AMERICAN BUSINESS WOMEN'S ASSOCIATION
KENTUCKY COLONEL CHAPTER
Bowling Green, Kentucky

REMEMBER THIS

If you work for a man, in Heaven's name,
WORK for him. If he pays you wages which
supply you bread and butter, work for him;
speak well of him; stand by him and stand
by the institution he represents. If put
to a pinch, an ounce of loyalty is worth
a pound of cleverness. If you must vilify,
condemn and eternally disparage - resign
your position, and when you are outside,
damn to your heart's content, but as long
as you are a part of the institution do
not condemn it. If you do that, you are
loosening the tendrils that are holding
you to the institution, and at the first
high wind that comes along, you will be
uprooted and blown away, and probably
will never know the reason why.

SOUTHEASTERN DISTRICT, ABWA MEETING

Who would be willing to settle for merely being Queen for a Day, when by attending the 1969 Southeastern District Meeting in Charlotte, North Carolina, one could be Queen for a weekend, and bring home a crown to prove it?

How Royally entertained were all members of ABWA who gathered at the White House Inn the weekend of March 8-9 to share in the Fabulous events which had been planned! Those arriving on Friday afternoon were whisked to the Hotel, quickly and efficiently registered, and given their envelopes containing program, tickets, and all essential information, plus a loot bag containing a number of interesting items.

Little did we know what would occur before the evening was over. After our return, Glorine and I were preparing for bed, talking a mile a minute, when there was a knock on our door, and in came Ruth Bufton, holding out a stub of a key which had broken off in the lock on her door. We gave her sanctuary, and after a short and troubled sleep, she arose early. She found that the Hotel's day shift was not aware of her problem, and not being one who leaves things to chance, Ruth, wearing Florence's new housecoat of many colors, proceeded through the kitchen to the engine room to find the engineer, and then finally to the manager's office, before regaining entry to her room. What a comedy of errors, but didn't Ruth look lovely in my housecoat!

Presented for the first time before any audience, and charmingly modeled by Ruth Bufton, Administrative Director, and Glorine Tuohy, National Enrollment Director, were the striking black and gold costumes which from this time on will identify the members of the Headquarters Staff, so that those needing to seek their advice will have no difficulty in finding them.

SOUTHEASTERN DISTRICT , ABWA MEETING CONTINUED

This year for the first time, Scrapbooks and Bulletins were judged by individuals from outside the Association, together with the Chairman of the receiving committee in each category.

The attendance at this first of the 1969 District Meetings was 760, and so ABWA is off to another year of growing interest and participation.

A SUMMARY OF THE SOUTHWESTERN DISTRICT, ABWA MEETING HELD MARCH 29-30

In a Recently released recording, Glen Campbell personalbe pop singer, relates the attractions of Galveston, with its Sea Winds Blowing. The 575 members in attendance at the Southwestern District Meeting held there March 29-30 were in complete agreement. They loved the wind and the waves and the Seawall and the flashing wings of the Gulls.

ABWA'S Founder, Mr. Hilary A. Bufton, Jr., extended greeting to sll, and paid a tribute to Bea Ramette, visiting member of City of The Lake Chapter, Lke Charles, Louisiana, who has had perfect attendance for fifteen years.

Jean Fulkerson Past Southeastern District Vice President was a Guest and a Visitor to the Southwestern District Meeting.

Recognition of the 51 members of the Inner Circle who were present was given by Glorine Tuohey, National Enrollment Director. An outstanding member of this dedicated group was Eve Havens, who is credited with having sponsored 74 new members in ABWA, and is at present adding to that number by the enrollment of members for a New Chapter in Carthage, Texas.

SOUTHWESTERN DISTRICT ABWA, CONTINUED

Remembering that ABWA has held a District Meeting in Galveston in 1958, and that I had strolled along its beach at that time, leaving my footprints in its sands, I recalled that the theme for that year was, "ABWA -- The Organization on the Go!" The 118 members who graced the occasion with their presence then were certainly "Go-ERS" and we're most appreciative of their enthusiasm and ability.

A poet has written wistfully of "Leaving Footprints on the sands of Time." I guess I'm just not sufficiently poetic to want the footprints which I left on the sands of Galveston in 1958 to be perpetuated. I'm proud to have them washed away by the tides of progress.

It is my earnest hope that when I again return to Galveston, as I shall surely do, the footprint established by 1969's record will have been equally outdated. I am doing my share to bring this about--and it is your privilege to contribute to that effort by shaping your public image of the Typical ABWA member into something which will be the envy of your associates, an example to the Business Community, and an attraction that will draw all Business Women to Membership.

YOUR OWN STORY

Has anybody told you That every thought you
think Makes lines just like the little lines
You write with pen and ink?

And thoughts of anger, fear or hate Will Spoil
the prettiest face By making ugly little lines
Which nothing can erase.

But thoughts of love and kindness, And joyous=
ness and cheer Make very pretty little lines,
All fine and firm and clear.

And by and by your face becomes An open story-
book Which every one can see and read Each time
they chance to look.

So if you want your face to tell A stoyy sweet
and fair, You must see that only good thoughts
Do any writing there.
