PRESIDENT'S MESSAGE

Dear Members,

It is an honor to be elected to an office, especially the presidency and to know that you have placed confidence in my leadership. The aims and purposes of the American Business Women's Association are in themselves inspirational to each of us.

By being an ABWA member it offers us the opportunitie to grow personally and in our various occupations. It will require time, effort, enthusiasm and the determination to build our chapter into one the National Association can point to with pride and one we will be rightfully proud and happy to have had a part in building.

If we are to maintain the high standard set last year on the local and national level - I need YOUR firm support. Be assured that I will assist you in any way I can. By working toward common goals and having a wonderful group such as you, I am confident that we will continue to be a chapter on the GO.

We must be ever grateful to our past president, Linda Sidebottom, for the outstanding service she performed. We can certainly look back and know that she is an asset to the Kentucky Colonel Chapter.

Don't forget our TEA, each one of you should make a speciat effort to attend.

Yours in ABWA,

Jean Fulkerson, President

SAN FA NCISCO-Site of the NATIONAL CONVENTION

San Francisco, California, the city of many sights and wonders. The city has a population of 742,855; Met. area 2,783,359; Alt. 65 feet. It lies on the largest landlo cked harbor in the world. Stormy history has made it one of the most dramatic of all cities. San Francisco has burned to the ground seven times within the last 100 years.

One of the most interesting places to visit in San Francisco is the Presidio. It was once the garrison of Spanish soldiers and is now a large Military reservation of the United States Army. The Presidio covers 1,542 acres. Other Public institutions are the Stenhart Aquarium, the Moo, the DeYoung Museum.

San Francisco, the City of Hills, has some of the steepest streets in the world. Ivy-covered homes stand in the hilly Pacific Heights Area Overlooking wide avenues that lead to the sea. Cable cars, a distincitive feature of San Francisco, are used to climb the steep grades. Market street is the most famous street of the city.

For a magnificent view of San Francisco and the Golden Gate Bridge you can visit the Popular Cafe at the top of the Mark Hopkins Hotel.

The city has a mild climate, with annual temperatures averaging 56 degrees.

ATTEND NATIONAL CONVENTION

LETTER FROM NATIONAL

Miss Jean Fulkerson, President Kentucky Colonel Chapter, ABWA 526 E. 13th Street Bowling Green, Kentucky 42101

Dear Miss Fulkerson:

The certification forms outlining the qualifications of your chapter for chapter award have been received and carefully evaluated. We find that you have attained

STANDARD OF ACHIEVEMENT - BANNER - MEDALLION

Your chapter is to be congratulated on having gained this recognition of accomplishment. Citations, banners and medallions will be awarded at the National Convention, and it is our hope that a representative of your chapter will be present to receive them in person. If however, this is not possible, awards will be mailed to you within a short time after the close of the Convention.

The growth and advancement of ARWA during the past year is the result of chapters, such as yours, continuing to build a record of accomplishment.

Cordially,

Mrs. George Barrett National Co-Ordinator

She attended St. Paul Parochial at Leitchfield, Kentucky for four years. After being graduated from High School, Jean was employed as registered Medical secretary in Clarkson, Kentucky before moving to Bowling Green,

Jean enrolled in ABWA in July, 1960, as one of the Fioneer members of the Bowling Green Charter Chapter where she served as Corresponding Secretary, President and Chairman of the Bulletin and Torchbearer-Friendship Committee. She was selected as Woman of the Year in 1962 by her chapter and also selected as one of the "Top Ten" American Business Women at the National Convention in Houston, Texas. Our President has had perfect attendance at all District and National Conventions as well as Chapter Meetings.

Following her being selected as one of the "Top Ten" American Business Women, she was commissioned as a Kentucky Colonel by our former Governor, Bert Combs.

TEN COMMANDMENTS OF BUSINESS

Love your work--it pays.

Handle the hardest job first each day.

Do not be afraid of criticism--criticize yourself.

Be glad and rejoice in the other fellow's success-study his methods.

Do not be misled by dislikes. Acid ruins the finest fabrics..

Be enthusiastic -- it is contagious.

Be fair, and do at least one decent act every day in the year.

Honor the chief. There must be a head to everything.

Have confidence in yourself, and make yourself fit.

Harmonize your work. Let sunshine radiate and penetrate.

--Success
