EXPANSION CLICKS IN '66

National Publication "Women in Business"  
Monthly Meeting 4th Tuesday 6:30 Social  
7:00 Dinner

Dear Members:

I want to thank you for electing me as your delegate to the National Convention Convention in San Francisco. It was a wonderful experience for me and an educational one. This is another phase of education by belonging to ABWA. Each one of you should make plans to attend in Tulsa in '66. The renewing of old acquaintances and meeting new ones is something to cherish.

It was an honor for our chapter to be among those receiving the Standard and Banner achievements. Also, to have our scrapbook in National Competition and to be recognized as an example for "PUBLICITY" according to our size compared with Dallas, Texas, at the annual business meeting was a very high honor

Our National Theme "Expansion Clicks in '66!" Since we were ALERT AND ALIVE IN '65 we must EXPAND AND CLICK IN '66!

Let's all attend our October meeting and hear more about San Francisco.

Yours in ABWA

Jean Fulkerson  
President

## DON'T QUIT----FIGHT ONE MORE ROUND

When things go wrong, as they sometimes will,  
When the road you're trudging seems all uphill,  
When the funds are low and the debts are high,  
And you want to smile, but you have to sigh,  
When care is pressing you down a bit,  
Rest! If you must----but never quit.

Life is queer, with its twists and turns,  
As every one of us sometimes learns,  
And many a failure turns about  
When we might have won if he'd stuck it out;  
Stick to your task, though the pace seems slow  
You may succeed with one more blow.

Success is failure turned inside out-----  
The silver tint of the clouds of doubt----  
And you never can tell how close you are,  
It may be near when it seems afar;  
So stick to the fight when you're hardest hit  
It's when things seem worst that you must  
quit.

## WIT AND WISDOM

Cooperation would solve many problems. For instance, freckles would be a nice coat of tan if they'd just get together.

If you think you have influence, try ordering someone else's dog around.

## NEWS AND VIEWS CONT'D

Membership Chairman, Linda Sidebottom is asking for prospective members!

Our vocational chairman, Christine Gillespie, will give us the vocational talk this month.

A warm welcome is extended to all new members- Margaret Belk, Anna Jones, Christine Gillespie and Betty Proffitt.

## WHAT IS A LADY?

A lady is a woman...

...who takes a genuine interest in her fellow-woman and regards her as an important individual who needs love, warmth, and understanding.

...whose patience, though tried day after day does not quaver easily.

...whose soft-spoken voice can melt the coldest heart and smooth the ruffled sleeve of day into a night of peace with just a simple word of kind praise.

...to whom humility is not a foreign word. For she knows that there is a greater being than herself and with humble humility tries to live within His Holy Grace.

...who can look past the tears in her eyes and smile, though her world is crumbling beneath.

...who extends the **HAND OF FRIENDSHIP** to ALL!

Everyone with whom she comes in contact will not easily forget her soft-spoken voice, her charming smile, her helping hand, and that ever-present beauty that only a lady possesses...that rare and indescribable beauty which is reflected from within.
