### Mrs. R. L. Blaine Is Elected Secretary Of PTA Council Presidents

Mrs. R. L. Blaine, 620 Nutwood Ave., yesterday was elected secretary of Council Presidents of the Kentucky Congress of Parents and Teachers.

Officers were named at the State PTA Convention at Cincinnati.

Mrs. Blaine is president of the Bowling Green Council of Parents and Teachers.

Among those attending from Bowling Green, along with Mrs. Blaine, were Mrs. Charles Stovall, Eleventh Street School; Mr. and Mrs. Arthur Daniels, Center Street School; Mrs. Norris Hayes, state membership chairman; Mrs. C. H. Flowers, 3rd District president; Mrs. Joe Mayfield, Western Training School; Mrs. William Myers, Rural Training School; Mrs. Joe Siddens, College Street School; Mrs. Paul Huddleston, Bowling Green Senior and Junior High, and Mrs. W. M. Willey, state treasurer.

The congress ended its 33rd convention last night with a banquet.

Miss Mary Courtenay, assistant superintendent of Chicago public schools, in an address to the convention last night, refused the old adage that "children should be seen and not heard." She said "we must have enough faith in them to let them learn by accepting consequences of their conduct."

Earlier yesterday, State Superintendent of Public Instruction Wendell P. Butler declared a good educational program must be drawn up by school people.

Third District has at least one unit in each of her twelve counties, and is glad to report that we are going ahead by leaps and bounds, as we already have several new units and others reported being organized, with many units

asking for more membership cards. We are continuing the Teacher Award of \$100 and the District Spelling Bee, both of these projects bringing a wonderful response this year. A new project we are hoping to get under way is a District Safety Poster Contest for pupils from third grade up.

Our Fall Conference met in Bowling Green at the beautiful new T. C. Cherry School and was well attended. The morning session was devoted to a school of instruction, using buzz groups and the question and answer method, and the response from many was that they learned more from this meeting than any they had ever attended. Awards were given out and the District Chairmen gave their plans of work. State Board members present were: Mrs. James G. Sheehan, Mrs. Dallas Brightwell and Mrs. Morris G. Hayes. Mrs. Sheehan was a member of a very instructive panel on "An Action Program for Better Schools," which at this time was devoted to the amendment of Section 186. Others on the panel were Marvin Dodson, KEA.; Mitchell Davis, superintendent, Barren County Schools; Mrs. Frances Rice, teacher; Kelly Thompson, Western State College; Wyonia King, Future Teachers, and J. D. Monin, Farm Bureau.

Rev. I. H. Owen gave the devotional and T. C. Cherry choir furnished several musical numbers. We will meet with Allen County School in Scottsville in the Spring.
