ON THE COVER

Enoch Payne was born March 11, 1822, in Monroe County, Ky., son of Daniel Payne and Martha Frazier.

He was first married on September 4, 1844, to Nancy Frazier, supposedly in Monroe Co. Enoch and Nancy were the parents of twelve children, all of whom lived to maturity. They were: Mary Jane (Wilson), John Parker Payne, Harmon B. Payne, Letha E. (Simpson), Martha E. (Jones), Jesse T. Payne, George W. Payne, Joe H. Payne, Annie B. (Hollon), Isophenia Elizabeth (Graves, Null, Carter - who was the grandmother of the contributor of this material), Tipton Payne and Gordon Payne.

Enoch and Nancy lived in Monroe Co., Ky. until about 1854, when they moved to Barren County. In March, 1883, they moved to Milan, Sullivan County, Missouri. Nancy died there on August 10, 1899.

Enoch Payne married secondly, April 4, 1890, Elizabeth Slaughter, a sister-in-law of his first wife. She was first married to J. M. Frazier. Elizabeth died April 4, 1898.

On April 18, 1899, Enoch was married to his third wife, Mary Margaret Tharp. She died September 13, 1902.

Enoch then married, August 18, 1903, Mary J. Duvall. In a probate court document dated October 18, 1910, it states an amusing reference to Mary J. Payne.... "Secondly, I give and bequeath to my beloved wife Mary J. Payne, two hundred dollars in cash the same to be paid out of my estate by my executor hereinafter appointed, and also, all the household goods and effects, which I may own at the time of my death. I bequeath this property to my wife agreeable to an antenuptial contract entered into by us on the 15th day of August, 1903, said amount being the balance due on said contract. I having in the meantime paid her the sum of one hundred dollars which is to be deducted from the said three hundred dollars, which I wish carried out to the letter and my executor is directed to this end."

Mary's date of death is not known, but the 1910 census of Milan, Polk Township, Missouri, shows Enoch Payne, age 89, (April 21, 1910) living with the family of William Stark. His obituary states that he died at the home of his son, H. B. Payne on September 21, 1910.

The History of Sullivan County, Missouri states that Enoch was a school teacher for a time and then went into farming. It further states that he was a Democrat and a Justice of the Peace.

Our cover pictures and the above information were submitted by Ms. Cynthia E. Monroe, P.O. Box 94842, Lincoln, NE 68509. Ms. Monroe would like to learn the whereabouts of the diary of Enoch Payne, referred to by Loy Payne of Shenandoah, Iowa, and by the papers of the late John E. Graves. She also states that she has recently received a great deal of information collected over many years by John E. Graves. She would be very interested and willing to share this information in exchange for information of others who are tracing this line, especially information which would document the information she has.

Thomas J. Heath
Samuel C. Strother was born about 1779 in Culpeper County, VA, the son of Solomon and Nancy (Lawler) Strother. Solomon's will recorded in 1790 in Richmond County, NC (Will Bk. 1, Pg. 35) names his three sons: John, Samuel and William. Nancy is the dau of John and Susannah Dabney (Strother) Lawler, whose other children include Michael, Mollie (Humphrey), Sallie (Bigbee), Caty and Susan Lawler. Susannah Strother is the dau of John Strother whose will is recorded in 1795 in Culpeper County and his wife Mary (Wade) Strother.

Solomon Strother is the son of Jeremiah and Catharine (Kennerly) Strother (Catharine a dau of Samuel and Ellen Kennerly of Culpeper County), whose other children include: John F. Strother; Catharine Strother; Samuel Strother; Joseph Strother. Jeremiah is the son of another Jeremiah Strother, whose will is recorded 1741 in Stafford Co, VA (Will Bk 1, pg 141) and his wife Eleanor (Savage?), whose other children include: James, William, Francis, Lawrence, Christopher Judd, Catharine and Elizabeth Strother. Jeremiah who d 1741 is a son of William Strother, the emigrant from England to Va and his wife Dorothy (Savage) Strother. An abundance of data is available on the ancestors of this William Strother, which chronicles the ancestry back to 12th century in England, and on the many descendants of William and Dorothy Strother. (Mr. Lloyd C. Oliver, 2500 Jackson Keller Road, Apt 1806, San Antonio, TX 78230 has worked on Strothers for the past 15 years and is now in the process of compiling a book to include as many descendants as can be located. He has been very helpful to me with ancestry of Samuel C. Strother, my husband's great-great-great-grandfather and Samuel's descendants.)

Samuel C. Strother moved to Barren County, Kentucky by 1798-1800 according to the book, Times of Long Ago, by Franklin Gorin (1929) which states "Settlements were made all over the county from 1798 to 1800 . . . . Lower down on Beaver Creek was Simeon Buford, Elijah Rogers, David Warren, John Allen, Samuel Strother, John Rodes . . . " (Page 21).

On 3 March 1801, recorded in Warren County, Kentucky records is the $500 bond to the justice of the peace with Samuel Strother and Armstead Hubbard listed as executors of the last will and testament of Robert Strother, also listed on the bond are Ephraim Hubbard, Levi Compton, Andrew McFadin and John Bailey. Robert Strother's children named in his will are John Dabney Strother, Nelly Strother, Elizabeth Strother, Benjamin Strother, Nancy Strother and Thornton Strother (the last 3 named being under age 20). Samuel Strother is believed to be a cousin of Robert Strother.

On 26 March 1801 Samuel Strawther married in Barren County to Lavisa Mayfield, daughter of John and Sarah (Sally) (McDougal) Mayfield. John and Sally Mayfield's children include: Sally (Jenkins); Lavisa (Strother); Lucinda (Emerson); Nancy (Gassaway); John Jr.; and Thomas Mayfield. (Named in Barren County Circuit Court record concerning Thomas Mayfield vs. Sally Jenkins and others, filed 7 June 1836, case #833 - John Mayfield estate, who died intestate.)

On 29 October 1805 in Warren County, Samuel Strother bought two steers and a bull from the estate of William Stewart.
Samuel Strother is listed in the 1810 Barren County census on page 36 and the 1820 Barren County census on page 26. Beginning with the Barren County tax lists of 1820, Samuel is also listed in 1821 and 1822. In 1824 he first appears owning land: 200 acres on Buck Creek; in 1826 he also has two town lots. On 1827 and 1828 tax lists he has 200 acres on Sinking Creek; in 1829 200 acres on Beaver Creek; in 1833 189 acres on Beaver Creek and 500 acres in Owens County. In 1835 he has 200 acres on Beaver Creek; in 1840 180 acres on Beaver Creek and by 1842 owns only 9 acres on Beaver Creek. It is believed his wife, Lavisa, died 1840-1842 and Samuel sold his land in preparation for moving to Ohio County, Kentucky to be near his daughters, Sarah Hoops and Nancy Mansfield and their families. In 1830 Samuel Strother is listed on Barren County census on page 114 and in 1840 he is on Barren County census on page 36; Samuel and Lavisa his wife both are listed in age group 50-60 years.

On 20 December 1840 Samuel Strother testified he has known Lucy Coleman over 60 years and was present at her marriage (5 May 1785 in Culpeper County, Virginia) when she married Thomas Coleman (Pension Record # 3001, Soldiers of Revolutionary War, War of 1812 and Indian War who lived in Barren County, Kentucky, by Annie Bell, 1933). (Lucy Strother Coleman believed to be a cousin of Samuel Strother.)

In 1842 in Ohio County, Kentucky Deed Book 1 on page 172 is recorded the indenture between Samuel Strother, and his daughters Sarah Hoops and Nancy Mansfield "This indenture made and entered into the 31st day of October in the year of our Lord Eighteen hundred and forty two between Samuel Strother of the county of Ohio and State of Kentucky of the first part and Charles Hoops and Sally Hoops his wife and Nancy Mansfield and Henry Mansfield his wife of the same County and State of the second part Witnesseth that the said party of the first part in consideration of the natural love and affection which he bears to his daughters the said Sally Hoops and Nancy Mansfield and for the further consideration of the agreement of the said Charles and Henry this day made to keep and maintain the said Samuel Strother during his natural life hath granted bargained and sold and by these presents doth grant bargain sell assign convey and confirm unto the said parties of the second part the following described property to wit: one cupboard and cupboard ware one table one sugar chest six Windsor and three splitbottomed chairs two feather beds and bed clothing for each and one bedstead all my kitchen furniture and cooking utensils one saddle and bridle one rifle gun one shot pouch all my hogs about ten in number and one mare a dark bay about ten years old and all my other household furniture to have and to hold the said before described property forever and the said Samuel Strother doth hereby covenant that he will warrant and defend said property free from and against the claim of all other persons whomsoever in Testimony thereof the said party of the first part hath hereunto set his hand and seal this day & year first within written.

/s/ Samuel Strother. We, Charles Hoops and Henry Mansfield do hereby assent to the above and foregoing agreement and agree to comply therewith on our part this 31st day of October 1842.

/s/ Charles Hoops, Henry Mansfield.
The 1850 Ohio County, Kentucky census lists in District 1, Family #242, the family of Henry Mansfield age 32, Nancy 31, Samuel 11, Nancy 10, and Samuel Strother age 71. Nearby lived Charles Hoops 46, Sarah 39, James 21, William 19, George 18, Charles 9, Henry 6, Thomas 3, John 1. Samuel Strother is not listed on 1860 Ohio County census in either family, and it is believed he died between 1850 and 1860. His burial place is unknown; he is not listed in the cemeteries books of Ohio County or nearby counties. No will has been found; his estate was apparently settled in 1842 with the indenture above, deeding his worldly goods and possessions to his daughters Sally and Nancy and their husbands in exchange for caring for him the remainder of his life.

Samuel C. Strother and his wife Lavisa (Mayfield) Strother are the parents of:

To the Honorable the Judge of the Barren Circuit Court in Chancery sitting: Your Petitioner Margaret Bybee, Guardian for John Bybee, James Bybee, Levi Bybee, & Buford Bybee, infant heirs of Buford Bybee, deceased. That on the 25th April 1824 said Buford Bybee departed this life intestate, possessed of a certain tract of land in Barren County, on Nob Creek, containing 110 acres, which land your petitioner would state is of little value. Your Petitioner would suggest and represent unto your Honor that in the opinion of your Petitioner a sale of the said tract of land descended to your Petitioner's wards will greatly redound to the advantage & interest of the aforesaid infants. Your Petitioner in consideration of the premises prays your Honor to decree that the aforesaid land be sold & that the proceeds thereof be paid over to your Petitioner for the use & benefit of said infants & do all & every thing necessary to carry your Petitioner's wishes into effect & as duty bound your Petitioner will ever pray, &C.

Attest: F. Gorin

The undersigned Commissioners report that in pursuance of order of the Court they went upon the tract of land owned by Buford Bybee in his life time & now by his infant heirs and having examined the said land with which they were acquainted before his death do now give it as our opinion that said tract of land is worth $2.37½ cents per acre & no more. We know of no other land belonging to said heirs & we believe that their father said Buford Bybee Dec'd left very little personal estate to the amount of about $147.50 cts, as they have been informed by one of the appraisers, to wit: by Henry Tudor, all of which is respectfully submitted to the consideration of the Court - Given under our hands this 27 of Sept 1826.

/s/ John S. Gee, Wm.J.Pace

This cause came on to be heard on the petition, report of the Commissioners, $C, and the Court being sufficiently advised in the premises, Order and Decree that Lee Bybee be, and he is hereby appointed a Commissioner to make sale of the tract of 110 acres of land upon a credit of 12 months, taking bond and approved security from the purchaser, payable to Margaret Bybee, guardian to the infant heirs... of sale two weeks previous to the sale & sold the same on the day appointed according to said decree & that Henry Tuder became the purchaser at the sum of $175, & entered into bond with Absolom Tuder his security which said bond is herewith filed.

M DELPH &C VS PRESLY SELF &C (MONROE HEIRS) CASE NO ?
BARREN COUNTY KY CIRCUIT COURT KY Filed 1 Feb. 1866

The Plaintiffs M Delph and T.M. Dickey, Guardian for plaintiffs Martha J. Monroe, Jane H. Monroe and Mary W. Monroe, state that they and the Defendants are seized in fee as tenants in common of the lands formerly owned by William Monroe and Polly Monroe, his wife (afterward Polly Delph) lying in Barren Co Ky, deeds showing the title to which are filed herewith, each tract (one being derived from said William Monroe, and one from Polly Delph) containing about two hundred acres.

The Plaintiffs and Defendants became owners of said lands in the following manner and in the following proportions, towit:

Said William Monroe departed this life in Barren Co Ky, intestate on the day of __ (no dates given), leaving as his only children and heirs at law:

1st - Francis E Monroe who intermarried with Benjamin Wright.
2nd - Johnson J. Monroe who afterwards died intestate leaving Voluntine Monroe, William S Monroe, John H Monroe, Susan E Monroe, Martha J Monroe, the last one named being under 14 years old, and represented in this action by T M Dickey, her Guardian; the other three and his widow, Harriett Monroe (who has since intermarried with Isaac West), being of age, and Defendants hereto.
3rd - Mariah A Self, (formerly Monroe) who intermarried with Presly Self (formerly she was Monroe).
4th - Malinda J Monroe who intermarried with Richard Wright.
5th - Amelia H. Monroe who intermarried with John E Ellis, she being now dead and intestate.
6th - Nathaniel P Monroe
7th - Wm J Monroe, now dead, who left his widow Leviena Monroe, and two children, Jane H and Mary W, represented herein by T M Dickey, their guardian, Wm J having died intestate.
8th - Susan B Monroe who intermarried with James Bird.
9th - Polly B Monroe who intermarried with Marion Collins.
10th - Henry H Monroe
11th - G W T Monroe (George W.T.)
12th - Martha D Monroe who intermarried with Thomas Waters and died intestate in Barren County without issue, before her father, but after her mother Polly Delph.
13th - Charles E Monroe

Plaintiffs state that the said Polly E Delph, widow of William Monroe, was the only child and heir at law of John Glazebrook, and received by descent from her said Father all of his real estate, and all of the foregoing children and heirs at law of said William Monroe are the only children and heirs at law of said Polly Delph. They further state that the share of Martha D Waters in said land desceded to the other 12 children of Wm Monroe and Polly Delph before named, she having died intestate, and that each of said 12 children were entitled to 1/12th of each of said tracts of lands, and are still so entitled, except so far as they have sold and transferred the same, which is as follows:

They state that Amelia H Ellis sold and transferred her entire interest in the two tracts of land to Plaintiff M Delph, as shown by deed filed herewith, marked "A" & "B".

And that Nathaniel P Monroe sold and conveyed his interest in each of said tracts to M Delph shown by deed marked "G". That William J Monroe's interest was sold under a decree by the Barren Circuit Court in an action of E M Hatcher against him for debt and bought by Hatcher as shown by deed marked "D". James Bird and Susan Bird, his wife, have sold their entire interest to M Delph - deed marked "E". Polly B Collins and Mariah Collins have sold their interest to M Delph, deed marked "F". Henry H Monroe sold his entire interest to his father's estate to E M Hatcher, and his interest in his mother's estate to M Delph, deeds "G & H". George W T Monroe has sold both of his interests in the tracts to M Delph, shown by "I".

Whereupon it appears that M Delph is the owner of one half of each of said tracts; and the whole of two tracts of land are embraced in two deeds, one filed from Joseph Martin & wife to William Monroe, and one from John Monroe & wife to John Glazebrook; except that a small amount of each has been conveyed to James Hill, as shown by deed marked "1" & "2". They state that they want a division of said lands, or rather, the half belonging to Delph be laid off to him, leaving all the other interests in one tract. Whereupon they pray that Commissioners be appointed to lay off the interests according to the practice of this court.

They state that Frances E Wright, Benjamin Wright, Nathaniel Wright, and Richard Wright reside in the State of Missouri and are non-residents of Kentucky. /s/ Crenshaw & Dickey, For Pltffs

BOOK REVIEWS

Our Society is pleased to review books in "TRACES" which are presented to us for our library. We welcome any book of genealogical/historical information, and we shall be happy to review it as soon as we can. We have received as gifts for review all of the following listed books, and we are very grateful. We deeply regret that several of these books have been sent to us so long ago that the author surely must have thought we did not mean to review them. Please accept our most sincere apology. Thank you so very much.

THE TRABUE FAMILY IN AMERICA 1700-1983 Compiled by Julie Trabue Yates & Charles C. Trabue, IV, M.D. Publisher Gateway Press, Inc., Baltimore, Md. Copyright 1983. Please direct all correspondence and orders to: Mrs. Douglas J. Yates, 1809 Otter Creek Road, Nashville, Tenn. 37215 Price $30.00 plus $2.00 postage, and sales tax for Tenn. residents. This book contains 536 pages, including an index of over 12,000 names. There is an introduction delineating the sociological structure of times during the Reformation period, when the Hugenot Antoine Trabuc, the oldest given progeniture, left southern France for England and Switzerland, and eventually, with other Hugenot refugees, to a spot fifteen miles up the James River to what is now Richmond, Virginia. The names of Trabuc and Trabue have the same pronunciation, as the final "c" is silent in the French language, therefore the name was registered as Trabue in Virginia. Antoine Trabuc and his wife Magdalene Verreuil had five children who lived to maturity, all born in Henrico County, Virginia. It is the belief of the authors of this book that all American Trabues are descendants of Antoine, and are members of the same large family. This book contains the names and data, when known, of approximately seven thousand direct descendants of Antoine Trabue. This book is very well arranged, with the genealogical and historical data very interesting to read, and does contain some pictures.

TWELVE FAMILIES...AN AMERICAN EXPERIENCE - A Family History of O'DELL-BAER and Related Lines - Copyright 1981 - By William F. O'Dell, 5707 Junonia, Shell Point Village, Fort Myers, Florida 33908 Price $27.50 Please direct all correspondence and orders to the author. This book is beautifully bound in dark blue buckram hard covers imprinted in gold, contains 520 soft cream color pages, easy to read print, has a full name index, and includes in the back several blank pages to list additional information. It is very easy to determine that this book was researched and recorded with love, showing great interest and respect for the people in it's pages. It is a narrative type presentation, inspiring one to read it for interest contained, even though it might not contain one's own family names. It contains many pictures, sketches, and reproductions of old documents. It is composed of twelve chapters, each recording a particular family group. The main names researched are: Davis, Ghent, Horning, Aik an, Showers, Springer, Odell'O'Dell, Carter, Michell, Rooks, Bâř, Baer, Riley, Wright, Swing, Blair, White, Peerenboom, Green.
JONES-GILLOCK & ALLIED FAMILIES HISTORY, 1674-1984, Compiled and published by Dayton Gillock Justice, 5217 Bonner Dr., Corpus Christi, Texas 78411 Price $55.00 Seldom has one seen such a colossal compilation of genealogical and historical information gathered for publication in only one volume. This is a mimeographed work containing 803 (8½"x11") numbered pages, including approximately 207 pages of family pictures and document reproductions. The book is professionally bound in Indian red buckram, is 3½ inches thick and weighs nine pounds. In 1938, while living in Hawaii, inspired by an advertisement in a newspaper which invited the reader to receive the "History of Your Name for $2.00", Mr. Justice parted with his very hard to come by money, and received, which was to him at that time, some very impressive information on the family name Justice. After a short time he lost interest somewhat in tracing family lines, occasionally trying to trace his Cherokee Indian blood, if any. In 1953 his niece gave him a picture of a man in Indian clothing with two women, and the information the women were his mother and grandmother and the man was Reese James Jones, II, his grandfather. This rekindled his interest in family lines and is still the love of his life. Since that time, he and his wife Vera have spent every minute they could spare from work and home, and have traveled over many states interviewing hundreds of people, invaded countless courthouses, graveyards, and have spent a fortune in expenses incurred obtaining their material for this volume. It is not only a work of history and genealogy, it is an autobiography of the life and travels of a man and woman searching for their family roots. If you have any thought that your family may be included in this work, it is a rare opportunity to obtain a documented account of the lives and people involved in weaving your family history in the tapestry of life. Although the book does not contain an index, it is prefaced by a chronological list of the family names and the pages on which each name begins. We are sorry that we can not list the names, lack of space forbids.

MARRIAGE RECORDS OF BARREN COUNTY, KENTUCKY 1799-1849 - "The First Fifty Years - Compiled and published by Martha Powell Reneau, Rt 1, Glasgow, Ky 42141 Spiral bound, soft covers, allows book to be opened flat for easy use, 8½"x11" offset printed, 294 pages of marriages arranged alphabetically by name of groom, each listing containing all available data concerning the marriage, such as separate dates for the license, bond and marriage, if so, all names of witnesses, bondsmen, securities, consents of parent(s) or guardians, by whom married and where, if stated. There is a separate full name index of brides, and another separate index of all other names besides the groom and bride. Also listed are the names of all ministers and other persons performing the marriages. This is one of the finest marriage books that we have seen, as it appears that every effort possible was made to include all information that would aid in any way to make a full and complete record of the marriage. With this marriage book and the 1850 Barren County, Kentucky Census records (listed below), the researcher will be able to build complete family groups.
UNITED STATES CENSUS BARREN COUNTY, KENTUCKY-1850—Compiled by Judy Froggett. Published by the Green County Public Library, 116 So. Main St., Greensburg, Ky. 42743—1984—Wrap-around soft covers, 8½"x11", offset printed. Price $15.00 This book contains 318 pages, plus surname index, it is arranged in block form, giving the complete name of each person in the household, the sex, color, age, profession or occupation of all males over 15 years of age, value of real estate and state of birth. In compiling this book from National Archives Microfilm, Mrs. Froggett kept the order in which the census taker listed the families as he made his rounds, thus enabling the researcher to visualize their neighborhood settings. By using this book with the Barren County, Kentucky Marriages, 1799-1849, by Reneau, (listed above) an almost complete family history may be built.

THE WILLIAM WOOD and RELATED FAMILIES of ALBEMARLE COUNTY, VIRGINIA and BARREN COUNTY, KENTUCKY in the 1800's. Compiled by Henry C. Peden, Jr., 1984—Contains 45 pages, 8½"x11", soft covers, spiral bound, full name index. Price $7.00—order from Henry C. Peden, Jr., 707 Bedford Rd., Bel Air, Maryland 21014 This is a presentation of the various Wood families of Albemarle County, Virginia and Barren County, Kentucky. The given name William seemed quite a favorite in the Wood family, which has resulted in much confusion between the several carriers of that name. Mr. Peden has done a considerable amount of research in Woods data in both Virginia and Kentucky records, combining the results with his logical conclusions, and offering them to the reader. He includes Wood marriages of Barren County, census records, cemetery records, wills, and any data pertinent to this particular William Wood.

A KIND OLDER THAN KINGS—Families of DOYEL/DOYLE, GOTT, GARRISON, ISBELL, FARIS, BRIGGS, AGE, DEMUNBRUN, CAGLE, & SMITH of the MAMMOTH CAVE COUNTRY (Edmonson, Hart, Barren Counties, Kentucky). Compiled by Vonnell Doyle-Tingle, Copyright 1982. Soft 3 ring binder backs, 8½"x11", 105 pages including surname index. Price $12.50 including postage. Order from Vonnell Doyle-Tingle, 221 Franck Ave., Louisville, Ky. 40206. The book contains eight well organized sections of data about the above named families, such as family charts, biographical, historical and genealogical information, such as court and legal records, marriage bonds and wills, etc. For convenience in location of the residences of the families, she has included maps of the area, and ends with a chronological American History/Family History Chart.

THE FEDERAL CENSUS OF ALLEN COUNTY, KENTUCKY FOR 1820. By Martha Werst Jackson, Rt 2, Box 310A, Scottsville, Ky. 42164—Price $5.00 plus $1.00 postage and handling. Soft covers, 8½"x11", 25 pages plus surname index. Allen County was created in 1815 from Barren and Warren Counties, Kentucky. As hitherto there has been so little published about Allen County, this is a valuable book for researchers.
We regret that our publication schedule was such that it will not allow you to take advantage of the pre-publication offer. However, as this should be a valuable book to researchers, we are including the advertisement as received.
