gift wrapped on Main Street until the rain stopped.

Then there was the day they were leaving for a singing. A huge dog weighing around 125 pounds, came bounding up the driveway, leaped into the back seat of the car and snuggled up to Danny Hodges like he was a long lost friend. After much pleading, coaxing and shouting to no avail, Larry grabbed the dog's back leg and pulled him from the car. He was not discouraged. He raced around the car and jumped into the front seat with Joy Cook. After a battle which lasted a good half hour, they went on their way without the dog.

Larry commented, "If that dog had a blue suit, we'd allow him to join the group."

The moral of these stories is simple. If someone tells you that the Cook Family has been 'horsing around' or 'putting on the dog' - you can believe it!!!
