DROP FOR NON-ATTENDANCE

DEADLINE TO SUBMIT DROP FOR NON-ATTENDANCE VIA TOPNET: TUESDAY, AUGUST 29

Students who, without previous arrangement with the instructor or department, fail to attend the first two class meetings of a course meeting multiple times per week OR the first meeting of a class that meets one time per week MAY be dropped from the course.

Non-attendance for a web-based course shall be defined as failure to perform meaningful academically-related activity (including, but not limited to, the following: submitting an academic assignment, taking an exam, participating in an online discussion about academic matters) within one week of the course start date without previous arrangements with the instructor or department.

Instructors have the right to drop non-attending students during the drop/add period to allow other students to register for the course, thus cutting down on waitlists and bottlenecks.

Please review your course roster(s) to make sure those on the list have attended your classes. If a student has not attended any of your class meetings, please complete a drop for non-attendance through TopNet. You may find instructions here:

Miscellaneous Reminders

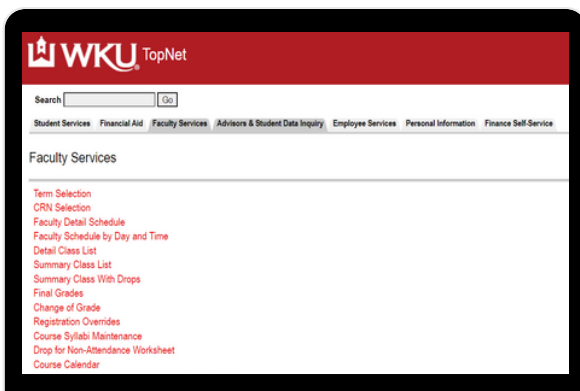

ATTENDANCE POLICY

Registration in a course obligates the student to be regular and punctual in class attendance. Students should make certain their names are on the class roll. If an error has been made in registration, it is the student's responsibility to see the error is corrected in the Office of the Registrar.

Instructors may create guidelines for attendance in each course. The instructor must notify students of the attendance policy in writing within one week of the start of the pertinent semester/term/summer session. It is recommended that this information be included in the course syllabus.

Students' role in class attendance may be accessed via the Academic Catalogs found here: <https://catalog.wku.edu/undergraduate/academic-information/academic-requirements-regulations/#text>
