Dear Jim:

The feedback that you mailed to me on 8/25/92 is incorporated into the enclosed draft prepared for the ASGW 20th anniversary project. Edit the copy as you wish, and feel free to add anything that I left out. But try to keep the overall length to four pages?

When you return the draft, I'll make corrections on my computer disk and forward it to George Leddick. He and his committee members want my input by early October 1992. Use the sase inserted with this letter for your convenience.

Thanks again for utilizing your leadership talents for ASGW. Remember that I wish you well and continued success with all that you do!

Sincerely,

Vernon Lee Sheeley

P. S. Have a wonderful conference in San Antonio. My weekend class will prevent me from making the trek.

Hi Vern:

Sorry to take so long. San Antonio went pretty well. Am adjusting into my Acting Dept. Chair position now. Hope things are going well for you-
