My Dear Brother:

Your catalog report to the people of Kentucky and State Legislatures on conditions and progress of your school is simply superlative. It is the very best thing I think I ever saw in type.

Congratulations to you, my dear brother. I mean every word I say.

The work you have done and are doing is the dynamics, as essence of Christianity. Would more prayer was in doing, and led in life and posture.

Business is very dull, though working like a Trojan.

And is to you and yours a happy, and prosperous new year. May nothing befall you except the essentially discipline any. Keep me posted how the Assembly handled you.

Mr. Hale of Louisville, Ky, one of your Regents, called on me a day since. Am thinking of taking him to Sabbath dinner with us in our new home soon.

Yours Brother

Congratulations to you, my dear brother. I mean every word I say.

The work you have done and are doing is the dynamics, as essence of Christianity. Would more prayer was in doing, and less in lip and posture.

Business is very dull though working like a Trojan.

Here is to you and yours a happy and prosperous new year. May nothing befall you except the essentially disciplinary. Keep me posted how the Assembly handles you.

Mr. Cole of Louisville, Ky, one of your Regents, called on me a day since. Are thinking of taking him to Sabbath dinner with us in our new house soon.

Your Brother
