

Greg Hackbarth

for

WKU Staff Council

Hello all, I am a candidate for WKU Staff Council in the Professional Non-Faculty category. I'm in my 18th year at WKU and currently serve as the Director of Enterprise Systems in the Information Technology Division. I have two degrees from WKU, a BS in Computer Science ('97) and an MA in Organizational Leadership ('16), and attended the Staff Leadership Institute ('09/'10).

I am a strong advocate of leadership through service and support, and I am very sensitive to staff needs and open to feedback. Due to the recent and upcoming changes in our administration, the next two years will be a critical period for staff. Please allow me to represent you by casting your vote for me on Wednesday, May 18th.
