On May 3 gospel groups from throughout much of Kentucky, as well as groups from Tennessee and Indiana, will converge in Horse Cave to celebrate the 2nd Anniversary of the Hart County Gospel Music Association. An all out effort is being made by the organization to make this one of the biggest and best programs of gospel music ever to take place in Hart County.

The singing will take place at the Horse Cave Tobacco Warehouse No. 2 (located on South 31-W, behind Lanes Restaurant). It will begin at 3:00 p.m. CDT and then continue into the night. Concessions will be available at the singing.

Groups whose appearance has been confirmed include: The Goodwill Singers, Hartsville, Tennessee; The Gospel Jets, Bloomington, Indiana; The Melody Makers and the Cockriel Family from Bowling Green; The Servants Quartet, Campbellsville; The Good New Quartet, Owensboro; The Gospel Troubadors, Glasgow; The Redemption Aires Trio, Scottsville; The Edmonton Quartet, Edmonton; The Joyway Singers, Cave City; The Gospel Lights, Leitchfield; and several local groups including the McCubbins Family, the Joyful Echoes, the Singing Stantons, the Christian Sound, the Cook Family, and the Masters Trio.

The singing’s format will be similar to that of the State Singing Convention, with a continuous flow of gospel talent performing throughout the afternoon and evening.

The date and location of the singing makes it an outstanding opportunity for families to tie in a spring-time trip in the scenic Cave Country, with gospel music. A number of caves, including the internationally famous Mammoth Cave, are within 15 minutes driving time from Horse Cave.

All in all the Anniversary Singing shapes up as one of the top gospel music events in Kentucky during 1975. Be sure that you don’t miss it!!!

**Anniversary Singing - May 3**
1975 Officers Announced

Results of the 1975 election of officers for the Hart County GMA have been released for publication in Gospel Reaching Out. The election was carried out through ballots appearing in this paper the past two months.

Officers who will be installed at the Anniversary Singing on May 3 include: President, Don Cottrell; Vice-President, Haskell McCubbins; Treasurer, Tommy Ferren; Secretary, Donna Stanton. Board of directors include Courtney Spradlin, Dwayne Hatcher, Garry Polston, and Elroy Larimore.

Warren County Singing Convention

The Warren County Singing Convention will be held at the Green Hill Methodist Church on Sunday, May 25 at 2:00 p.m. Several singers will be there along with Earl and Lorene Norris. Come and support your convention. Everyone is invited. Earl Norris is the president and Richard Finch is the vice-president.

McCubbins Family Plans Revivals

To our friends,

As we write this article we feel very thankful and very humble.

Thanks to you all, our last album "One Day At A Time" was our best selling record.

We have been in several good services so far this year and the Good Lord has saved several. We were in Sparta, Tennessee in March, and also in a revival the last of March, and the first of April at Mt. Gilead in Green County.

By the time you read this we will be in a revival at Pleasant Hill, on the other side of Lebanon.

We request your prayers as we continue to work in these revivals and church work. There is a great need for revival and many souls need to be saved.

If you can get W.L.O.C. in Munfordville listen each Tuesday for our Radio Program. The time is 11:30 A.M. That's on Tuesday at 11:30.

For records write: The McCubbins Family, Route 3, Box 23, Munfordville, Ky. 42765.

Hope to see you in the near future. We would again request your prayers.

Respectfully submitted.

The McCubbins Family
the
Joymakers

From 1967...

...and all the years in between.

THE JOYMAKERS started singing gospel music eight years ago, in the summer of 1967. The last eight years have brought many changes to gospel music... and many changes to THE JOYMAKERS. But through each year... and each change... one thing has always been the same... THE JOYMAKERS have been gospel singers. And as the group completes its eighth year we remain... THE JOYMAKERS... GOSPEL SINGERS.
...thru 1975

“Seven weeks had gone by since Jesus’ death and resurrection, and the Day of Pentecost had now arrived. As the believers met together that day, suddenly there was a sound like the roaring of a mighty windstorm in the skies above them and it filled the house where they were meeting. Then what looked like flames or tongues of fire appeared and settled on their heads. And everyone present was filled with the Holy Spirit and began speaking in languages they didn’t know, for the Holy Spirit gave them this ability.” (Acts 2: 1-4) 

Jesus’ mission on earth was finished and He had ascended into Heaven, leaving His disciples to carry on the work. He knew it wouldn’t be easy. Jesus told them that God would not leave them alone. He instructed them to stay in Jerusalem and wait for the Comforter to come before starting on the long rocky road ahead.

“If you love me, obey me, and I will ask the Father and he will give you another Comforter, and he will leave you. He is the Holy Spirit who leads into all truth.” (John 14: 15-16)

On the day of Pentecost, Peter -- poor, weak Peter who had denied even knowing Christ -- stood up and preached with such boldness that 3,000 souls were added to their body of believers.

“But when the Holy Spirit has come upon you, you will receive power to testify about me with great effect, to the people in Jerusalem, throughout Judea, in Samaria, and to the ends of the earth, about death and resurrection.” (Acts 1: 8)

I can hear a lot of you saying that those people were the disciples who walked with Jesus here on earth. Gifts of the Spirit -- speaking in tongues, healing, prophecy, etc. -- died out when the last old Apostle turned up his toes.

Not so! There are spirit - filled people walking around today -- speaking in tongues, healing, prophesying.

Now I have heard many of you talk about old Brother So - and - So who could really pray the power down. And you try like everything to get the same power he had. But how do you go about it? By worshipping in the same rickety building? By singing the same old songs? By hanging on for dear life to that thing called tradition?

Well, has it helped you? On second thought, you don’t have to answer that question. Power comes from the Holy Spirit. When you receive the Baptism of the Holy Spirit, you can stand boldly and witness for the Lord.

The world at large cannot recognize the Spirit because they aren’t looking for Him. (John 14: 17) I can tell you from my own experience that the Holy Spirit is still alive and is moving in a great way today.

“In the last days, God said, I will pour out my Holy Spirit upon all mankind, and your sons and daughters shall prophesy, and your young men shall see visions, and your old men dream dreams.” (Acts 2: 17)

But, you say, didn’t I receive the Baptism of the Holy Spirit during my conversion experience? Possibly but not likely. The Baptism of the Holy Spirit is something above and beyond the conversion experience.

My mother has a friend who never puts salt on a roast when she cooks it in the pressure cooker. She always waits until the meat is cooked before salting it.

Just as the salt on the outside of the meat improves the flavor, the Holy Spirit hovers near and offers strength to the “saved” person. But how much richer is the flavor of the meat when the salt is cooked in and fills it through and through!

A big Memorial Day Singing will be held on Sunday afternoon, May 25 at the Pleasant Hill Baptist Church. The featured groups will be the Journeymen, the Edmonton Quartet and the Joymakers. The church is located on Highway 68, 3 miles out of Campbellsville.

Starting time for this singing is 2:00 P.M. EDT. Thurman Eaton is the pastor of the church.
Newton Agency Represents Gospel Country

Jim Black, host of the nationally syndicated gospel radio show "From Nashville...It's Gospel Country", and Ken Harding, production coordinator for the show have retained Neil Newton, of the Newton Agency to represent the show nationally in adding new stations to the current list of country, MOR, and gospel stations carrying the weekly show.

"Gospel Country recently celebrated its first anniversary of programming and is continually exploring new ideas for its future growth. Adding the Newton Agency as a representative on a regular basis will be a definite factor in the expansion of our goals to have the largest gospel music syndicated show in the nation," stated Black.

Neil Newton will be contacting progressive broadcasters interested in bringing the big names in Gospel music to their local stations and communities.

Gospel Country is a 55-minute weekly show which informs, entertains and develops a better relation between the Gospel music performer and the radio listening audience. The show is co-hosted each week by a top Gospel personality and the music format consists of the latest Gospel hits. "The program has been a tremendous success and we now have a potential listening audience of over 8 million persons," says Ken Harding.

THANKS FROM THE SERVANTS

The Servants arrived in Evergreen, Virginia on April 5th at 4:30 p.m. The weekend tour started out with one of the most spiritual services that we have ever been in. The building was packed to its full capacity and God's Spirit fell upon all. Thanks to the pastor, Rev. Butch Terry for having the Servants.

The Servants then moved on to Rocks Baptist Church for the Sunday morning worship service.

From there the trail led to Lovingston Baptist Church in Lovingston, Virginia. The Servants would like to express their appreciation to this pastor, Rev. Ross Terry who has been responsible for starting the Servants Quartet out in the State of Virginia.

To all of our "Friends in Christ" and faithful supporters, we, the Servants, send to you through Gospel Reaching Out, a big THANKS!!! Don, Garry, Cotton, Big Ern, Jim and Charlie.
