

Do Your Research and Vote
THERESA CLARK
for WKU Staff Council

Hello fellow Hilltoppers! My name is **Theresa Clark** and I am running for Staff Council in the Professional/Non-Faculty category.

Please vote for me!

I have been with WKU for 11 years in July, all in the Division of Development and Alumni Relations. I am the Senior Research Analyst in the Office of Prospect Research. My job consists of a variety of tasks (you can research “Prospect Research” on Google – one of my favorite tools, by the way, to find a robust description of my job duties and our professional organization, APRA International, is a great place to start. ☺) that all lead to identifying, qualifying, verifying and recommending potential donors for WKU.

There is a lot more involved in my job but my favorite thing about what I do is that I get to make a difference for WKU....and I want to make a difference for you as members of the WKU faculty/staff community!

Feel free to contact me at theresa.clark@wku.edu and I'll be happy to talk with you....there are many challenges ahead for us as employees of WKU, and I want to be part of the solution.

Thanks for your vote on Wednesday, May 18, 2016!

Theresa Clark
