

TO: Senators who missed the April meeting

FROM: Tom Jones, Chair

DATE: April 25, 1978

SUBJECT: FOR YOUR INFORMATION

Dear Fellow Senators:

Herewith an attempt to fill you in on what occurred at the April 13 meeting. This is being sent to those who were absent the entire meeting as well as the several who had to miss the first half or so.

I am including a copy of some remarks that I, as Chair, made after the roll call, in case you should be interested.

Two reports, enclosed, were submitted. The Senate voted to ask departmental Senators to take these reports for further study and correction, if any. You might wish to share them with your departmental colleagues, who might have suggestions. Further action on these reports will be on the May Agenda. I urge your attendance.

The following Senators were elected to office:

Charles Henrickson--Vice-Chair
Sally Koenig--Secretary-Treasurer
Joan Krenzin--Parliamentarian

A copy of "Rules, Regulations... Governing WKU" which I mentioned in my remarks were available to all Departmental Senators is available for you. I would appreciate it if you would contact me and perhaps come to the new Senate office to pick yours up. (Ivan Wilson Fine Arts Center 268)

I hope to see you at the May 11 meeting.
