

WESTERN KENTUCKY UNIVERSITY

BOWLING GREEN, KENTUCKY 42101

May 7, 1978

Faculty Senate

TO: MEMBERS, THE FACULTY SENATE

FROM: TOM JONES, CHAIR

DATE: MAY 7, 1978

SUBJECT: REGULAR SENATE MEETING

This is to remind you of Thursday's regular Senate meeting in the Garrett Conference Center Ballroom.

I am at this time aware of the following items of business:

- + following Senate action at the April meeting, the Lucas and Glaser reports on administration growth and structure will be up for additional discussion. These reports have been at least looked over by some administrators who have found some inaccuracies in them; thus such discussion is vital for the future of the reports.
- + several standing committees have met and will have reports.
- + the ad hoc committee on administrator evaluation has finished its work; its report will be interesting.
- + the Chair of the Senate will have a brief report on the delivery of the evaluation results to the president of the university, and on the Board of Regents meeting.
- + the Chair will have certain red notebooks available for those of you who have not yet picked yours up.
- + copies of the Krenzin report, voted at the December, 1977, meeting for university-wide distribution, will be given to each of you for distribution to your colleges and departments.

As you can see, the agenda, although not necessarily long in time, covers items of importance to the work of the Senate. Insofar as I can, I urge, beg, and exhort each of you to be present.
