Dear Bethel:

When the golden sun is setting,
And your mind from care is free,
When of others you are thinking,
Won't you sometimes think of
me?

Dear Bethel,

Dr. Oakley, I should say, in view of the last week you stayed at 1408 College. And then the Dr. had to be doctored a little!

I wish you weren't going away. I don't know what I'll do without you and "Pesty".

You'll have to take good care of her now.

Anyway, don't forget one tall skinny old maid?—?

Love, Allie.

Dearest Babe,

Again in 1932 I
have come to you. You
are the same sweet
Bethel I always knew.
Nothing can make me
not love you, and as
you say the same about
me, I'm sure our
friendship will remain
the same with just
a little increase all
the time. You are so
sweet I wish I could
do many nice things for
you.

Your Pal, Mary

Dear Bethel,

I am glad to have known
you and will always number
you as one of my friends

Remember well and don't
forget

you have a friend in
Hodgenville yet.

Darling Bethel,

No one but God could
ever know what you have
meant to me during these
few weeks we have been
together. If I had never
heard of you before, when
I had that hand shake
Eastern Star
with you, I knew then
that I loved you and
that you were my sister.
Then the many things
you have done for

me. which I
really have
not been your
of. I hope you
will understand
that I am not only
willing but anxious
to do anything for you.
In the days that are to
come in my future, I
hope you will consider
me as one of the
best friends
you ever
can have.
Always,
Mary.

Dear Bethel:

I can't write all I would like to say, but I have enjoyed being here with you so much. It seems that I have known you always. I hope you will come to see me when we go home. I will be looking for you anytime so don't dissappoint me at all.

I dread for the time to come for us to part. You know how I feel when I

say good-bye, so I may
not queer but it will be
just because I feel so near
to you.

Best wishes to a sweet

Whatever you do, your success depends on the kind of materials you work with. The best materials make for the greatest success. As an ~~old~~ "boardin'-house keeper" I feel that I am a huge success and Bethel Oakley was one of my best boarders. Figure it out. Is that a compliment or is it a compliment?

Sincerely,
Charley Robertson
