RE: Request for information on police investigative unit

At the last meeting of the Faculty Senate, consideration was given to the attached letter that we received from Senator Craig Taylor. The Senate voted to invite you or a representative from your department to be with us at the next meeting of this body, which will be at 3:10 p. m. on Thursday, December 8, in the Ballroom of the Garrett Conference Center. We would appreciate it if at that time you would provide us with information about the purpose, staffing, authority, activities, cost, and rationale for the creation of this investigative unit, as well as information about parallel units, if any, at other state universities. Please let me know if you, or a representative, will be able to meet with us.
