GOSPEL MUSIC STORY ON NBC "WEEKEND"

"Weekend," a monthly news documentary by NBC-TV News Network, plans to tell the gospel music story during its 30-minute telecast on December 6.

Film crews were in Nashville filming segments at the Dove Awards program and shooting footage of the National Quartet Convention.

The producers plan to highlight recording sessions and show how records are produced. Viewers will share in the production of GOOD NEWS the Gospel Music Association's newspaper and other aspects of the gospel music industry.
FROM THE PRESIDENT

There is a special need that I would like to discuss with you.

Johnny and Joni Melloan who have been the Editors of our paper since its beginning are moving to Madisonville, Ky., where Johnny will be employed at Radio Station WFMW.

We regret losing these two fine young people and wish them the best of luck in their new position. We ask that each of you be much in prayer as we look for someone with the same dedication and knowledge of Gospel Music to be the Editors of our paper.

May God bless each of you for all your support in the past.

Best wishes for a Most Joyous Holiday Season.

Yours in His Service,
Haskell McCubbins

As we come to the close of another year we would like to take this opportunity to pause and give thanks unto
the Lord for Health and strength to do his work throughout this year. Without God's help we feel that we could do
nothing.

We have seen many souls saved this year and heart's warmed by the Spirit of the Lord. It's wonderful to do
Evangelistic work, because one meets so many nice and different people.

We would also like to thank everyone who have supported us in any way and ask you to continue to
remember us in your Prayers.

We have recently had an 8 track tape made of your favorite songs.

The songs on the tape are as follows:

Car Trouble for McCubbins Clan

It all began to happen as we came around this curve on Highway 88 between Monroe and Greensburg, Ky.

This truck and 4 or 5 cars that were blocking the road were the result of a lady (name unknown) that had backed her car out of a drive way onto the highway, and could not move because the gears had jammed. After a short while we were able to get by and continue on our way to a revival in Marion Co. some 60 miles away.

We hadn't gone more than 3 or 4 miles when suddenly the engine died on our car. We continued to coast along as we tried in vain to start it again. We rolled to a stop in front of a Body and Repair Shop.

Thank God for friends. One of them being Jimmy Landis who immediately came out to see what the trouble was. After finding out the fuel pump had failed, it seemed that we were stranded.

Within a few minutes Frank Lee, another one of our friends who drives for Double Cola, stopped his truck to see what the trouble was. After seeing our predicament, he told us that we could use his 61 Chev Station Wagon that he could go home and get for us in about 10 minutes.

On our way again, at last. We still had about 55 miles to go and time was slipping away. We needed to make up for lost time.

Our thoughts began to run toward Hogards Chapel Methodist Church about 10 miles away. Bro. Kelner is Pastor and we had just closed a revival there a few days before. We decided to stop and try to borrow his 73 Pontiac in order to make better time. He gave us the keys and bade us God's speed. He told us he would call the church we were headed for and tell them we were on our way.

We arrived at the church (Pleasant Hill Baptist) and the Evangelist, Bro. Gary Ervin was playing the Piano and the Pastor Bro. Marshall Eastham was leading the Congregation in the second song. We had to sing "There's a Sweet Sweet Spirit (in Occopella) to give Annette a little more time for her hands to stop shaking after what she described the ride to the church worst than riding in a roller coaster.

We had a wonderful service and we remembered again the Scripture that all things work together for good to them that love and serve Him, to them that are called according to His purpose.
