PRESIDENT'S MESSAGE

If you are a member of ABWA, in Heaven's name, be active. If ABWA pays off for you; speak to other business women about it. If asked to do a job, work toward it with diligence. If you must mouth, complain and discourage others, then you are defeating only yourselves. "Honors won are promises of more to come."

Please committee chairmen; have a get-together with your committee and review your duties. For the chapter to function smoothly, we must have reports from as many committees as possible.

LOCAL DUES

Local dues are to be paid quarterly in the amount of \$1.00. How long has it been since you last paid your dues? Are you paid up to date? If you have forgotten to pay up-to-date, why not bring an extra \$1.00 to the next dinner meeting. Dues should be paid to Jane Lewis.

## ABWA SOUTHEASTERN DISTRICT MEETING, SAVANNAH

About 1:00 p.m. Thursday, March 18, we left Bowling Green to attend the ABWA District Convention in Savannah, Georgia. We, by the way, were Joyce Lewis and Jean Fulkerson of the Kentucky Colonel Chapter, and Florence Perkins of the Bowling Green Charter Chapter of ABWA. Thursday night we spent the night with Opal McLaughlin in Atlanta. Friday morning we got an early start on our way to Savannah.

We arrived in Savannah about 3:30 p.m. Friday just in time to miss the bus for the boat trip of the Old Savannah Harbor. After registration, we changed and went out to eat. Everyone suggested that we go to the Old Pirate House. The Pirate House is one of Savannah's oldest Historical places. Friday night was Open House. There was entertainment while we all just wandered around meeting people from other chapters. We also visited another historical site in Savannah, The Boar's Head Restaurant.

Saturday morning we awoke to a brisk change in the weather. The air was quite cool. We had coffee and rolls before attending the Symposium conducted by Mr. Bill Blair. Saturday afternoon we attended a luncheon and Style Show by Levy's of Savannah. Following the style show we all decided to go shopping. Saturday night was the night to dress up in our party clothes. At 7:15 we attended a banquet in the Hotel Ball Room. When you attend ABWA Conventions, you just don't think about sleep.

Sunday morning was a bright sunshiny morning, but the air was a little cool. This was the final day

of the Convention and the most important. We attended a workshop conducted by different members of the National board. There was one on membership conducted by Lolla Molloy; Scrapbook and Bulletin by Florence Barrett and Lucy Roland; and Education by Mr. Bufton and Peggy Flannagan. Following the workshop we attended a Brunch in the Ball Room. The speaker was Peggy Flannagan, National President. Presentation of the Scrapbook Awards followed the speaker. The Kentucky Colonel Chapters Scrapbook was one of the five winners. It was quite an honor for us to have a winner.

I wish every member of our chapter could have attended the convention, because this is where you learn about ABWA. You enjoy every minute of the time you spend in attending the different activities that go on. It is worth the time you may have to take off from your job if at all possible to attend an ABWA convention.

Educational Report

On April 7, 1965 I attended a meeting called by the City-County Schools Project called Head Start. Mr. Otto Mattei, city school supervisor conducted the meeting. The Project Head Start is to conduct a pre-school clinic for children between the ages of 5 1/2 to 7 and who come from families whose taxable income is \$3,000.00 or less. This project is a wonderful thing for these people who fall into this low income bracket. These children will benefit from this pre-school clinic as well as the parents. Plans for this program are to be submitted to federal authorities by April 15. This school is to start around June 15, and go through the summer up to the fall semester of regular school term.

### WINNERS RECEIVE PAYOFF

Winners of the Perfect Attendance Contest were honored with a pot-luck supper Monday night, April 5, at the home of Jan Labold. Losers of the contest prepared all of the food and drinks that were enjoyed by all members participating. The Alive team lead by Jan Labold won by 80 points. The Alert team was headed by Willia Elmore.

### EVANSVILLE BOUND??

Have you made plans to attend the North Central Distr'ct Meeting? Don't forget the meeting is April 24-25 and we are hoping to have at least ten members in attendance. If we have ten members present, we are accomplishing another goal toward the Banner. If you feel that you are unable to go on Friday night when some of the members plan to go, maybe you can go on Saturday getting there in time for the Symposium beginning on Saturday morning. MEMBERS, WE ARE COUNTING ON YOUR BEING THERE!

### WEARING OF EMBLEM

The Emblem is to be worn on the left side in the vicinity of the heart. It should never be worn anywhere else. After a member has earned a "Hand of Friendship" guard, the guard is to be worn on the left and a little below the center of the Emblem.

### ABWA MERCHANDISE

Official ABWA merchandise, such as Past President's pin, bracelets, recognition charms, gavels, engraved invitations, and other supplies, are available through National Headquarters. If you would like a complimentary gift catalog, write National Headquarters, addressing your request to "ABWA Merchandise."

## RUMMAGE SALE

WHAT: Rummage Sale

WHEN: Saturday, April 17, 1965

WHERE: 6th and Kentucky Street (Coca Cola Building)

Are you making plans to work at the Rummage Sale? We will be needing workers from 5:30 a.m. until approximately 1:00 p.m. If you have a certain time that you would like to work, please contact Linda Evans after 5:30 p.m. any night at 2-1919.

If you don't have any rummage of your own, why not ask a friend or a neighbor if they have any that they would like to give. Just because you don't have any clothing to donate doesn't mean that you can't give something to the rummage sale. We need jewelry, dishes, toys and anything else that you may think of.

Everyone should be out working now getting everything together so that we can get the rummage set up in the building and ready to sell a few days before the sale. It could be that we can sell an hour or two on Friday evening.

### DUTIES OF THE WAYS AND MEANS COMMITTEE

The Ways and Means Committee shall be responsible for the financial welfare of the chapter and anticipate its requirements.

The committee shall plan systematic methods of raising money to keep the chapter treasury ample for all needs.

It shall co-operate with the Social, Educational Project, and Program Committees when activities of these committees are directed toward a common goal.

The Treasurer shall be the sponsor of the Ways and means Committee and shall be kept informed of the committee's activities at all times.

HINTS FOR A SUCCESSFUL SPRING GARDEN  
AND A HAPPY GARDENER

First, plant five rows of peas..Preparedness,  
Promptness, Perserverance, Politeness and Prayer.

Next to them plant three rows of squash..Squash  
gossip; Squash criticism; Squash indifference.

Then plant five rows of lettuce..Let us be loyal;  
Let us be faithful; Let us be unselfish; Let us love  
one another; Let us be truthful.

No garden is complete without turnips..Turn up for  
church; Turn up with a smile; Turn up with a new  
idea; Turn up with determination.

This might well be titled:

HINTS FOR A SUCCESSFUL ABWA SPRING GARDEN AND A  
HAPPY ABWA MEMBER!!

CREED

"If you work for a man, in Heaven's name, work for him. If he pays you wages which supply you bread and butter, work for him; speak well of him; stand by him and stand by the institution he represents. If rut to a pinch, an ounce of loyalty is worth a pound of cleverness. If you must vilify, condemn and eternally disparage--resign your position, and when you are outside, damn to your heart's content; but as long as you are part of the institution do not condemn it. If you do that, you are loosening the tendrils that are holding you to the institution, and at the first high wind that comes along you will be uprooted and blown away, and probably will never know the reason why."
