## SUMMARY OF THE MEETING OF THE COUNCIL OF ACADEMIC DEANS

The Council of Academic Deans met in the Regents Conference Room of the Wetherby Administration Building on December 11, 1967. All members of the Council were present.

The following is a summary of the deliberations of the meeting:

- I. Dr. John Scarborough met briefly with the Council to discuss the 1968 summer school. An informational brochure will be compiled listing workshops and institutes plus the types of upper division courses that will be offered in the summer. This information is to be turned into Dr. Scarborough by Friday, January 12. It was also noted that the summer school budget would be about the same as for 1967 and that Deans and department heads should cooperate in staying within this budget.
- II. The following students met with the Council at its request to discuss topics of their own choosing:

Ron Beck  
Bill Spinning  
Larry Ashby  
George Thompson  
Rebecca Myers  
Tim Cantrell  
Ellen Bennett  
Ron Lawrence  
Mary Parrish

After a lengthy discussion the students were thanked for their participation and given an opportunity to return at a later meeting.

- III. At the request of Dr. Cravens the students suggested the following ways in which the academic climate of the University might be improved.
  - A. The noise in the library
  - B. Better communications between the deans and the students.
  - C. Improvement of University-wide communications by having faculty members read to all classes authorized announcements.
- IV. Most of the agenda was held over for the next meeting as a result of the presence of visitors.
