TOMES FOUR

The singing was held there last year with a very large crowd attending. Several groups will be invited from Ky., Tenn., and Ind. Be watching Gospel Reaching Out for further details.

Annual March Of Dimes Radiothon

The Hart County Gospel Music Association along with WLOC raised an unofficial total of $260.00.

The singing was held at the Hart County High from 7 until 10 p.m. and was on Radio Station WLOC here in Munfordville. The local talent included the Christian Sound, Cavelanders, Joyful Echoes and the McCubbins Family.

The Hart G.M.A. expresses thanks to everyone who participated in any way in the Radiothon.

HART COUNTY MONTHLY SINGING IN MARCH
WATCH NEXT PAPER FOR FURTHER INFORMATION
FROM THE PRESIDENT

There is much to be done in the field of gospel music. Doors are being opened everyday to tell the Good News. Plans are now being made by churches and other organizations for their spring, summer and fall revivals and bicentennial celebrations. Gospel music will be included in many of these plans.

May we as gospel singers and musicians determined to present gospel music at its best.

If we will give our best in the spirit of love and compassion, the results are unlimited. Gospel music is one of the many tools God can use to advance the cause of Christ.

It’s a feeling of some that Gospel Reaching Out, our monthly paper, is no longer needed and should be phased out. Unless we hear from groups and individuals, we may be forced to do just that.

Give your views about what is right or wrong with the organization.

Letters will be printed in Gospel Reaching Out (space available).

If you are concerned about the future of this paper, let us hear from you today.

Lowell Mason Family

“Little” Lowell Mason—The Singing Midget—began singing in his
father’s church in 1944. In 1946, he first appeared on radio in Grand
Rapids, Michigan, with a program called “Children’s Bible Hour.”
From 1954 to 1973 Little Lowell worked regularly with Evangelist Cecil
Todd, and assisted in the establishment of the Revival Fires
Television program, which still is a nationally syndicated weekly
series.

Mason, along with his family, also works very closely with the public
school systems. He and his family travel as a musical team, and
during this bicentennial year have a special program consisting of
patriotic and inspirational music. During the 1975-76 school term, the
Masons will present over 250 public school assembly programs.

Little Lowell Mason is a midget, 46 inches tall. His wife Judy is not a
midget. They have four children: Kelly Grace, age 10 and Lowell
D.,II, 6, are both midgets, while Kathy Lynn, 9, and Kristy Ann, 3, are
of normal stature. The Masons live in Joplin, Missouri.
The Christian Sound of Horse Cave, Ky. will sing at the Annual Southern States Meeting which will be held at Hart County High School on February 19 at 7:30 P.M.

**LOCAL NEWS**

The Servants have been having a few accidents lately. It seems that everyone in the group have had a serious wreck but Charlie. None of them were seriously hurt. Gary has had a lot of sickness in his immediate family, but we hope all is well at this writing.

It was good to hear from the Tomes Four and that they are singing again. We are hoping to have them in this area soon.

The Faith Singers are recording a new album this month. Be watching for it. We will have more news on that next month.

Also the Joymakers have made a new album. We will get in touch with Buddy and get more information from him.

We are looking forward to being with Earl and Lorene Norris at the Warren County Singing Convention on the 22nd of February.

We will contact the Gospel Four this month and try to give you some news on this fine group.

The Christian Sound, the Cavelanders, the Joyful Echoes and the McCubbins Family helped out in the March of Dimes. Who knows, some day we may need them for ourselves.

The King's Edition was to record a new album last month in Nashville. Good luck with this. Also the King's Edition will be at the Hart County Singing Convention the 1st Saturday in February at the Mt. Pisgah Baptist Church.

The Christian Sound will at the Annual Meeting of Southern States which will be held February 19 at 7:30 at Hart County High School.

As revival time approaches, this is a very good year to draw close to the Lord through prayer, faith and in submitting our lives unto Him in full dedication. Through this we can win others to Him.

We are celebrating our 200th birthday this year and we have much to look forward to. Everyone is talking about the "Spirit of '76" May the spirit of the Lord dwell in our hearts and lift our hopes to better living and better thinking before His soon return.

THE Cecil BLACKWOOD REPORT

The Lord is pouring out his spirit upon His people in these last days. We are seeing many souls won into God’s kingdom. It is a thrill to see many of the gospel groups turning to more spiritual programs. I am proud of the new stand the Blue Ridge is making for Christ. I asked LaVerne Tripp to not leave the Blue Ridge for they needed his new spiritual strength but he felt he must go on his own. Now Bill Crow, Donnie Seabolt and Burl Strelvel, are on fire for God and that thrills me. God is separating the good grain from the bad. He is putting fire into those in gospel music so that they will win souls in these last days.

The Blackwood Brothers have declared, as for us, we will serve the Lord. We are praying, reading our Bible, talking about Jesus all day long. Our partners are praying with and for us. We are going full steam ahead for Jesus. We are giving personal testimonies, altar calls at the end of our concerts and crusades, and many are experiencing the new birth; yes, being born again in Christ Jesus. For 41 years the Blackwood Brothers have been singing His praise and now we are reaping a harvest of souls for the Kingdom of God. Pray for our ministry.
