Cards Meet Horse Cave Tuesday

College High's Cardinals will provide the only local basketball entertainment this week in a meeting tomorrow night against Horse Cave at the Western gymnasium.

Cardinal Coach Dero Downing announced today the Cards will play the remainder of the season on the college floor. Both first and second teams are booked for tomorrow night's games at Horse Cave, scheduled for 7 p.m.

Following tonight's Horse Cave game the Cards will travel to Winchester this week-end to participate in an invitational tournament in that city. The Optimist Club of the Red Birds will open play in 11:30 tourney at 2 p.m. Friday against University High of Lexington.

Both Western's Hilltoppers and Bowling Green High completed pre-season play in games last week.

The Hilltoppers, whose final-minute rally fell short in a 39-37 last Saturday night at Bowling Green, Ohio, will return to action on the hardcourt in their home opener against Nebraska December 31. Following the opener, the Toppers appear at home in four more games before taking to the road.

Bowling Green entered the holiday period with a perfect record after scoring its third straight win of the season over Franklin in a Friday night game at the Purple gym. The Cardinals will meet action against Glasgow in a January 3 game on the Barren county floor.

Cards In Home Game Tonight

College High will be seeking its second hard-won win of the season tonight in a game against Horse Cave at the Western gym which will conclude the pre-Christmas portion of the Cards' home schedule.

The meeting with Randolph's will be the second of the season. Dero Downing's Cards who scored a 40-21 win in a previous encounter at Horse Cave.

The Cards will be making their initial start tonight at the Western gym having played their previous home games in the Trucking School gym. Coach Dero Downing stated all of the remaining College High games will be played on the college floor.

Following tonight's game the Cards will complete preparations tomorrow for the first annual Optimists' invitational tournament at Winchester. The squad is to start Thursday for the tournament, where University High of Lexington is to be opposed in the opening game Friday afternoon at 2 o'clock.

Tonight's program against Horse Cave is to be opened at 7 o'clock with a second team game.

Cards Register 32-22 Win Over South Warren

College High scored a costly 32-22 victory over South Warren in a Friday night tilt at the Western gym, which the two of the Cardinal performers were injured.

Kenneth Fleenor, regular Cardinal center, suffered a broken nose in a collision with South Warren's Ben Renick and then Lazarus, first-line substitute, on the College High five re-injured an ankle that previously had kept him out of a couple of games.

Eddie Diddle, Cardinal center, playing in 15 points to lead Dero Downing's netters to their ninth win of the season in 13 starts and their second of the season over South Warren.

The locals opened on top, and never trailed in the game, although South Warren kept within hailing distance until the final period. At the end of the first period the Cards led by 8-4, and by 17-14 at the half.

Opening of the second half Ben Renick hit for the Cardinals, but Stewart and Smith counted two-pointers for the Dragons to cut the margin to 19-18. However, Harris counted another fielder and B. B. Renick nailed a 3-3 with a trip as the third period ended.

Stewart was high scorer for the South Warren Team with 12 points, making all but three of the visitors' field goals during the game.

The Cards, are booked for a two-game road trip next week; playing Wayne High Friday night, and Monticello Saturday night.

Cards To Meet South Warren Tonight at Western Gym

College High will provide the home net entertainment tonight in a tilt at Western gym against South Warren. The two top Warren county net combines.

If the Cards are at home, the undefeated Purples of Bowling Green High will be seeking their fourth win of the season in their initial-post-Christmas game tonight at Glasgow.

Both programs are booked as doubleheaders with second teams to perform in preliminary games to get under way at 7:15.

Glasgow Five Falls 49-44 Before Cards

College High scored its sixth win in seven games last night by edging Glasgow 49-44 in the final four minutes of play in a game last night at the Western gym.

The Cardinals jumped to an early lead in the game, but by halftime were trailing 21-22, and the game was a nip-and-tuck affair until the final minutes of the tourny when the locals gained their final margin.

At the end of the first period the Cards were leading by 8-2, but the Scots found the hoop during the second quarter to move into the halftime lead. The Scots led by 26-36 at the end of the third and by 42-46 with four minutes remaining.

Eddie Diddle's 19 points, for the Cards was three better than the 16 contributed by Glasgow's Steinbergen before he left the game on personal faults in the final quarter. Bertram counted 13 for the Scots and Ken Fleener had eight for runner-up honors for the Cards.

Coach Dero Downing's local charges will meet Horse Cave here next Tuesday night at the Western gym in their final game before entering the finish in an invitational tourney.

The Cards are paired against University High of Lexington in the Winchester meet, which opens December 20 under the sponsorship of the Winchester Optimist Club. Also in the Cards' bracket are Breckinridge, defining state champions, and Clark county. In the lower bracket Hazard and Owensboro are paired and Frankfort and Winchester complete the draw.

Winchester, Ky., Dec. 19.—College High of Bowling Green and University High of Lexington will open the first Kentucky Annual Invitation Basketball Tournament in the Kentucky Wesleyan gymnasium at 2 p.m.

Sponsored by the Winchester Optimists Club, the tournament will match eight Kentucky high school teams, among them the state basketball champions and two regional titlists. Proceeds of the event will be used in boys' work.

Defending Kentucky scholastic titlist Breckinridge Training will engage College County at 3 p.m. in the second tilt of the afternoon session. At 7:30 p.m. Hazard will tangle with Owensboro, Third Region champion, and at 8:30 Frankfort, winner of the Southern Invitational at Durham, N. C., last season, squares off with Winchester.

Semi-finals will be played Saturday at 2 and 3 p.m. with the championship tussle scheduled at 9 p.m. following an 8 p.m. consolation game.

Western Kentucky's entries of College and Owensboro are expected to furnish the toughest opposition. College, Region Five winners, dropped only one game last season, a semi-finals loss to Valley in the state tournament, while winning 20 games. Owensboro's quintet presents a formidable tandem that breezed through the Third last year. The Red Devils recently assembled a well-liked Dixie Heights team 62-59 for their third straight win.

Breckinridge Training has won four and dropped three in the current campaign, the Eagles' most recent loss coming at the hands of Winchester 33-32.

Winchester Meet Pairings Are Given

Breckinridge, Clark County Meet In Optimists Tournament Dec. 20

University High of Lexington and College High of Bowling Green will inaugurate the first Kentucky Annual Invitation Basketball Tournament at Winchester December 20. Sponsored by the Winchester Optimist Club, the tournament field will include eight Kentucky high school teams.

University and College will meet at 2 p.m. in the opener. Breckinridge Training and Clark County follow at 3. Hazard and Owensboro open the first round night session at 7:30; Frankfort and Winchester conclude the first round at 8:30.

The tournament, to be held at the Kentucky Wesleyan gymnasium, will bring together some of the top-ranking quintets of last season. Breckinridge, coached by Bobby McLaughlin, is defending state champion while Frankfort and Owensboro are the titlists in the Durham, N. C., tournament last year and Central Kentucky Conference winners.

College High dropped only one game last season, a setback in the state semi-finals to Valley. The Cardinals won 20 tilts.

Owensboro, coached by Lawrence McGinnis, won 13 while losing three last year and is considered one of the strongest combinations in western Kentucky this season. University High won 17 and lost seven last year and has five lettermen returning. Clark County, under Letcher Norton, won 17 while dropping eight last year.

The semi-finals will be played at 2 p.m. and 3 p.m. December 21, with the final scheduled at 8 p.m. after a consolation tilt at 7. Official for the tournament will be Bob "Bullet" Wilson and John Kurashke. Proceeds for the tournament will be used in boys' work.

Winchester Cage Tourney To Open

Eight Teams Entered In Optimist Net Meet; U-High Plays At 2 P.M.

By Ed Ashford
Herald Sports Writer

WINCHESTER, Ky., Dec. 19 — All was in readiness here tonight for the first annual Optimist Invitational high school basketball tournament which will get under way in Spencer Memorial gymnasium of the Kentucky Wesleyan campus Friday afternoon at 2 o'clock.

The University High Purple and Lexington's only representative in the eight-team tournament, and College High of Bowling Green will go off the tourney lid in the 2 p.m. game and about an hour later the defending state champion Breckinridge High team from Morehead will clash with the Cardinals of Clark County High, one of the two local teams in the tourney.

The night session is slated to open at 7:30 o'clock with Hazard playing Owensboro. A pair of Central Kentucky Conference teams, Winchester and Frankfort, the latter defending KCChampion, will ring down the curtain on the first day's activities.

Semi-finals are carded for 2 and 3:15 o'clock Saturday afternoon with University High-College Hill and Clark County Victor in the opener and the survivors of the two Friday night games clashing in the second tilt.

Saturday night at 8 o'clock the two semi-final losers will meet in a consolation battle for third place honors with the championship tilt slated to get under way about 9:15. Owensboro and College Hill arrived today and established headquarters in the Brown-Prouto Hotel. Coach Lawrence McGinnis and his Owensboro Red Devils plan a snappy workout on the Western Floor and the Western Kentuckians impressed the entire crowd of watchers with their aggressiveness and ball-handling ability.

It was the consensus of sports minded fans here tonight that any one of the eight teams entered could win the tournament. College High of Bowling Green, however, was conceded an edge in early predictions although Owensboro's (Continued on Page 78, Column 2)
Eight Teams Competing In 2-Day Tourney

The first Kentucky Annual Invitational Tournament opened to eight top-notch high school basketball teams, was under way this afternoon at the Spencer gymnasium on the campus of Kentucky Wesleyan College.

The starter's whistle at 2 o'clock brought Lexington's University High into competition with College High of Bowling Green (see Sports Slant). A home-towner, Clark County, was ready to breakRecords in the afternoon finale. Tonight, Hazard and Owensboro will meet at 7:30 o'clock, followed by the Frankfort-Winchester clash. The latter game is expected to fill the gymnasium to overflowing because of Frankfort's leadership last year in the C.K.C., and Winchester's outstanding record to date this season.

John R. Lebus, president of the Winchester Optimist Club, sponsor of the tournament, said that all net proceeds from the two-day tournament were to go to the club's boys' work program.

Today's winners in the eight-team event will meet in semifinal matches Saturday afternoon, the finals will be played at 8 p.m. Saturday, Team trophies and miniature basketballs are to be awarded the winners and runners-up.

Robert Wilson, Wesleyan coach, and John R. Riebech, Lexington, are officials for the tournament. Hunter Harris was general chairman of the Optimist club arrangements committee.

Several of the teams arrived in Winchester Thursday evening and set up headquarters at the Brown-Pictor hotel. Light of the city lights and broken windows were in the Hearts gymnasium this morning by several of the players.

Breckinridge, meeting Clark County this afternoon, won the 1946 state tournament. However, Breckinridge is expected to have a much larger team this year. Winchester High defeated Breck this week 35-33 at Morehead.

Mr. Harris said tickets for the various sessions of the tournament could be acquired at the box office at the gymnasium any time during the tournament.

Clark, College, Owensboro Win

Winchester, Ky., Dec. 20.—College High of Bowling Green and Clark County High won opening-round games in the inaugural Kentucky annual invitation tournament in Spencer Memorial Gymnasium this afternoon.

In the tourney's opening encounter, the Western Kentuckyians took the measure of University High of Lexington 49-39, and the Clark Countians ousted Breckinridge, defending state champions, by 35-34. Lawrence McGinnis' Owensboro five defeated Hazard 59-42 in the first game of the night session.

Eddie Diddle, son of the Western Hilltoppers' veteran coach, staged a one-man show to lead the Cardinals to victory over the Purgers. He burned the net for 37 points and dominated his team's offense to such an extent that only two of his teammates scored over one field goal.

The Clark-Breckinridge scrap was a thriller throughout, with the teams never being separated by more than four points until the final minute. Then the Cardinals jumped into a 38-32 command.

Letcher Norton's club held the upper hand through most of the first half, though their margin was seldom over one or two points, and midway of the second quarter the Eagles jumped into a 14-10 lead, which they held only momentarily. With Billy Boggs, rangy forward, dropping in three fielders and two free throws in rapid succession, University High drove within five points of the Cardinals, but the Purgers clung to Diddle and he gave Dean Downing's team a 40-32 lead at the end of the quarter.

The final quarter saw Maurice Clay's Purples stay on even terms and draw within four points with four minutes to go. But again Diddle, now in a one-on-one position, dribbled the entire length of the floor for a shot that put the Cardinals out of danger to stay.

Diddle was not the only big scorer in the contest. As Boggs connected for seven fielders and three gratis shots to lead the Purgers with 17 points, Diddle was a tall man leading the Hearts in this all-time scoring event.

The final score was Owensboro 49-39, University High 40-32, Clark County High 59-42.

The Owensboro attack was paced by J. M. Gipe, who counted 19, while Hazard was led by Steel with 14. Owensboro led all the way, 11-10 at the end of the first frame, 24-16 at the half and 42-34 at the end of the third period. A crowd of approximately 1,700 saw the night's play.

WINCHESTER, Ky., Dec. 20—Two Western Kentucky quintets and a pair of Winchester high schools were seeded to the semi-finals of the first annual Optimist Invitational basketball tournament by recording first-round victories yesterday at Kentucky Wesleyan's Spencer gymnasium.

College High of Bowling Green topped the opponent from University High, Lexington's only tourney representation, 14-3, and will meet Clark County High of Winchester, 28-17 victor over defending state champion Morehead Breckinridge, in Saturday's first semi-final at 2 p.m.

In tonight's games Owensboro's semi-finalist, Eddie Diddle out-pointed Hazard, 59-42, and Winchester's semi-finalist, Bob Montgomery, out-pointed Frankfort, 35-30, in an all-CKC nightcap after dismantling all but two points of a 16-point lead in the first quarter. Owensboro and Winchester will clash at 1:30 in their semi-final tilt.

The championship game between the winners is scheduled to start at approximately 9:15 following an estimated 10-minute intermission.

In the consolation game, Eddie Diddle, senior guard, was named the tournament's outstanding player, edging out Jim Kennedy of Hazard and Jim Poynter of Frankfort in voting by the Optimist tourney committee.

Eddie Diddle, who scored 18 points in the game and 37 in the tournament, coupled with fellow guard Herb Padgett, 17 tallies, led Owensboro in the consolation game.

Diddle, who missed the opening tourney game because of a foot injury, made 10 of 13 shots and six of seven foul shots.

For the tournament, Diddle scored 27 points, the same total as Hazard's Ray Padgett. Jim Kennedy of Hazard was third with 25 points.

The Shawnees really went on the warpath in the final quarter, outscoring Frankfort 17-7, and putting the game into the bag.

The score at the end of the third quarter was 35-30, with Owensboro leading.

For Owensboro, Diddle scored 13 points, 11 in the final quarter. Padgett netted 10, nine in the final period.

Owensboro's other winners were Steve Coles, 11 points, and Steve Rodgers, six points. Frankfort's leaders were Jack Sillars, 13 points, and Tom Poynter, 10 points.

The Cardinals advanced to the semi-finals by topping Breckinridge 67-61, but had to overcome a late-surging rally by Hazard at the end of the third period. The final score was 67-65 for Owensboro.

Ruiz, Owensboro's senior guard, scored 22 points, 18 in the first half. Padgett had 14 and Diddle 13 points.

It was Owensboro's first trip to the Optimist tourney, but the team was strong enough to win the consolation game. The Cardinals were led by Winburn's 12 points, and Keith 11 tally.

Clark County-Breckinridge game turned out to be a close contest, with the final score 49-38 for the Bears.

The Bears were led by Eddie Diddle, who scored 18 points, 13 in the first half. The Cards scored 27 points for the game, with 15 in the first half.

The Cards were led by Clark County senior guard Herb Padgett with 17 points, 10 in the first half.
33. College High Wins Pair Of Week-End Games On Road

The College High Cardinals made it a two in a row on their invasion of Wayne county by scoring past Monticello 22-27 in a Saturday night game. The Cards forced Wayne County to take his first loss of the season, and in the process led the Cards with nine points against Monticello yesterday.

Tennie Harris had six points against Monticello, and Coleman contributed five. Friday night Tommie Perkins counted eight to trail Diddle, and Coleman had six.

College High racked up its eleventh win in 12 regular season starts and its twelfth in 18 games, including tournament play. It is playing fast Park City five 46-31 last night on the floor.

The Cardinals displayed their best form of the season in downing the Barren county champions, and throttling Tomm, high-scoring machine, with every game.

The five newcomers with every game.

Meanwhile, the one undefeated team remaining in this region was whipped Cave City 44-33 in a semifinal game.

The Red Birds led by 13-2 at the half of the third quarter and the score was knotted at 16-16 at the intermission. However, College High took a 10-point lead at 26-16 at the end of the third quarter.

Friday night the Cards travel to Edmonton for a family affair - it will be a meeting of Dero Downing's local club with older brother Alec Downing's Cards.

Cardinals and the Brothers

Eddie Diddle, Red Bird center who missed several minutes of play in the second half of last night, contributed a total of 26 points for scoring honors, and he held Toms to a single field basket while he was in the game. The Park City shot putter connected for four all told in the game.

Turning in his best individual performance of the season, Vass Jackson, College High forward, scored 11 points for runner-up honors to Diddle. McCranie had 11 points for the Park City five.

The Barren countysmen hoped to win in the first half when Sเช่นกัน(2,5),(993,994)

Diddle Nets 26 As Cards Down Park City By 46-31

The Red Birds have extended their winning streak to 12 games Friday night by defeating the South Warren cagers 32-23. The win, however, was costly to the Red Birds as two of their players suffered injuries. Kenneth Fleener, regular forward, suffered a broken nose, and Reba Lamart, a substitute, reinjured an ankle which may keep him on the sidelines for several games. The Red Birds take this thing easy during the early part of the week, but Friday night they will meet the Wayne County five and Saturday night they will jump over to Monticello for a game.

Young Eddie Diddle continues to spark the College High team. He has scored 166 points in 12 games and in addition is chief rebounder man under both baskets. Diddle also brings the ball up the floor. He is the veteran of last year's team but the newcomers are improving with every game.

Over in Barren County they are setting records for the tournament. The five county teams and Glasgow will participate in the meet which opens Thursday night at the Glasgow

College to Battle Strong Park City

Special to The Courier-Journal

Bowling Green, Jan. 13.—A line on a couple of hotshot teams in the Fifth Region will be gleaned Wednesday night when the College High Cardinals and Park City battle on the Park City floor. The Park City team has suffered defeat in but two games this season and Saturday night wound up its second tournament of the season successfully.

To capture the second joust. In winning the diadem the Parkers whipped Cave City 44-33 in a semifinal game.

Results of other games in the tournament were: Thursday-Glasgow 72, Hiawasee 18; Cave City 38, Temple Hill 55; Friday—Glasgow 51, Austin Trace 24.

Prestige

While the Barren five was adding to its prestige the Cardinals were putting a couple of scalps on their already heavy belt. They won from Wayne County 62-47 Friday and completed their week ends on top last night by trampling Monticello 39-27.

The College High lids had lost three games this season, while winning 12. Two of their losses were to theachievement.

Meanwhile, the one undefeated team remaining in this region was whipped Tuesday night. Carver's boys defeated Bowling Green in a tough battle downing the Fighting Purple 56-46. However, the Purple staged a rally Thursday night, and added another win when they easily defeated Hopkinsville at the Christian County gym.

Meet Edmonton

After their engagement with Park City Wednesday the Cardinals will journey to Edmonton Friday. Park City will meet Glasgow Tuesday and Saturday tackles Howe at the Park City gym.

Bowling Green will entertain two teams on the court during the week. Russellville, Wednesday night, and engaging the Edmontoners Sunday night. The Bird is coached by Doug Smith, mentor at the Bowling Green school for more than 20 years before transferring to the Hardin County school.

The Edmontoners have two games lined up for this week. To win battle Summerside there on Tuesday night and return home to play Albany on Friday night.

Other Games

Other games scheduled for the Fifth Region for this week include Adairsville at Rochester, North Warren at Russellville, Alvadore at Bristow, Oldfield at South Warren, Bristow at Mountsberry.

College High and Edmonton went on a scoring spree Friday night in a game at Edmonton with the local Red Birds coming out on top of a 76-43 score, which probably sets a single game scoring record for a tilt in which a local high school team participated.

Larger totals have been turned in by individual teams, but the 139 total for both teams probably is a record in local high school books.

Edmonton jumped to an early 8-2 lead in the game Friday night, but the Cards came back to tie the count at 8-all and go ahead by 19-8 they managed to lead the rest of the way, but Edmonton stayed within striking distance most of the game.

The score at the half was 34-27 in favor of the locals.

Eddie Diddle, who pitched in 26 points in the Cards' Wednesday night win over Park City had an even better evening with a total of 36, which is a high mark for him in this season.

While Diddle had 30, he did not top scoring honors in the game as Wisdom, Edmonton forward, counted 21 points on 12 fielders and seven free throws to lead all scorers.

Tennie Harris who hit nine of his first 11 shots from the floor wreaked the zone defense thrown up by Edmonton's Alce Downing to do his part, brother Dero's College High team.

Harries had a total of 20 points in the game.

The Cards would gain an apparently safe margin during the second half only to see Edmonton pull up close and threaten the lead. However, each time the Birds would spurt again.

Tuesday night the Cards meet Franklin-Simpson at the Western gym, and Friday they travel to Scottsville for a meeting with Allen County High.

Cards Outscore Edmonton By 76-63 In Friday Game

The Bowling Green High Purples will be host to Elizabethtown in the only local basketball entertainment in the 7:30 color at the Purple gym.

While the Purples are at home, College High will be making its fourth straight appearance on the road in the Tuesday night tilt.

The game will bring together teams coached by brothers, Dero Downing of the local and Alec Downing of Edmonton.

At Bowling Green High it will be a meeting of teams coached by a teacher and his former pupil.

Doug Smith, long-time coach at Bowling Green High now at Elizabethtown, is Purple Coach Ed Donaldson's grid meister when he played at the local school.

The Purples will be seeking their seventh win in eight starts in the game tonight. No second team preliminary is scheduled.

In last week's games North Warren plays at Richwoodvile and Atrawn at Bristow.

Both Local High Schools Scheduled Here Tomorrow

Both local high school fives are booked for home appearances tonight, College-High playing host to Franklin-Simpson at the Western Gym and the Purple meeting Scottsville at Scottville's Green Gym.

It will mark the first meeting of the teams in each instance, although each of the local fives have met and defeated the other's opponent.

The Purples ousted Franklin in a pre-season match when College High turned back Scottsville 53-30 in a November game at Scottville.

The College-High-Franklin tilt is billed for 7 p.m., with only one game on the program. The early starting time was set to give fans an opportunity to hear broadcasts of the Western-St. Johns game scheduled for 8:45.

Principal H. B. Gray at Bowling Green High said today a twin bill would be scheduled with the opener set for 7 o'clock.

College High, loser by only 4 points in a game last week, is riding the crest of a five game win streak, having run up its highest scoring total of the season in defeating Edmonton 76-63 in a game Friday night at Edmonton. Including play in an invitational tournament before Christmas vacation, the Cards have an over-all record of 13 wins and one loss here.

Tomorrow's meeting with Scottsville will mark the return to action for the Purples of Pete Anderson, all-region center in 1945, who recently returned from service. Anderson is eligible for another semester of basketball and also will be eligible for football next fall, Mr. Gray said today. The principal said the card has received no word from the KHSAA on Anderson's eligibility, but he expected word today.

Mr. Gray said there was no question of the player's eligibility, but it must be approved formally by the association.

The Purples have won seven out of eight starting this season, turning in a 50-43 win in their last start over Elizabethtown in an overtime session Friday night.

Cards Use Victories to Improve 3-Point Lead in Western Region

With 17 players seeing action, Coach Dero Downing's College High Cardinals posted their sixth straight victory by turning back Franklin-Simpson 45-31 last night at the Western Gym.

Diddle added 21 points to his scoring total for the season by hitting nine fielders and three free throws to lead the Cardinal point makers.

The local Red Birds took an early lead and were on top by 13-2 at the end of the first quarter, leading by 25-15 at the half and 38-21 at the end of the third period.

Lentz and Gentry, Franklin forwards, each registered seven points to lead the losers.

The win was the fourteenth for the Cards in 17 starts this season, and their thirteenth in 14 regularly scheduled games.

Friday night the Cards travel to Scottsville for a meeting with Allen County High. In a November game the locals scored over Allen County by 58-27.

College High Five Rounds Into Form
Coach Downing Rebuilding Team
Around Only Regular, Eddie Diddle

Special to The Courier-Journal.
Bowling Green, Ky., Dec. 9 - College High School's Cardinals, representatives of the Fifth District in the State Tournament last season, opened their 1946-47 campaign Friday night against regular from last spring's champion, although Coach Dero Downing has only regular recruit from regular Spring's champion.

Bowling Green High School, having but one regular back from last year's champion, faced an uphill battle Friday night to defeat the Red Birds 28-24 in its first game of the season. Tuesday night the Purples play host to Franklin.

UPHILL FIGHT
Over in Logan County they are getting ready for a tournament which gets under way at Auburndale Tuesday night and continues until the end of the week. First and second teams of six schools will participate in the county meet. Drawings pit Adairville against Russellville in the first game Tuesday night. Wednesday night the winners play the winner of the Adairville-Russellville game Thursday night, and Chalmers Overby will meet the winner of the Olmstead-Auburn till Friday night. The champion will be crowned Saturday night.

South Warren, which lost but one game last season, added another victory to its string of three wins and one defeat Friday night when they battle a Morgantown five all the way to emerge on the long end of a 33-19 score.

OTHER GAMES
Other games of last week include: South Warren 38, Bristow 22; Thompsonville 45, Temple Hill 24; Brownsville 33, Morgan­ town 35; Cave City 34, Park City 29; Glasgow 42, Gamaliel 36; Scottsville 26, Tompkinsville 26; Adairville 41, Russellville 24.

College High Meets Bristow Tonight
At Cardinal Gym

Victorious in their inaugural tilt Tuesday night at South Warren, the College High Indians will take on another strong Warren county five in Bristow tonight at the College High gym.

Bristow has dropped but one game in first two weeks, losing only to Scottsville by a three-point margin in a game at Scottsville.

Another game is scheduled for 7 o'clock at the Cardinal gym and only one tilt is in the books for Scottsville.

The early hour was set in order that the game will conflict with the Boy Scout circuses scheduled for the two venues.

Card Coach Dero Downing said his starting go-to five will be Kenneth Fleenor and Vas Jackson, Willy Jackson and Tommy Perkins, center, and Tes Harris and Tommy Perkins, guards.

Simpon Warren travels to Park City for a game tonight, and South Warren has an open date.
Do Warren county fans like their basketball? For an answer to that one you should have tried to get in College High’s gym Friday night to watch the Cardinals play Bristow, a Warren county foe. We got as far as the front door, but decided against trying to elbow in for a look at the game. Training School Director C. H. Jaggers started turning the fans away shortly after the opening of the game at 7 o’clock. The little gym possibly will seat about 600, but it would be safe to bet that better than 800 net fans were crowded into the building. Dr. Jaggers said 600 tickets were sold at the door, about 200 student season ticket holders were on hand, and the casuals probably added another 100 to the crowd. In the not too distant past the small gym, and several tournaments have been held in the building. Tournaments often attracted overflow crowds, but as a rule most of the casuals were able to find a seat. To show how much the game has increased in popularity, last night’s game was the opener for the Cardinals, and not too much publicity had been given the tilt. However, the crowd was there, with Bristow partisans present in large numbers. The Cards played all their games last season in the Western gym, but due to another program at the Training School building. Incidentally, Coach Edgar Mills Bristow team gained a close 36-34 decision.

**Cards Win Net Game**

College High Cardinals pulled away late in the second half of play at home Wednesday night to defeat Horse Cave by a 42-21 count in a tilt last night at Horse Cave.

Braswell High registered its sixth triumph in seven starts by downing Sunfish High 60-37 in a game at Bristow, and South Warren weathered North Warren 47-16 in a game at Smiths Grove.

In the game at Horse Cave the Cards soared by one or two points at periods during the first half, but came out at the Intermission with a 31-16 lead. During the closing two periods the Redbirds counted 23 points while holding the host team to a total of five.

Eddie Diddle was high scorer for the Cards with 18 points, while Bybee, Horse Cave center, had a like number of points.

The Cards travel to Scottsville tonight for a meeting with Brad Middles’s five, and Friday night entertains Allen County High in a tilt at the Western gym.

---

**Cards Meet Cave City Tonight**

Coach Dero Downs’s College High Cardinals will be after their fifth victory of the basketball season when the clash with the Cave City High gym tonight. The Cardinals, losing only to Bristow, have defeated South Warren, Scottsville, Horse Cave, and Allen County so far this season.

A preliminary contest matching the second teams of the two schools will set under way at 7:15 p.m. The Cardinals, winners of the fifth regional and seventh district tourney last year, were defeated in the state tournament by Valley’s Vikings of Jefferson county.

Western Coaches Ed Diddle and Ted Hornback guided the destinies of the local netters last season. Downing, one of the most astute hardwood pupils ever tutored by Coaches Diddle and Hornback, returned from the Navy in time to assume his present duties as head coach.

**Purples, Cards In Home Tilt**

After only four days of practice Bowling Green High will open its 1940-41 basketball season tonight against Horse Cave High, site of the leading Warren county five, in a tilt scheduled for 7:15 o’clock at the Purple gym.

Also booked for a home showing are the College High Cardinals who will be seeking their fifth win in six games in a tilt against Cave City High at 7:15 o’clock at the Training school gym.

Single games will be played on each program with no second team preliminary.

At Bowling Green High the starters for tonight’s game had not been definitely determined during the brief preparatory period for the tilt. All the players were on the Purple grid team. John T. Johnson, only regular returning from last season, is scheduled to open at center. Forwards will be selected from John Redditt, Bobby Livsey, Frank Wiedner and Bobby Wagner, while guards will be Joe Thig, Bobby Preston or Bill Davis.

College High, winner of four out of five games, will open with its regular group of Kenneth Flenor and Van Jackson, forwards, Eddie Diddle, center, and Ted Harris and Tommie Perkins, guards.

In other games tonight South Warren will travel to Morganton. North Warren will entertain Sunfish, and Hardinsville will be host to Kyrock.

**Cards Win In Overtime**

The Cardinals, playing much of the game without services of Eddie Diddle, who had been ill, were forced to come from behind to tie the score at 31 all with Cavers and then scored three points to two in an overtime to win their fifth victory in six starts Friday night at the gym.

The Cave City five jumped into an early lead and were ahead at the quarter by 7 to 2. At the halftime the visitors were running by 13 to 8 and were still ahead, 22 to 21, at the end of the three-quarter mark. The Redbirds tied the score at 24 and it was again knot at 25 all. Cave City spurred into a 31 to 27 lead, but a couple of quick baskets by the home team tied the count at 31 when the gun sounded.

In the overtime period a foul was added to a two-pointer by Ward Coleman, College High center, brought victory as the Cavers were able to tally half one field goal during the extra period. Diddle got into the game long enough in the final period to tally six points. His basket in the final seconds tied the score and forced the game into overtime.

Perkins led the College High attack with 12 points, followed by Coleman who garnered 10. Thomas, Cave center, led his teammates with a dozen counters.

The Cardinals will play at Glasgow Tuesday night and on December 27 will meet Horse Cave here. On December 20-21 they will take part in an invitational tournament at Winchester.
Brewers Tops Litratings
For 6th Straight Week

Redmen Stretch Lead Over Inez to 10 Points;
Wayland Holds to Third, Owensboro Is Fourth

Brewers must feel like the young man who sighed for more worlds to conquer. There’s no place for the Redmen to go—not even up—since they held theLitkenhaus weekly roll of honor for the sixth week in a row.

Trailing McCoy Tarry’s western Kentucky beagles again in Inez but even the Indians got a faint glimmer this week of the ascending Brewers. Brewers stretched its lead to ten power points from last week’s 7.1 advantage. Wayland, like Inez, a 14th Region entry, again is in Owensboro, once rated No. 2 in the Litratings, charged back from its lovely 13th position to boast Hazel Green from fourth place. In fifth is Somerset, a gain of one rung for the Briar_Jumpers. Sharpie and McHenry dropped from the first ten with the appearance of Owensboro and Lone Oak. The latter, which up-set Paducah Tilghman, is in tenth.

Win, Lose or Draw
With HERB WALLACE

Scoring of College High’s center, Eddie Diddle, during the past four games played by the local club has been nothing short of sensational. The Cardinals pivot man has scored a total of 106 points in the four contests for an average of better than 26 per game to run his total for the season to 351 in 18 games. This gives Diddle an average of 19.6 points per game for this season, which is hitting the hoop in approximately 3 points a game. He has had what you might call four bad nights during the season, but as a rule he was limited to six points, and twice to nine. He made only six when the Cards lost to Winchester in an invitational tourney before Christmas. All his other starts have brought 14 or more points. So the current rate of production the College High performer will pass the 400 mark for the season, which already will be the record for a local high school boy.

Outstanding College Prospect

Many local fans believe Diddle is one of the top high school net performers in the state. He is often speculating on where the younger will continue his education. Some say he will enroll at Western and play under his illustrious father, while others can’t see it that way. Of course, the problem is not for the public to decide, as publicly he will go to the school of his own selection or one selected by his parents. Personally, we believe he never should try to continue his athletic career at the local college while others may have a different opinion, but again that isn’t our problem.

Diddle Scores 29 Points
As Cardinals Win, 62-38

Center Eddie Diddle pushed his season scoring total over the 300 mark Friday night as he tossed in 29 points to lead the Cards to their seventh straight victory in a 62-38 tilt at Allen County High.

In hitting 14 field goals and one free throw, the Cardinal center increased his total to 361 points in 73 games for an average of 16.7 per game.

After a rough and tumbly first period, the Cards were able to gain a lead of 11-0, but during the second quarter it was pushed to 33-19, and stood at 44-25 at the end of the third.

Smith, Allen County forward, had 17 points to lead the losers in scoring. FollowED for the Cards were Ken Fleener, Ehsa Lazarus, Ward Coleman and B. Kerr with six points each.

The win was the second of the season for the Cards over the Allen County team. The lead was 57-27 in a game played in this city in November.

The Cards, loser of only one regular season game, have posted 14 wins in scheduled tilts. In a pre-Christmas tournament at Winchester the Cards won one tilt and dropped a pair, giving them an over-all record of 15 wins against three losses.

The Cards are to meet Glasgow here in a twin bill Tuesday night at the Caldwell gym, the first game to open at 7 o'clock. Thursday the locals travel to Cape City.

District Tournament Sites Announced;
All State Meet Tickets Are Now On Sale

Sites of 53 of the 60 district basketball tournaments — first leg on the annual March program of eliminations to determine Kentucky's high school cage king — were announced yesterday by Ted Sanford, one of the Kentucky High School Athletic Association.

The places were selected by vote among the participating schools in each district.

INCOMPLETE

It will be left to the K. H. S. A. Board of Control to break ties in three other districts—the 31st between Pineville and Lone Rock, the 52nd between Fleming and Jenkins, and the 54th between Corbin and Robinson.

Balloting on sites for the four remaining districts — the Third, 29th, 34th and 36th — had not been completed yesterday afternoon. Midnight last night was deadline for voting, and sites of these meets are expected to be announced early this week.

District tournaments will be held during the week ending March 8. Winners and runners up will advance to the state playoffs. announcement today that applications for tickets to the state tournament now are being received at Sutcliffe's in Louisville, which is handling the sales.

EXEMPT

Only the four Louisville schools are exempt from district play. They comprise the Seventh Region.

Defending state champion is Breckinridge Training School of Morehead. The Cards also announced yesterday that applications for tickets to the state tournament now are being received at Sutcliffe's in Louisville, which is handling the sales.

PREFERENCE

All seats — 7,500 of them — will be reserved this year, and no general admission tickets will be sold. The better seats are priced at $1.50 per session and $10.50 for the entire tournament. Other seats will be $1.00 per session.

Orders for complete sets (tourney season tickets) will be filled on receipt only. Sanford said.

Checks should be made payable to the Kentucky High School Athletic Association. The requests will be numbered in order of receipt, Sanford said, and the tickets mailed promptly accordingly. He expects tickets for the state meet to be printed by February 1.

With Coach Ed Diddle's son, Eddie, burning up the net, the Cards also rallied in a strong Park City quint last week to up their record to 14 wins against one loss during regular season play. The lone defeat for the Cards came at the hands of the Bristow five early in the season.

Western's low-slinger, Coach Ed Diddle, is father of the lad who has led the Training school five through their schedule to date. Eddie Diddle, aptly named, is one of the finest high school cagers in the state.

The Cards now have 35 points in the two games last week to up his total point-production to 251. Eddie now has a 16 point average to pace all local scorers.

Prior to Tuesday night's clash with Franklin, Tess Harris had bucketed 103 points for runner-up runners. Bob Fleener, with 98, and Tommie Perkins, with 92, follow closely.
Cards Meet Glasgow In Only Local Tilt Tomorrow Night

College High entertains Glasgow tomorrow night at the Western gym in the only high school tilt of the week on local hardwood, while Bowling Green High travels to Franklin for its second meeting with Franklin-Simpson.

In a previous meeting with Glasgow the Cards scored a 49-44 win at the Barron county city. The Purples defeated Franklin 19-19 in a local tilt.

Thursday night College High travels to Cave City for the only other game in which a local team will participate this week. Bowling Green's scheduled game against Central City has been postponed until Monday, February 24, because of participation of Central City in the All-Kentucky tournament this weekend at Louisville.

Cave City Is a Solid Little Team

Record Isn't Tops In Fifth But Quint Is Hot

Special to The Courier-Journal.

Bowling Green, Ky., Jan. 27—The 1933-34 solid little team in the Fifth Region is Cave City. Although its record is not the best in the section, it has succeeded in knocking off some of the alleged better teams. When it hasn't won it has scored the daylight's out of its foes.

Last school year, the team defeated Memorial by 36-19, and Brownsville by 63-38 to ring up their 16th and 17th victories without a setback.

Friday night they will have a chance to win their third straight.

They meet College High on the Cavern Floor. Should they upset the Cardinals, they would be in a favored spot in this region.

Earlier in the season the Barren county lads upset Bowling Green High by 10 points but succumbed to College High's attack on the Cavern's floor by one point. They have defeated Park City by 19 points but, too, have been beaten by the Park City boys. Another victory which enhance their prestige over Scottsville.

The beat Brad Mitchle's boys by 33-31. Other teams that have taken the measure of Cave City are Williamsburg, Leitchfield and Albany.

DIDDLE TOPS

In the game Friday night the Cavers will be running for the Cards and defending Eddie Diddle. This Red Bird center is regarded as about the best high school player in the state and still going on to score about half his team's points in addition to rebounding under both boards and carrying the ball up the floor. Over six feet tall and having plenty of weight to go along with his height, Eddie seems to improve the season progresses.

Last week, while the Cards were defeating Franklin and Allen County by 45-31 and 62-38, he tallied 56 points. His aggressive play in the fourth period, when he stole the ball and dribbled in for a jump shot, Perkins pulled the same stunt no less than five times, but he missed four of the five.

Whether he will be able to pass Bobo's mark for the entire season, including tournament play, depends on how far the Cards go in the tournament.

Cards Seek Eighth Straight Win In Game Tonight

College High will entertain Glasgow in a twin bill tonite at the Western gym, with a second-team preliminary to open festivities at 7 o'clock.

Bowling Green High travels to Franklin for a similar program at the Franklin-Simpson gym. Brownsburg High is also scheduled to travel, meeting Allen County High at Scottsville.

The Cards will be seeking their eighth straight win in tonight's game, and their sixteenth of the season. In a previous encounter at Glasgow, the Cards gained a 49-44 verdict.

Cards Win Eighth In Row By 46 36 Over Glasgow

College High made an early lead stand up to defeat Glasgow, 46-36 for its eighth straight triumph last night at the Western gym.

Playing the best brand of ball they have displayed all evening in the opening period, the Cardinals took a 16-8 lead at the end of the first period and held just above that margin throughout the remainder of the tilt.

Kenneth Flowers, Cardinal forward, turned in one of his best performances of the season during the initial half to pace the Red Birds during the first two periods, while Eddie Diddle took up the lead during the closing periods.

Diddle, who hit for only one field basket and six free throws during the first half, managed to toss in five fielders during the closing two periods to lead the Cardinal scoring with a total of 18 points. Fleenor took second honors with a dozen points.

Glasgow's ace guard, Burtram, displayed deadly accuracy during the first half, but hit for six fielders to keep the Cottities in the game. He left the game on personal fouls during the third period.

Tommie Perkins, opened scoring for the Birds in the first quarter when he stole the ball and dribbled in for a crisp. Perkins pulled the same stunt no less than three times.

After Perkins counted, Burtram tied the count and Fleenor grabbed a basket to give the Cards a 2-2 lead. Yokley hit a free throw and Burtram counted another fielder to give Glasgow its only lead in the game at 3-2. Two free throws by Diddle and Vaas Jackson's fielder put the Cards in front and they never were headed.

Early in the second period, Rhea Laflur and Burke Reynolds teamed up for the local boys a 4-2 margin, their largest of the game. The Birds were on top at 27-27 at the half-way mark, and led by 29-27 at the end of the third quarter.

It was the sixteenth win for the Cards in 18 games this season. Tomorrow night they travel to Cave City.

In a preliminary the Glasgow seconds edged the local seconds 28-19 after coming from behind at 16-3.

Cards Win Ninth Straight
By 41-35 Over Cave City

College High recorded its fifteenth straight regular season win and ninth straight since a pre-Christmas tournament loss in downsing Cave City for the second time this season in a 41-35 tilt last night at the Cave City gym.

The game produced a nip-and-tuck battle throughout the first quarter and was hard-played throughout. Cave City lost two of its starters via the personal foul Colemans, but battled throughout.

Eddie Diddle, with a dozen points, B. B. Kerr with eight and Ward Coleman with seven paced the Cardinals, while Hogan and Reynolds each had 11 for the Cave City five.

Cave City held a 12-10 lead at the end of the first quarter, but College High took a lead at 14-12 and never was headed. At halftime the Indians led by 21-15, and the margin was increased to 34-24 at the end of the third period.

In a previous meeting at the College High gym the Cavaliers edged Blankenship, while Hogan and Reynolds each had 11 for the Cave City five.

College High is scheduled to meet Alex Dowling’s Edmonton five in a game Monday night at the Western gym. In the first meeting of the two clubs College High scored a 76-33 win at Edmonton.

Cards Scheduled In Home Game This Week

After a quiet week-end, both Bowling Green High and College High will return to the hardwood this week for local appearances Monday and Tuesday nights.

The Cards will open the week with a game at home Tuesday against Bowling Green High Wednesday night at the Western gym, and Friday the Red Birds will travel to Russellville for a meeting with Harold Hines’ Panthers.

Bowling Green High plays host to North Warren here Tuesday in a game that was moved up from next Friday in order to permit the Purples to participate in the Western Conference tournament at Madisonville.

The Purples, winners of nine out of 11 starts this season, will play Murray in a first-round game in the opening session of the conference tournament next Friday afternoon.

The Purples originally were scheduled against Central City at Central City last Friday night, but the game was moved Monday night to allow the Tide to participate in the All-Kentucky Conference tournament in Louisville.

College High completed its week of play by scoring a 41-35 win over Cave City in a game last week at the Western gym. The Cards defeated Glasgow 46-36 in their first game of the week here last Tuesday.

In Edmonton the Cards will be playing a team they defeated 76-43 in a game last month at Edmonton. It will mark the second meeting of teams coached by the Dowling brothers, Dero of the Cards and Alex of Edmonton.

Eddie Diddle, high scoring ace of the Cardinals, added 30 points to his string in the pair of games last week, giving him a 20-game total of 331 points to date this season, or an average of 16.5 points per game.

Following Diddle in the College High scoring parade are Ken Pierce, nor with 127 points, Pete Harris with 116, and Tommie Perkins with 106.

John Johnson continues to pave the way for the Bowling Green High scoring machine with a total of 136 in 11 games, or an average of 12.5 points per game. Next to Johnson is John Ramm, with 109 points, and he is followed by Bobby Preston with 54, and Bobby Lively with 49. Pete Anderson, center who has played in only three games with the Purples since returning from service, has scored a total of 50 points.

Cards Meet Edmonton
In Games Tonight At Western Gym

College High will open a full week of net activity for local fans in a twin bill against Edmonton tonight at 7 o’clock at the Western gym.

In a previous meeting between the two teams last month at Edmonton Coach Dero Dowling’s locals turned back Alex Dowling’s Edmonton five 76-43. A team from each of the two schools will meet in a preliminary to Edmonton’s program.

Friday night the Cards travel to Russellville for their first meeting of the season with Harold Hunter’s five. Bowling Green High is to meet North Warren in a tilt tomorrow night at the Purples gym, and Friday the Purples will oppose Murray in a first-round game in the Western Kentucky Conference tournament at Madisonville.

Turning in an unimpressive performance, the College High Cardinals outlasted Edmonton 42-36 for their tenth straight win last night at the Western gym.

The Red Birds established a 28-13 lead in the first half, but played little ball during the closing two periods as Edmonton pulled up to within points in the final period.

In a previous meeting of the Metcalfe county five the local team had scored a 76-33 win, but the big scoring guns of both teams failed to connect with any consistency in last night’s affair.

Eddie Diddle, who has established a scoring average of better than 16 points in 20 games, was able to count but nine points to take scoring honors for the Cards, while Tommy Perkins had eight. Cassidy scored the Edmonton five with 11 points.

Diddle opened scoring last night, but with a free throw, and Perkins stole the ball and counted on a crisp shot. The Cards moved on to a 6-1 lead at the start, but led by only 11-9 at the quarter. With Ward Coleman and Rhea Lazarus, reserve forwards, each counting twice in the second quarter, the Cards moved into a 18-16 halftime margin.

Scoring only one basket in the third heat, the Cards saw their lead cut to 30-34 at the end of the period, and Edmonton moved up behind at 40-36 with a couple of minutes remaining in the game. However, Horace Miles pushed in a one-hander to clinch the verdict for the locals.

Tessie Harris, regular Card guard, missed the game because of a hand injury. The local seconds took an 18-14 decision in a preliminary to the game.

The Cards meet Russellville Friday night on the Russellville floor.

Cardinals Host To Park City Five

Seeking to rebound after a defeat at the hands of Russellville Tuesday night the Cardinals of College High will be located to the strong Park City five at Western Gym Saturday night. The second teams will open festivities at 7 o'clock. The Redbirds hold one decision over the Parkers, having defeated the visitors on the Park City floor earlier in the season.

Tess Harris, regular Card guard who has been out of several games due to a hand infection, is slated to return to action in the Saturday night game.

Russellville Stops Card Win Streak At 10 Games

College High suffered its second regular season defeat last night at Russellville as the Panthers nipped a 10-game win streak for the locals in a close 38-37 tilt.

The Cards led throughout most of the first half, but Russellville took over the lead in the third period and never was headed.

Eddie Diddle, ace Cardinal center was removed from the game in the final period due to a hand infection. is slated to night game.

Cardinals Trip Russellville Team By 33 To 17 Score

A rangy, transactions Park City five defeated the College High’s opening-half barrage in the Western gym Saturday night and ousted the Cards center for a 43 to 42 triumph, gained in the last half-minute. The locals last month had recorded a 46-31 win on the Barren floor.

Both victory and defeat were costly, as Tessie Harris, College High’s hard-hack guard, suffered an ankle sprain early in the first half, and Gene Johnson, speedy Po guard, soon thereafter received several shoulder lacerations which required hospital attention. He accompanied the team home, however.

The Cardinals jumped into a quick 6 to 0 lead on a basket by Harris and two quick fielders by Tommy Perkins. Devo Downing’s netters increased their margin to 15 to 6 at the quarter pole as the seige gun Eddie Diddle, who paced the attack with 17 points, began unlimbering. Park City still trailed at the half, 27 to 22, although McDonald and Tomes were tossing in speedy cipes on drives under the boards.

Coach Woody Gardner’s crew, using an effective passing attack, tied the game at 33 all as the third period ended and the last eight minutes saw the score change hands four times and tied twice. Van Jack- son toss in one from the side and Diddle locked up three fielders in the closing minutes but McDaniel finished with a seven-point burst to give the Parkers their margin.

In a preliminary, the locals scored 24 to 16. College High, probably minus Harris whose absence hurt them Saturday night, will play host to Scottsville in a doubleheader on the Western floor Tuesday night. Park City will meet Allen County at home the same night.

Way Opened For Games Between Cards, Purples

A restriction prohibiting Bowling Green High School from engaging in regular-season competitive sports with College High school was removed by the City Board of Education at its meeting Friday night. The action was taken through recapitulating a resolution which for many years had barred the teams from scheduling sports contests.

Booking of games will now be left to the discretion of officials of the two schools, L. C. Curry, superintendent of city school said.

Mr. Curry said the two schools had not booked regular athletic matches during the 16 years he has held the position of superintendent and that he had no recollection of Bowling Green High scheduling College High teams in the 13 years the city school had organized athletics prior to his term of office.

The teams have met 11 times in basketball tournament play and also have opposed in baseball tournament and informal minor sports. The clubs are scheduled for a first-round match in the coming district net eliminations.

While the action of the City Board was not taken for the purpose of permitting the scheduling of any regular games this season, it is probable that the two high schools’ basketball teams may be matched in a benefit game to raise funds to erase the Community Chest campaign deficit, Mr. Curry said.

Discussion of the 1947-48 budget which must be submitted by March 20 for approval of state officials, was included in the agenda of the board’s business session.

Park City Five Whips College High By 43 To 42

College High School’s Cardinals staged a comeback at Western gym Friday night after losing three straight games and took the measure of the Russellville Panthers by a score of 24 to 17. The strong season the Russellville boys had set back the Panthers one point.

Eddie Diddle, Card center, regained his shooting eye and tallied 6 field goals and the local losses for 16 points. It was the Cardinal’s game from the start as they bounded ahead which they maintained throughout out. At the quarter they were up by 7 to 4 and upped the score to 14 to 8 at the half. At the three-quarter period it was the Cards by 24 to 15.

In a preliminary game the Little Cardinals whipped the Panther seconds by 15 to 14 in a nip and tuck battle. The Cardinals will bring an end to their season Tuesday night when they meet Franklin-Simpson team at Franklin.

Cards Scheduled For Road Games

While Western is at home, both local high schools will be on the road tonight in games at Russellville and Scottsville College High seeks its seventh straight win in a game at Russellville which was postponed from last Friday, and the Purples will be trying to return to the win column against Scottsville after being upset by Murray in the Western Kentucky Conference tournament.
Cards Drop Third In Row
To Scottsville By 36-34

Scottsville stretched College High's losing streak to three games by edging the Cardinals 36-34 in a nail-biter last night at the Western gym. The loss to the Scottsville team follows consecutive one-point losses by the Cards to Russellville and Park City. The Red Birds had registered 19 straight wins before losing to Russellville. In an early game at Scottsville, the Cards scored by 35-30.

After a fast start in the first quarter, the Cards went into a tailspin and Scottsville took over the lead in the third period. College High led by 9-2 at the start of the game and had a 13-4 margin at the end of the period. At the half the Cards led by only 17-15. Scottsville Forward Neil tied the count at 17-all, and White put the Pointers in front at 19-17. The visitors pushed the lead to 28-21, and led by 26-23 at the three-quarter post.

College High rallied in the closing stanza and knotted the score at 28-all with four minutes remaining. However, Scottsville went ahead again at 32-29 and led by 35-29 with about a minute to play. Horace Miles dropped in two quick baskets for the Cards to cut the lead to one point, but C. Garmon's free throw sealed the affair.

Spencer registered 12 points to lead the winners, while Eddie Diddle had a like number to pace the Cards.

College High is to meet Russellville here Friday night and next Tuesday travels to Franklin to close the regular season and playoffs.

Cards Close Season
In Game Tonight
At Franklin

The College High Cardinals will be seeking their nineteenth regular season win against four losses tonight when they meet Franklin-Simpson in the 1947 season final at Franklin. The tilt is booked for 8:15 o'clock.

College High returned to winning form last Friday defeating Russellville 25-17 after dropping three straight tilts by one and two-point margins. Franklin has shown considerable improvement in recent starts since dropping a 45-31 decision to the Cards in the game at the Western gym last month.

Bowling Green High closed its season Monday night, dropping a 25-41 decision to Central City in a game at Central City.

The two local high school net teams will meet Monday in the first-round of the Seventeenth District Tournament on the Western gym.

Cards Score 40-32 Win
In Finale At Franklin

College High closed out its regular season by defeating Franklin-Simpson 40-32 in a tilt last night on the Franklin floor. The win was the nineteenth for the Cards in 23 scheduled starts this season.

In pacing the Cards to the win with 12 points, Center Eddie Diddle booted his season scoring mark.

Whether Bowling Green High and College High will meet regularly in athletic contests may depend upon action of students and supporters of the two schools during and following a meeting between the two tomorrow night in the Seventeenth District Tournament at the Western gym. Now that the way has been cleared for regularly scheduled sports contests between the two supporters of the schools must afford a little something that may throw a monkey wrench on the works. Acts of vandalism, such as the "painting episodes" of the past few seasons following a meeting of the schools in tournament play, must not be repeated, or officials may deem it wise for the schools to play during the regular season.

There is no reason why a pleasant athletic relationship should not exist between Bowling Green and College High, and players, students and fans will be afforded an opportunity to prove or disprove that tomorrow night.

Cards Score 40-32 Win
In Finale At Franklin

The 401 total includes three games played by the Cards in the pre-Christmas invitational tournament.

Franklin's Wildcats opened in last night's game and will play tomorrow night in the first period. Cards found the range to trim 19-16, and their margin creased to 22-24 at the end quarters. Hinton, Franklin guard, was hailed for his play. Both College High and Franklin were to begin preparation for district tournament play.

Cards meet Bowling Green in the first round of the Seventeenth District Tournament at Franklin.

District Net Tournament To Open Tomorrow

By Herb Wallace

An early climax in Seventeenth District tournament action will be reached when Bowling Green and College High collide in a first-round match set for 7:30 o'clock at the Western gym. The meeting will attract a large group of persons who will take advantage of good weather. At 6:45 the first-round game is scheduled, and with the probable action expected there, the gym will be full early.

The home team will be in full strength and hopes to achieve the victory which will mean another trip to the state tournament. The race is still very close, but the Birds are ready to accept any challenge this evening.

The College High team will be in good condition and will do their best to take the district title.

The Purples' victory would mean a trip to the state tournament, and the College High team would be eliminated.

To the cards and Purples, the theme of the game is "The Card's going to win.

College High Meets Valley Quintet In Afternoon Game; Male Team Defeated

By Barney Ballard

LOUISVILLE, Ky., March 15—The first-round survivor squared off here today in the quarterfinals of the annual state high school basketball tournament with the assurance that a new champion will be crowned after Saturday night.

Male High of Louisville, the defending titlist, fell before an inspired Lawrenceburg quintet. 38-37, in a first-round game yesterday. It was the best of eight contests on the opening day's program.

College High of Bowling Green opens today's quarterfinal round with Valley High of Jefferson county at 2 p.m., with Owensboro and Breckinridge Training School of Morehead clashing in the other afternoon battle.

Lawrenceburg faces Dawson Springs at 7:30 tonight and Maysville tangles with Fort Knox at 8:00. The latter game will be the second semifinal.

Creasey estimated that over 5,000 watched each of yesterday's three games at the Jefferson county armory and hundreds of others were unable to gain entrance to the arena because of the lack of seating.

College High advanced in the tourney opener over Venice, 47-33, and Valley ousted Draekensby, 43-31.

Cardinals Head For State Net Tournament

By Herb Wallace

Installed as fourth choice to cop the state tournament by the "smart money" at Louisville, College High's Cardinals gave no hint to the outsiders but concentrated only in their first-round opponent as they completed final drills for the meet this morning.

Following the workout today, the Cardinals were scheduled to depart for Louisville early this afternoon and up after their encounter with Venice tomorrow morning at 10:30 o'clock.

The Cardinals' tournament was held at the same time tomorrow's game is scheduled in order for the Cards to become accustomed to breakfast-time play.

Breckinridge Training School of Morehead has been nominated for the favorite's role in the Louisville tournament, with Male and Maysville second and third, respectively, in front of the local Cardinals.

As anyone who ever has seen a state meet knows, it is a long, hard road to travel to that winner's circle. Probably just as many underdogs will win in first-round games as will favorites, and likewise in later stages of the tourney.

Coach Teddy Hornback today said his boys were in good shape for the meet, but just a shade excited, which is only natural for youngsters who have never participated in this tournament classic.

The Card's usual starters will go against Venice tomorrow morning—Frank Loudemilk and Eddie Diddle at the forwards; Sam Cook at center; and Bruce Tate and Bishop Fisher at the guards.

Following the Cardinal game tomorrow morning will be a tilt between Draekensby and Valley at 10:30 o'clock. The winner of the College High-Venice tilt will play the winner of the 10:30 game in the second round Friday afternoon at 2 o'clock.

Other titles booked for tomorrow include:

2:30 p.m.—Owensboro vs McCreary county.
2:30 p.m.—Breckinridge vs Williamsburg.
4:30 p.m.—Male vs Lawrenceburg.
7:30 p.m.—Brewers vs Dawson Springs.
8:30 p.m.—Inez vs Fort Knox.
9:30 p.m.—Maysville vs Campbell County.

Referees selected for the meet are Jack Thompson and Jack Yeager of Louisville, and Edgar McNabb of the Henderson County. Timers selected include Wm. B. (Big Six) Henderson of the John Schaar of Bellevue, J. V. of Owensboro, and John Green.

A REAL 'HELD-BALL'
College Favored In Region 5 Meet

Bowling Green, Ky., March 7.—Carrying the hopes of 17th District fans into the Fifth Region net tournament which opens tomorrow at Glasgow, the Cardinals of College High School will attempt to pick up the district's win streak where their city rival, Bowling Green High left off last year.

The Bowling Green Purples, regional champions for the past three weeks, were eliminated by College High in district play here last week.

College High, sporting a season record of 19 wins in 20 games, carries the favorite's role into the Glasgow meet, which sees the host school go into action against Franklin-Simpson in the tourney opener at 3 tomorrow afternoon.

Opposing College High in Friday night game at 7:30 will be Marshall Qualls' Martha Norris Memorial High five of Marrowbone. The Marrowbone boys bring a record of 18 wins and five losses to the meet.

Kentucky net fans who remember Ted Hornback's Corinth teams in state tournaments more than a decade ago will be watching with interest the progress of the current College High five. Hornback and his boss at Western Kentucky, Ed Diddle, have divided their time this season between the Hilltopper net team and the College High five.

Leading point-maker on College High five is Diddle's 16-year-old son, Eddie, who chalked up 242 points during the 20-game regular season. Eddie registered 44 points for his efforts in the three district tournament games. Frank Loudenmilk, Diddle's running mate at forward, registered 179 points during the season. Sam Cooke, Jr., center, had a total of 185, and W. B. Fisher, half of the speedy guard combination, scored 137.

Harold Ferdue's Franklin five boasts a season record of 21 wins against five losses, two of which were inflicted by College High. In Bob Sidwell's Glasgow team, which has a record of 8-15, Franklin will meet the most improved team in the tourney.

Valley Spills Drakesboro

Vikings Rally to Triumph, 43-37; College High Whips Vico, 47-35.

By PAT DELAHANTY.

McCreary County and Owensboro were tied, 31-31, at the end of the third period after the start of the second half had been held up 16 minutes while fire inspectors cleared the Armory of persons who were standing. The score was 22-22 at the half.

Herb Lewis' Valley High School cagers and Ted Hornback's College High of Bowling Green entered the quarter-finals of the Kentucky State high school basketball tournament this morning at the Jefferson County Armory by virtue of victories over Drakesboro and Vico respectively.

The Vikings knocked off Drakesboro, 43-37, and College High ousted Vico, 47-35. Five thousand were on hand for the event despite a steady rain.

It was Arthel George who sparked Valley to its victory. The diminutive forward chalked up 17 points to lead both teams. "Sonny" Humphrey, Drakesboro's leading scorer for the season, came through with 16.

* * *

Drakesboro took an early lead, scoring five points before the Vikings found the range. Bob Buckhead hit first for Valley. The first quarter ended 11-7 in Drakesboro's favor, but it was shortly afterward that Valley started clicking. With the score 16-11, and Drakesboro leading, George hit a long one, John Rashier dumped in one under the basket, Manion hit two buckets and Rasher and "Buddy" Murphy added two more to bring the score to 23-16 before Drakesboro talked again.

Football Schedules Cause Late Start For Larger Schools’ Basketball

Special to The Courier-Journal.

Bowling Green, Nov. 27.—The football tags are in moth balls in the Fifth region and basketball has taken the spotlight among high school athletes and fans with several games scheduled in this district this week and with the loop really getting down to business after the first of December.

The smaller schools—those without regular football teams and already in basketball—will have a large group of fans this weekend, even though the cause of football schedules, will go into action next week.

COLLEGE HARPUR

The College High Cardinals of Bowling Green are green to pry off their 1945-46 lid Friday night here against the Daviess County High boys, who were rated last year among the best teams in the state. The Cardinals, a power at the gridiron, have the squad, promise to field a more mature team this season with a little more young blood and men back from last year’s group. Frank Loudermilk, a high point maker last season, returns with Sam Cooke and Eddie Diddle, also regulars during the past season, on hand again. Diddle, son of Western’s famous coach, is, is quite young but experience gained last year is expected to make him one of the powers for the Cardinals.

SEVERAL LETTERMEN

In addition to this trio several lettermen are working out daily under the tutelage of Coaches Ed Diddle and Teddy Hornback of the Western High Hilltoppers. Diddle and Hornback are coaching the high school boys along with Western and it’s possible that some may be expected to field a team similar, in plays, to that of Western.

Cardinals To Play Strong Daviess County On Friday

College High’s Cardinal team will home against the sharp intruder from the Goebel County High boys Friday night at 7:30 at Western gym where the Western High School will have their second game of the season against the Daviess County High Cardinals.

The Redbirds who gave a good account of themselves last week against the Daviess County High boys, will be back on the court again, as all the team this year will have to work to make the material of the squad. Daviess County was rated as one of the top basketball teams in the state last season and has 1945-46 aggregations in the West Kentucky basketball circles last season, and are to be considered this year. However, there are several teams that have had some experience in basketball this year, and they will be the best team organizations in the area.

Cardinals Ready For Daviess County Tonight

The chips will be down in the first game of the season with the Cardinals against the Daviess County High boys tonight when they battle the strong Daviess County High team at Eastern gymnasium in the middle of the week. The Cardinals will be able to play Friday night, however, since they have a game this week with the Redbirds. If he is unable to go “Johnny Goodman” will leave the school this week with the Redbirds.

Four Coaches Ed Diddle and Ted Hornback are coaching the high school boys along with Western and it’s possible that some may be expected to field a team similar, in plays, to that of Western.

College High Wins Over Ethan County

By Jo Cotrell

College High’s Cardinals defeated their Ethan County High by 34-21 in the Western gymnasium Saturday night, November 30. The Cardinals came out of the first quarter unscathed and displayed good form and playing ability against the Ethan County High House of the District.

Frank Loudermilk started for the Cardinals and scored the first point for the Western High School. The Cardinals took the lead in the first quarter and never relinquished it. They scored 11 points in the second quarter, 9 in the third, and 9 in the fourth. The final score was 34-21.

Basketball

Daviess County High School

The Daviess County High School basketball team is working hard this winter under the guidance of Coach E. J. Blankenship, who is also the head football coach. The team consists of a good number of experienced players who are expected to do well this season.

The schedule for the Daviess County High School basketball team includes games against local teams such as the Green County High School and the Todd County High School. The team is also scheduled to play against teams from other districts, which will provide a good opportunity for the players to gain experience.

The team is currently preparing for the upcoming season and is working hard to improve their skills. The players are also focusing on their fitness and conditioning to ensure they are in top shape for the season.

Overall, the Daviess County High School basketball team is expected to have a successful season with a strong performance in both local and district games.
Gipe, Moberly Head All-State Cage Squad

With Maysville crowned the king of Kentucky basketball for 1947, it only remains to name the peers of the realm—the All-State choices—to complete the royal family.

However, the tournament winners from northern Kentucky's Mason County placed only one man—Bud Shoemaker—on The Courier-Journal's 1947 All-State Basketball Squad.

Here is the flower of Kentucky's basketball chivalry who were given the accolade by the newspaper's All-State Board after sifting votes of coaches, officials and writers: J. M. Gipe, Owensboro; Hal Moberly, Madison of Richmond; Edd DeCoursey, Wayland; Coy Creason, Brewers; Bobby McGuire, Hazard; W. C. Moberly, Central City; Billy Puckett, Clark County; Ed Diddle, Jr., College High of Bowling Green; Sherman Robinson, Louisville Male; and Shoemaker.

FIRST TIME

All are "men of distinction" for the first time although Gipe was a second-team selection, Diddle a third-team choice and Moberly, Moberly and McGuire honorable mentions last year. Edd Humston, Lawrenceburg's talented All-State center last year, was named to the second team of the current edition.

Gipe, Owensboro's six-foot-four pivotman, is captain of the team. The capable Demon center, who set a tournament scoring record with a total of 84 points during the past meet, polled the largest number of votes. Three out of every five ballots had Gipe's name on it.

Pressing him closely was Madison's clever center, Harold Moberly, who trailed Gipe by only two votes. Third in the race was Wayland's Ed DeCoursey who came out of the Navy last year to make a deep impression on attending coaches at the tournament. State runner-up Brewers representative at the Round Table is the Redmen's atom-sized bomb, Coy Creason. Creason is on of two juniors named to the star-studded collection; Shoemaker is the other. The rest are seniors.

NEAR MISS

Barely missing the premier squad (by two votes) and heading the second team is London's Joe Harper. Bracketed with Harper are Humston, Van Mathis of Brewers, John Renfro of Williamsburg; Curt Selvey of Corbin; Roy Brawner of Olive Hill, Clarence Mills of Inez, Roy Pate of Lone Oak, Barney Thweatt of Brewers and Ronco "Bobo" Foster of Owensboro.

ARE CREAM

Composing the third team are Henderson's Wilbur "Shorty" Jamerson, Magnolia's Bill Lomons, Greensburg's Claude Sharp, Dawson Spring's Jack Audas, Jenkins' Woodrow Crum, Harlan's Carl Eagle, Benham's Howard McCurry, Letchfield's Marion Raw, Knox Central's Truman Young and Maysville's Ed LeForge.

The Courier-Journal squad differs from the all-tournament team in two selections. Moberly and Diddle were named instead of Foster and Thweatt. Diddle is the only All-State who did not participate in the meet.

The ten players chosen are the cream of more than 5,000 boys who participated in Kentucky high school basketball this season. All are respected for their great competitive hearts, their polished play both offensively and defensively and their general all-around ability at Dr. Naismith's game.

Winning Kentucky's highest honor may be just a start for these athletes. Diddle and Gipe are reported headed for Vanderbilt; Moberly and DeCoursey move on to Eastern. The University of Louisville already set aside a place in its fall lineup for Moberly and E. "Shorty" Jamerson is also "spoken for" at Kentucky.
College High Beats County By 34 To 21

By MELVIN A. ROBES.

The College High Green, Coach Earl Shelton's Daviess County High School, was defeated by the hard-working College High County High School Cardiacs here Friday night, and were forced to bow to a better gain as the Red Birds downed the Owensboro 41 to 29. The contest was staged on the Western State Tennis courts before a large crowd.

Coach Shelton's gentlemen, with more experience than the rest of the teams in the Daviess County High district, were defeated by the Red Birds, 41 to 29. The Daviess County High team won the first half, 19 to 14 but the Red Birds outscored Daviess County in the second half, 22 to 15.

The Daviess County High team returned to the Indian's Nest before the next game which will be played on Tuesday night, when they play Rockport.

College Wins First Game of the Season

Scottsville By 45 To 13

The College High school Cardiacs claimed their first victory of the season on the Scottsville High team at 7:30 at Western gym last night. This victory was a hard-won one, since the Scottsville team was the strongest team in the region. The Scottsville team was defeated by the College High team in the first half, 19 to 11 and lost but one regular from their starting line-up. Coach John Warner, forward, and J. Smith, guard, were the only players left as the Scottsville team was defeated by the College High team.

The Scottsville team was defeated by the College High team in the second half, 26 to 13. This victory was won with a four-point spread, with College High leading throughout the game.

Crippled Cards
Play Greenville
Five Tonight
A crippled College High school basketball team was unable to make money to Greenville tonight to see the return of the victory of the Reds at the strong Muhlenberg county.
The Cards will be without the services of their starting five. Bruce Slate, whose illness will prevent him from making the trip. Slate's illness was first feared to be pneumonia, but later diagnosis showed he was suffering only from a deep cough. Slate has been laid up the last two weeks and although he will make the trip, he probably will not play a great deal.
Coaches Ed Diddle and Ted Hornback have been using Cooper Smith, Johnny Goodman and Frederick in practice sessions with Muhlenberg, Debele and Cooke, the regulars, and these six boys are expected to play tonight. If Fisher does not play Diddle will probably be shifted to guard position and Smith will fill his forward slot.
College High's team has suffered but one defeat this season. They were defeated by Central City by 10 points on Central City's court and no longer among their victims the Henderson five.
College High, a former Western boy, is principal of the Greenville school and most of the school chores fall on his shoulders. The Cards may have been more prepared for Greenville early this afternoon.

College High Defeats
Davies County, 44-21
College High School's Cardinals got away to a good start in basketball game with Davies County. The Cardinals led from the start and held the lead throughout. The game was a low-scoring affair during the first three quarters with the score tied at 21-21 at the end of the third quarter. The score then increased to 24-24 in the final period and the Cardinals went on to win the game 44-21.

Cardinals Play Calhoun Team
Here Tonight
After having suffered their first defeat of the season last night the Cardinals of College High prepared to get back on the victory road tonight at the expense of Calhoun College. The game was a low-scoring affair with the score tied at 20-20 at the end of the third quarter. The score then increased to 26-26 in the final period and the Cardinals went on to win the game 43-20.

Cardinals To Play At
Scottsville Tonight
The Cardinals of College High will play their eighth straight win of the season tonight when they go down to the Daviess for a game with Brad Musher's five. Early in the season, the Red Birds went down to Daviess and Diddle are not expecting anything unusual from their old foes today.

Cards Play
Franklin Team

A couple of teams with but one defeat margin each record will battle it out at Franklin tonight when the Simpson-Franklin five play host to the Cards of College High school.

This game is booked as the crucial game in the season for both teams and both aggregation are reported playing for this battle. The Simpson county boys have been swamped only by Cave City and that game came early in the season. When the Franklin boys had had but five days practice, College High fell before the onslaught of Greenville High last Friday night. Other than these two defeat the teams have made a clean sweep of all opposition.

For the Cardinals Loudermilk and Diddle will handle the forward post. Cooke will be at center and Fisher and Slate, the diminutive guards, will round out the team.

Coach Harold Perdue, in his first year as vacancy coach at Franklin, probably will start Downey and Clark at forwards. Evans, Atkins and Hinton and Cornwall guard at that point.

Cardinals Win

On January 25 the Cards of College High journeyed to Franklin where they foamed the Franklin Wildcats 45 to 31. This was the second defeat of the half, but the damage already had been done.

Sam Cooke, center for the Cards, played but about 13 minutes of the game being taken out in the second quarter when he accumulated his fourth foul and not returning to play until late in the game.

High scores for the Red Birds was Frank Loudermilk who tallled 17, followed by Diddle with 12. Downey forward, lead his teammates with 14 counters.

In a preliminary game the College Junior high team beat the Franklin Juniors by 25 to 21. The Little Birds attacked by Teddy Hornback jr., who garnered 9 points. Loudermilk center, tallled 12 for his team.

Tuesday night the College High boys will play Glasgow. The Cards are in a walkaway game for the Red Birds, Western gym and Friday they train for a return engagement with the Panther.

College High
Beat Franklin
By 45 To 31

College High school eagles won their 11th game in 11 starts Friday night at Franklin where they downed the Franklin-Simpson crew of Coach Harold Perdue by 45 to 31. The Franklin lads, who had been beaten but once this half season, were swamped in the first part of the game. The Cardinals ran the count to 19 to 3 at the end of the first quarter. College High made six points while the host team was gathering in a lazy effort. For the damage and the half-time score stood at 26 to 4.

The Purdue boys rallied in the last half and outsored the Red Birds by 28 points to 25. But the damage already had been done.

Sam Cooke, center for the Cards, played but about 13 minutes of the game being taken out in the second quarter when he accumulated his fourth foul and not returning to play until late in the game.

College High
Trips Scotties
By 46-18 Score

College High school will battle the related teams of Scotties at Western gym at 7:30 tonight in an attempt to clinch forth victory in 12 starts this season. While the Cards are favored to win, the Glasgow five, Coach Ken Stidwell's one time offensive team on the floor and the Red Birds will have to battle to eke out their third win in a row.

Glasgow has had an off and on season, playing some sparkling games while putting up ragged displays in other encounters. They have broken about even in season's play, but expounders of rough, hard tactics.

On the other hand the Red Birds are in excellent shape for their encounter tonight. They have recovered from a siege of illnesses. Fran Leach, Bobby Milan, Russel Fitch and Tiny Ireland will be paired at the forward posts. Scottie will hold down the pivot position and the diminutive guards are expected to be in their favorite roles.

The Cards have lost but one game this season—R. E. D. at Franklin in January. When they suffered that defeat slate was cut out of the Scotties and Fisher has just recovered from a siege of sore throat.
5th Region Fives Threaten College High Reputation

Special to The Courier-Journal.

Bowling Green, Ky., Jan. 17.—While the College High School Cardinals have taken their eighth victory without defeat, several other "coming" teams loom on the horizon in the Fifth Region as challengers to the Red Birds' reputation as the best team in the section.

The Red Birds have a first class record, but the boys, Coaches Ed Diddle and Ted Hornback experienced unexpected tough opposition. The Brad Mutcherson's Scottsville five and were satisfied to content with a five-point victory. Scottsville has several veterans on the team now and has met in three games, two to College High and the third to Edmund on Edmonton's floor. In the meantime they have found time to cook nine opponents, coaches in this region predict they will be hard to handle come tournament time.

Cards Defeat Russellville By 46 To 24

A baker's dozen victories were in the College High scoreboard book after the Cardinals defeated the Panthers at Russellville Friday night by a score of 46 to 24. Again, as in previous games, there was a single defeat, at the hands of Greenwood, mar the record of the Red Birds.

It was the same old story at Russellville. The Red Birds bounded into an early lead and never were in any danger. Led by Eddie Diddle, who scored 17 points, the Cards were ahead by 9 to 7 at the quarter mark; boosted the margin to 26 to 9 at the half and were vanning the Panthers from 36 to 13 at the three-quarter mark.

Diddle was second high for the winners with 11 points, while Hinton was top man for the host team with 8. In an earlier game this season, the Red Birds whipped the Panthers on the local floor by 34 to 20.

This year the Cards have taken the scalps of Daviess County, twiced; Scottsville; twiced; North Hopkins; twiced; Leitchfield, twiced; Russellville, twiced; Calhoun; Franklin; and Glasgow. Greenwood tripped the locals by 34 to 26 on Greenville's floor.

This week the Cards face three foes. On Tuesday night they journey to Nortonville for a return engagement. Thursday night they meet Franklin-Dimson here, and Saturday will be host to the strong London five.

Cards Meet Nortonville By 60 To 22

College High's Cardinals will be looking to continue a winning streak at Nortonville when they engage the Nortonville team in a return engagement.

Although the Red Birds defeated the Bulldogs by a 43 to 18 tally at the local gym on December 4, tonight they must best the basketball team as well as the local 13 flight. They will be seeking their third win over Nortonville in 14 games in the tussle tonight.

The Red Bird crew jet late this afternoon for the Bulldogs lair and, with the exception of a trio of boys with colds, the team is in good shape. Hinton, who tallied 22 markers in the first game against Nortonville, is expected to be handicapped, as he'll be out of the game:

The other two regulars, Loudermilk and Cook, will be at their forward and center positions, while Nortonville will probably start Woodward and Prove at forwards. Clark at center, and R. Hanley and Phillips at guards.

Tonight's game will be the first of three this week for College High. Thursday night they are to engage Princeton at Franklin-Dimson and Saturday night meet Franklin-Dimson at Leitchfield.

Bowling Green, College Add More Victories

Special to The Courier-Journal.

Bowling Green, Ky, Feb. 4.—Cards High, Bowling Green, Fisher, Scottsville and South Warren kept up their winning ways during the week as basketball thoughts turned to district tournament play.

Two of the above named teams have tasted defeat but one time during the season. College High has only a Greenville blemish to mar its record, while South Warren has captured every game but one, that tournament with ease at the hands of Daviess County at Owensboro. Scottsville's Pointers are getting better with every start and although having lost three games this season, averaged those defeats partly during the past couple of weeks by toppling Tompkinsville and Bowling Green. Prove (9-5) in close games.

Elvis Donaldson's Bowling Green boys have improved wonderfully since the beginning of the season and have hung up two victories after losing a close one to St. Lewis. Their most recent victories were a 42-20 win over the Frankfort-Simpson, a 44-35 victory Tuesday night and a decisive one over Daviess County High at Owensboro Friday night. The purple-shirted boys, although small, make up for their size in a big way and are expected to be in until the final bell in the Fifth Region play. Another team to be reckoned with is the 17th District projector Earl Kimbrough's South Warren Dragons.

WINS WITH EASE

These boys Saturday night captured the ninth annual Warren County Tournament with ease and besides tournament play have won 14 games. The Dragons boast of a rangy team and in St. Louis, forward, have a point-maker in the person of Bob Caine. Captain of the county tournament South Warren tipped North Warren 51-46, Princeton 37-30 and downs Richardson in the finals 46-26.

Drawings have been made for one district tournament in the Fifth Region. At Lewisburg an 18th District meet will get under way February 16. At this meet, Franklin will meet Chambers Chapel in the first game; Russellville drew a bye and Louisville and Ada will be battle the next round, Dusters have selected the Franklin team to try this tournament, with Ada probably offering the toughest opposition.

ONE-SIDED

College High won two one-sided games during the week. Tuesday night they ran away from Glasgow, 46 to 18, win. Friday night the Red Birds went to Russellville and whipped the Panthers easily 46-24. This week the Red Birds have a full Saturday schedule. Tuesday night they play Nortonville a return game at Nortonville; Thursday night the Cardinals will meet the Franklin-Simpson team here at Franklin-Dimson and Saturday night meet the strong London team at Western gym.
Cardinals To
Meet Franklin
Team Tonight

College High school will seek its second win of the season over the Franklin-Simpson team at Western gym tonight. If the Cardinals can win the contest, they will place the stand of the Cardinals back on the same level as the Franklin, and the win be a matter of confidence in the Franklin. The game is scheduled for 7:30. A victory tonight would put the cards in the lead for the season.

The team play tonight will be Diddle and Louden milk at center, and Fisher. Fisher will be the leader for the second time.

Cardinals Down London By 41-30 In 15th Win

Paced by W. B. Fisher and Frank Diddie, the College High Cardinals beat London 41-30 yesterday afternoon at Western gym for their fifteenth win in 16 starts this season.

Fisher, diminutive Card guard, counted seven field baskets and a pair of free throws for 16 points in leading the scoring efforts of his team, while Louden milk tossed in a dozen points for runner-up honors.

The Cats took an early lead and never relinquished it, having the visitors down 17-6 at the end of the first quarter, and 24-14 at the half. After the players were seated in the stands, the London boys cut the deficit to four points when Harper connected for three straight baskets to make the count 26-30. The Cardinals went into the final stanza with a 26-24 lead, and gradually stretched it to the final margin of 11 points. For London Cards registered 10 points and Harper counted nine points for the losers' scoring.

Tuesday night the Cards travel to Nelson County for a meeting with the Column and Friday, the locals will attempt to avenge their only defeat of the season when they meet Greenville at the local gym.

College High’s 3 Wins Up Cardinals’ Stock

Special to The Courier-Journal

Bowling Green, Ky., Feb. 11.—College High’s basketball prestige jumped another three notches during the past week when the locals emerged victorious, the final one, Sunday afternoon, achieved over the London High team by a 11-point margin. The Cardinals previously had defeated about everything in this section of the state with the exception of Greenup which hung a 34-26 defeat on College High when it was not at full strength. Outside of this game, the Cardinals have never been pushed under London’s spurt in the third quarter Saturday afternoon could be called a challenge.

Monday night the Redbirds journeyed to Nortonville and rang up a one-sided win by a score of 66-22. Tuesday night they tallied a good Franklin-Simpson team on the Western floor and came off with an easy 46-24 win. In the game Saturday afternoon the locals avenged London’s ranked 11th in the state, and were ahead at the break by 17-12 and left the floor at halftime vanning the Laurel County lads 23-14. With the beginning of the second half London came to life and stream within four points of the Redbirds, but at this point the Cardinals let out a notch and never were in danger again, winning by 41 to 30. Tuesday night the Cats beat the Barren County floor and Friday night will have a chance to average their only defeat of the season against 45 wins when they tangle with Greensboro at the Western Playhouse.
College High Eves Score With Greenville Five

By Herb Wallace

B. R. Fisher and Eddie Diddle were the doctors administering the pain on Greensville County High School in downtown Greenville Friday night at the Eastern gym.

The Cardinal won averaged the quint's only loss of the season suffered in a 34-24 defeat at Greenville. The Cardinals ended the night in a row for the local and their seventeenth in Huntsville this season.

Fisher, diminutive guard who took over Bruce Slate's position when the latter became ill, again led the Birds on the floor and in scoring with 14 points. Diddle also contributed a sparking floor game and registered 10 points despite an illness which kept him from practice for two days.

After knotting the game at 2-2 in the last seconds of the first quarter, the newsmen were headed only once in the ball game, that of 10-10 at the start of the second quarter.

Both teams picked up their concentrations for the floor with an abundant ball handling and rough and tumble scrapping over possession of the ball resulting in 14 personal fouls.

Fisher's dribbling and ball-handling was responsible for keeping the Cards in front.

Green and Royall and Todd of Greenville aided a large portion of the rebuffing and fixing on the Cardinals in the biggest baskets.

The Cards jumped to a 9-3 lead in the first quarter with Fisher, Diddle and South taking all the scoring. But Greenville cut the lead to 9-6 in the second quarter. Peterson grabbed one of the Cards' passes and hit the road in the Black Hawk in the second quarter. However Diddle's free throw and the count and Cooke put the cards ahead 12-11 in the first half.

The game could have been anyone's, with the Cardinals and with six minutes of the game all going in favor of the Cards - taking the lead. However, they succumbed to the balance of the Green County High Boys.

Bowlmg Green, Feb. 18. — College High School's Red Birds repeated their only defeat of the season on Wednesday night, when they handily defeated Greenville 37-24. Earlier in the season the Greenville cagers, on their home floor, whipped College High 34-26. Earlier in the single loss. In the last nine games College High has been victorious and is favored to cop the district and regional tournaments. Against Greenville the Red Birds were crippled. Bruce Slate, their sparkplugging guard, was absent due to illness. However W. B. Fisher, the other regular guard, stepped into Bruce's shoes and played a sparking floor game, posting 14 points.

Diddle Stars

Eddie Diddle, son of the ex-Evansville College High coach, also played a bang-up game despite having been ill for two days before the Greenville game. He stole the ball on three occasions and dribbled in for easy crispies and in all rang up 10 points. The tasted from their last game and in all rang up 10 points. The other guard, long shot, was also off in their point-making.

Greenville started out to make a fight of it and at one time was ahead to 9. However, the Red Birds then began to click and at the half were ahead by 11-15.

While College High was adding to its prestige as the team to beat, from other teams, however, during the week that they can not be counted out. Glasgow's Scottie, weak at the beginning of the season, played a bang-up game and in all rang up 10 points. Though they succumbed to the balance of the Green County High Boys.

COMEBACK

Friday night the Scotties came right back and now are 7-1 in the league.

Scottie Miller, although Mitchell's Scottie Miller, played a bang-up game and in all rang up 10 points.

The Cardinals, who have rapped the Blogger 43-28 in a previous meeting on the local court, were led by the power of College High at Calhoun.

Rock Birds Rack Up Easy Win Over Tennessee Five

College's high-flying Cardinals breezed to an 18-10 win over a badly handicapped Bolton High five at Arlington, Thursday night at the Western gym.

The Red Birds moved into a 13-6 lead at the start of the game and roostered their south in the ninth and eighth in nineteen starts.

Frank Loudermilk and Sam Cooke were the big guns on the Cards' scoring. But Bolton High cut the lead to 9-6 in the second quarter. Peterson grabbed one of the Cards' passes and hit the road in the Black Hawk in the second quarter. However Diddle's free throw and the count and Cooke put the cards ahead 12-11 in the first half.

Tourney Drawing Places Cardinals and Bowling Green In Same Bracket

Bowling Green and College High were paired, in the same bracket in drawings for the Seventeenth District basketball meet conducted Saturday morning at College High under the direction of Training School Director C. H. Jaggers, tournament manager.

Drawing of the two schools in the same bracket dashed any hope local fans may have fostered for a championship game between the two, which do not play during the regular season. However, a semi-finals meeting between the local teams does appear probable.

With the co-favorites in the lower bracket, South Warren, appears to be in as a finalist in the upper bracket. The Dragons, who have dropped only one game all season, have only to beat Alvaton and Richardsville, neither formidable foes, to reach the finals.

Selected as officials for the meet, which is to be held, February 28 to March 2 at the Western gym, were Herman Duncan and Webb Porter, both residents of Nashville who have called upon to beat two teams.

Allert Ross was named scorer and Charley Miller timekeeper. Prices for single sessions are set at $1.00 and 55 cents for students and adults, respectively. Season tickets are to sell for $3.00 for students and $3.50 for adults, season tickets are to be placed on sale at Herman Lowe's and Warren County Hardware.

South Warren is to open play in the meet against Alvaton in a single game at 3 o'clock Thursday afternoon, February 28. Thursday night games will pit Bowling Green against Alvaton at 7:30 o'clock and College High against North Warren an hour later.

Upper bracket semi-finals pit Richardsville, which drew a first-round bye, against the winner of the Thursday afternoon game at 7:30 o'clock Friday night. Winners of the two Thursday night games meet at 8:30 o'clock. Finals are to be held at 8 o'clock Saturday evening.

Seventeenth Net Meet Opens Here Tomorrow

South Warren, champion of Warren county teams and winner of 22 of 23 games played during the season, is to meet Alvaton in the opening game of the Seventeenth district net tournament tomorrow afternoon at 3 o'clock at the Western gym.

The two Bowling Green schools are not scheduled for first-round action until tomorrow night's session, Bowling Green meeting Bristow in a game at 7:30 p.m. to be followed by College High vs. North Warren.

Richardsville, only team not scheduled for action tomorrow, drew the only tournament bye and will face the winner of the South-Alvaton team in the semi-finals.

The Dragons of South Warren held two one-sided victories over Alvaton and are expected to experience little difficulty advancing to the semi-finals. Should the Dragons move into the next round as expected they would face another team in Richardsville that also has been defeated by them twice in regular season play.

Thus, to advance to the championship game, South Warren will be called upon to beat two teams, both of which it has beaten easily in two season games.

Bowling Green High, in its only previous meeting with Bristow, its first-round opponent tomorrow night, bested the county lads 42-18. College High has not played North Warren, its Thursday night opponent, in a previous tilt this year.

Should both Bowling Green and College High turn back their first-round opponents, their meeting in the tournament semi-finals Friday night would provide the feature event of the meet.

College High has been installed as the favorite in the tournament, which has been won for the past seven years by Bowling Green's Purple.

Semi-final play is scheduled to open at 7:30 o'clock Friday night with the finals at 8 p.m. Saturday. Officials in the tournament will be Hickman Duncan and Webb Porter, both of Nashville.
Win, Lose Or Draw with Herb Wallace

If someone were to have asked me several days ago just how many games College High and Bowling Green had met on the hardwood, they would have been completely stunned. However, to get the jump on the customers, I rummaged through about a dozen or more of our files in an attempt to get a complete record on the series, my previous basketball records having been lost or misplaced after I received the "Greetings." According to the most complete record I was able to obtain, the two local schools have played 11 times during the past 16 years, all of the engagements having been in district tourney play. Of those 11 engagements Bowling Green won nine. The first game was played in 1931, and, of course, the last meeting of the two was in the district last week. College High's first and only win before this season was in 1935 when the Cards took a 23-19 decision in the early rounds of the tourney. The two have played four times in the district championship games, Green winning all the finals games.

The largest margin of victory in the series came in 1931 when Bowling Green won a 36-14 decision with one of the best South Warren got history—Brad Mutchler, Charley South Warren, Red Carrado, James Hall, very unhappy that the bill. Jimmy Johnson, Fred Mann, Dick Mitchell, Robert Boggs, et al., few of the remarks in the letter. They think men talk and the right.

The effort of this district champ for the past seven years, meet Bristow in tonight's opener at 7:30 o'clock, and College High moves into action against North Warren in the second half of the Western gym. Of those 11 engagements Bowling Green won nine. The first game was played in 1931, and, of course, the last meeting of the two was in the district last week. College High's first and only win before this season was in 1935 when the Cards took a 23-19 decision in the early rounds of the tourney. The two have played four times in the district championship games, Green winning all the finals games.

If you have old-timers can think of more Bowling Green-College High games than are listed below, the writer would appreciate hearing from you.

Here is the series:
1931-32: Green 66, College 14
1932-33: B. Green 22, College 21
1933-34: B. Green 19, College 18
1934-35: B. Green 31, College 18
1935-36: B. Green 27, College 16
1936-37: B. Green 35, College 20
1937-38: B. Green 35, College 20
1938-39: B. Green 40, College 28
1939-40: B. Green 29, College 24
1940-41: College 41, B. Green 28

Found: A reader—Believer it or not, someone has come right out and admitted reading the humble efforts of this scribe—Mr. and Mrs. Briggs Stahl. Rockfield residents have been following this column right down to their knitting in a坦ably to "The Editor," referring to Ole Herb as "someone who calls himself a sports writer." The editor raised it above in the editor, but due to the fact that several comments made by the South Warren fans border on libel, I decided for the best interest of all concerned not to comment on the letter. South Warren was not wronged by the comments, it is true. It was made the other day that College High was the first team in the history of district tourney to place all five of its players on the All-star team. To me, that is bright, young ad man, checked us out. "Says some clubs have talent, too. We've got basketball and football at Bowling Green said he believes. Bowling Green High had placed five men on the honor team a couple or three years ago, and he was absolutely correct. It was not later than 1944 when all of BOWING green's first team was selected on the team. Those boys were Emerson Milton, Bobo Dimples, Dick Humes, Jim my Bohannon and Charley Parrish.

BOWING Green High, defending champ, and College High, ruling favorite, will both see action tonight as the Seventeenth District tourney moves into its second session at the Western gym. Opening play in the tournament this afternoon featured South Warren, favored to reach the finals in the upper bracket, in a game against Alvord. The Purples, district champs for the past seven years, meet Bristow in tonight's opener at 7:30 o'clock, and College High moves into action against North Warren in the second half of the Western gym.

All hands were reported in good shape at Bowling Green High this morning, and Coach El DeMallion will start his usual five composed of Musgrave and Johnson at forwards, Floyd at center, and Cook and French at guards.

The Purples played Bristow in their opening game of the season last December and turned back the county boys 42-10 on the Bowling Green court.

College High's hopes of breaking this year's bowling teams in the district, were bolstered somewhat today, with the return of Bruce Stale, star guard who had been out of action for two weeks because of illness.

Stale, who sparkled the Cardinals during most of the season in which they won 19 of 20 games, is expected to start in tonight's game against North Warren. Other Card guards probably will be Londermilk and Diddle at forwards, Cooke at center, and Fisher at the other guard. Should both local schools advance with wins tonight, they will meet in the semi-finals tomorrow night, which promises to be the tourney highlight.

Winner of the South Warren-Alvord game this afternoon will meet Richvichville, which drew a bye in the opening semi-final session tomorrow night at 7:30 o'clock.

Battle Of Brushes

1941-42 and 1945-46

college High supporters following victory of their Cardinals over their arch rivals, the Bowling Green High Purples, Friday night decided to "paint the town red." They started on the campus of the Bowling Green High and didn't leave until they had run out of paint. The score of the Friday night contest—41-28—was smeared on all of the buildings of the public school system campus by the pranksters.

Last year the procedure was reversed. It was the Purples who were victorious by a score of 39-24 in a tournament tilt, and it was the building of the College High Cardinals whose doors were the next morning adored with the telltale writing.

Whatever the object of the youngster's prank, it met with the unanimous commendation of officials of the schools. Both were quick to point out that the acts were possible to any one or two "hooligans" and "hooligans" has no real affiliation with the institutions.

The prank, however, could be looked on only as an unfortunate after- effect of an athletic conflict, and the feeling of sportsmanship was exalted by participants and spectators alike. School officials lamented the advent of the "pranksters" but they did not reprimand.

And so ends another chapter in the "Battle of Brushes.

Local Schools Win Openers To Advance

By Herb Wallace

The climax of the Seventeenth District basketball tournament as far as Bowling Green fans are concerned was reached last night when the Cardinals of College High and Richvichville met in a game which was decided in a semi-final tilt at the Western gym.

Setting the stage for the net of another tourney which will climax in a district champion each season, the Cards and Richvichville met Friday night by opening-round opponent last night. Although Bristow put up a stiff fight, it was defeated by the 11-point lead of the affair all the way and lossed the game to Richvichville in the opening tilt of last night's session, probably will be the tourney highlight.

Winner of the South Warren-Alvord game this afternoon will meet Richvichville, which drew a bye in the opening semi-final section tomorrow night at 7:30 o'clock.

In the tournament opener yesterday afternoon South Warren got 21 points in the upper bracket, fateful. Hollond Miller of the Cards, Floyd, whom a much larger score had first person playing, stayed in the game longer.

South Warren defeated Richvichville tonight in the opening of the lower bracket for 27-20, with Bowling Green leading by a 30-point, defensive effort for more than two weeks, retaining a play in the last 10 minutes of the game. The Cards scored 12-24 in the last half.

Bruce State, ace Cardinal guard who had been sidelined with illness for more than two weeks, returned to play in his last half. He registered 10 points, one of them Frank Fisher, who was runner-up to Diddle in scoring.

Hatcher, North Warren center, scored the only points in Richvichville, losing spear. North Warren star left early in the second half

South Warren winning the best of play any of the first-round losers for its win, but the outcome nevertheless was far from certain.

With Floyd contributing three baskets, the Cards moved in a grass pinch, the Purples went against the wrong. With 6-9 lead by halftime the Purples led the game until the third period commanded a 31-16 margin.

Following Floyd in the Purple scoring was Maurice Pope and Cook with six, M. Hendrick hard hit-11 points for the losers.

South Warren was just too much for the whole second half of the afternoon. The Dragons were paced by 10-9 lead had held the point, and Bryant with 8, Isbell with 7, Bryant with 8, Isbell with 7, and Britton with 6.

With Fisher, other half of the College High, quickly guided control, missed last night's game in Richvichville, but probably will be the tourney highlight against Richvichville.

College High Breaks Purple String
In 41-28 Tilt Before 3,000 Fans

By Herb Wallace

Approximately 3,000 spectators, the largest gathering of high school fans ever, watched College High erase Bowling Green from the running for its eighth consecutive Seventeenth district crown

Friday night at Western's gym.

The Cards held the upper hand all the way in taking the semi-finals tilt against South Warren, and South Warren had little difficulty gaining its first berth by eliminating Richmond at 57-23 in the opening game of the season.

The well-behaved but enthusiastic crowd, which turned out for the Bowling Green-College High meeting not knowing exactly what to expect, saw the favored Cards take an early lead and dominate play throughout the feature tilt.

Not until after 15 minutes of play in the game had elapsed was Bowling Green able to connect for a field basket, and the Pipers were limited to only two the first half—both by Bobby French, diminutive guard.

Bowling Green was trying to hit from far out during the first half and the College High boys were grabbing all the rebounds under the Purple basket. During the final half the Purple rebounding work was greatly improved over the opening period.

Going into the half with a 29-9 lead, the Cards were able to increase the margin only two points during the closing quarters as the two teams played on nearly equal terms.

Both teams were tense at the start of the fray, with Bowling Green, Green, fouling freely and College High missing them as freely. The Cards counted only nine out of 22 chances from the free-throw line.

Eddie Diddle and Sam Cooke missed two free throws at the start of the game before R. D. Floyd of Bowling Green opened scoring with a one-pointer. Ellery, ace Cardinal guard tied the count, and Frank Loudemilk got the Cards ahead at 3-1 with a follow-up shot after three minutes of play.

After taking the early lead the

Cardinals Capture District Net Crown

By Herb Wallace

Having disposed of Bowling Green High, defending champion in the semi-finals, College High boys rolled along to the championship of the Seventeenth district by beating South Warren High 52-33 in the final tilt at Western gym.

Opening an anti-climax for the Red Birds, last night's championship game saw the Cardinals shown up and play a better brand of ball than they displayed in the night's finale against Bowling Green.

College High started fast and ran up a 6-0 lead before the South Warren boys got in the game. However, the Dragons steadied and made the Cards pay for what they got in the second period.

The Cards moved into the first quarter with a 13-3 lead and South Warren down 20-10 at the end of the first half.

Moving away during the third stanza, the champs established a 21-point margin at 42-21, and maintained that edge to the final buzzer.

It was the Cardinals first district win in eight years, and the Red Birds will now regional play next week against the winners of the Eighteenth, Nineteenth and Twentieth Districts.

Frank Loudemilk opened scoring for the Cards with a one-hander from the foul line, and W. B. Fisher counted on a fast break. Eddie Diddle followed in a follow shot to run the count to 6-0 before South Warren's all-tournament forward scored for the Dragons with a peri.

Loudemilk and Diddle each had 12 points to lead College High in scoring, while Stahl and Proctor, 10 each, counted 11 for the Cards. South Warren hit 10 from the floor.

The finals last night was the second for South Warren this season, the Dragons having entered the tourney with a record of 14-3. In 23 starts during the regular season, the Dragons scored 43 points and lost only twice, winning in the first round and losing in the first semifinal.

Named were Cooke, Diddle, Loudemilk, Fisher and Stahl; the Keys were Dunham, Thompson, Pressley and Reese; the Coaches were Diddle, Johnson, Miller and Stahl; and Upham of South Warren, and Jenkins of Branson.

Cardinals Prep For Regional Net Tourney

Taking the floor yesterday for the first time since they annexed the Seventeenth District crown Saturday night, the College High Cardinals put through a stiff drill session by Coach Teddy Hornback.

The Cards, who were not in top shape for the district meet, should enter the regional at Glasgow with all their performers ready to play. W. B. Fisher, who missed one district game and had to be used at intervals, in a record, has recovered from his recent illness, Bruce Blake, other half of the flashy guard combination, also should be in better condition than he was for the local tournament. He played in the meet after missing the last four games of the season because of a cold.

College High was red hot in its drill yesterday, with all members of the five pouring in baskets against the recruited during an offensive workout.

Hornback planned to take the Cardinals to Glasgow this afternoon and again tomorrow afternoon to keep the gym where the tournament will be played.

The Cards are to meet Martha Norris Memorial High of Marion in a first-round game Friday night at 7:30 o'clock. The other first-round bracket calls for a meeting between Glasgow and Franklin at 8 o'clock Friday afternoon. The championship game is slated for 8 o'clock Saturday night.

Saturday's district crown was the first for the Cardinals since 1937, when they last won the regional meet.

The higher price was suggested in order to keep the crowd down. Does that make sense to you? It didn't to me, with a gym here that would accommodate approximately three times as many persons.

After all, instructors of the schools involved, students and townspeople who support the game all season should be given a little consideration. Undoubtedly there will be more and more people willing to pay the prices to fill the Glasgow gym, but, on the other hand, there are going to be some who may not attend because of the fee.

College High, which will carry hopes of the Seventeenth district to the Fifth regional net meet Friday at Glasgow, will enter the tournament with a better record than ever carried to a regional. During the season the Cards posted a 19-1 record, scoring a total of 681 points for an average of slightly more than 44 points per game, while holding the opposition to a 34-243 points per game average.

Leading the region in Bird scoring is Eddie Diddle with a total of 243 points, 74 more than his nearest competitor. Three other members of the first five, or 18, except Bruce Blake, who missed several games because of illness, have scored more than 100 points. Following Diddle in the individual scoring is Frank Loudermilk, his forward running mate, with 179. While T. Hornback's center has marked up a total of 163, W. B. Fisher is fourth with 157, and Slate has 99 points in 14 games.

During their three games in the district the Cards ran up a scoring total of 154 for a 33-point average, while holding opponents to 41 points in the three tilts. Diddle again paced the College High aces with 44 points for an average of slightly less than 15 points per game, Loudermilk and Slate each scored 33 points per game average in the district.

Regional Tournament Told  
Duck Ray And Dee Gibson Back In Fold  
Murray Beat Western Four Times In '32  
Before Louisville Did It To Local Crew

If you have a few minutes to waste and care to reminisce, we'll roll back the pages about 20 years and give forth with a little regional tournament history. It's been a colorful event, that for the great part of those 20 years climaxied the local high school season. Five times during the past 20 years the meet has been held outside of this city. Glasgow having entertained the tournament three times before this season and Horse Cave and Franklin once each. The meet never has produced a state champion in boys' play, but the region the two state championship teams back in the days of D. and V. Chaney, Chapman, Coops, Mitchell, Laram and the Frank Petersens, before attaining the throne, the woodburn girls had copped one "B" team state title. Those were the days when the "B" and "C" class championships met in the finals for the title. This foolish class business, placing the smaller schools in a "B" class was discontinued after the 1933 season.

Girls' competition was discontinued after the 1932 season, which was Woodburn's only as state champion... During the period Bowling Green High, by virtue of winning the past three years, has sent the strongest representation to the state meet in boys play than any other school-five. Tompkinsville, which had four in a row from 1932 to 1935 when Albert Ross the helm, is second to the Purples in championships, while Central City is the only other team to win more than two. The Golden Disc won three champs to the state meet from the South during the period. The High has had two, and one time winners of the Dist. 5 championships, was Owensboro, Lewisburg, Olmstead, Cave City, Franklin and Woodburn. Here are the finals games at a glance:

1930--B. Green 13, Rich Pond 10 (boys); Smiths Grove 19, Franklin 4 (girls).
1931--Tompkinsville 30, Olmstead 23 (boys); Woodburn 20, Rich Pond 17 (girls).
1932--Tompkinsville 35, Olmsted 11 (boys); Woodburn 37, Sick Rock 10 (girls).
1933--Tompkinsville 24, Summer- 
1934--Tompkinsville 21, McHenry 15.
1935--Tompkinsville 21, Cave City 18.
1936--College High 25, Tompkinsville 20.
1937--College High 26, Tompkinsville 24.
1938--Lewisburg 40, Summershalde 16.
1939--Olmstead 43, Tompkinsville 32.
1940--Cave City 35, B. Green 29.
1941--B. Green 26, Lewisburg 22.
1942--Franklin 34, Glasgow 27.
1944--B. Green 37, Scottsville 27.
1945--B. Green 18, Scottsville 18.

By glancing at the scores you can see that Tompkinsville had a final list seven out of eight years from 1932 through 1939. The 1935 meet, which was won by Bowling Green, was held in Franklin and was called the Third district. However, the winner went to the state tournament at Lexington, where it dropped a 36-36 decision to St. Xavier.

Twnog Fred of Bowling Green High won the sportsmanship trophy in the 1937 event when the Purples were defeated by Owensboro 25-24 in the class "A" finals. In that year the tournament was known as the Second Region. It became the Third Region in 1938, and the tournament was held the next year in a Horse Cave for the first time and only during the week. In 1939 the region became the Fifth and has remained such each year since that time. After Horse Cave entered the tournament in 1932, it returned to Bowling Green to stay until 1941 when Glasgow became host for three consecutive years. In 1944 it moved back to Bowling Green High and last year was conducted at the Western gym, which has been the site of most of the tournaments... of the six local teams (Bowling Green four and College High two) that have represented the region in state play only one has been able to advance beyond the first round. Last year Bowling Green made it to the quarterfinals.

Maybe you basketball bugs are more interested in ancient history than I thought. At any rate, nice coming out with the regional dope several days ago. I have received several requests to run down the local district tournament history, and so far have been able to get back as far as 1929 when the regional and district were one and the same and known as the Third District... Only three teams have shared in the championship honors in boys' play during the years, while only two girl teams have shared the crown from 1929 until play was discontinued in 1933... Bowling Green High with 13 championships has dominated the winners circle and College High and Woodburn, each with four championships, are the only other teams to gain the crown.

In girls' play Smiths Grove was champion for three years running, and Woodburn took the last four district meets. in which the ladies participated. During the 21 seasons Bowling Green never dropped a finals game.

In the eight years the Purples the right to vote for whom we failed to take the crown they were eliminated in game five of the state tournament next week at Louisville. Outliers in the Region are to be Bill Utsey of Madisonville and Brad Mitchler of Scottsville.

Cardinals Open  
Regional Play  
At Glasgow

College High's Cardinals today awaited the opening action in the Fifth Regional basketball tournament at Glasgow against Marrowbone.

Opening play in the net meet was scheduled for 3 o'clock this afternoon between the host school and Franklin-Simpson. The College High-Marrrowbone game is booked for 7:30 o'clock tonight.

For the past two days the Cards have been working out at the Glasgow gym, and Coach Ted Hornback is well pleased with the way his boys took to the Glasgow floor.

College High will be in top physical condition for the regional meet. Both Bruce Sklar and W. B. Thomas, who were bothered with colds during the season, are ready to go at top speed.

In addition to the guard combination, the Card starters will be Eddie Diddle and Frank Loudermilk at the forwards and Sam Cooke at center.

Other members that will make up the tourney roster are Kenneth Fleener, Johny Goodman, Cooper Smith, Tommy Perkins, and Teskie Harris.

Coach Hornback was to leave for the Journey site in time for this afternoon's game, and the Cardinal squad was to follow later in the day under the direction of Coaches Ed Diddle and Dero Downing.

Winners of the two games today are to meet for the championship in a frame Saturday night at 8 o'clock. Winner in the local region plays the Sixteenth Regional champ in the open 2012 Regional tournament next week at Louisville.

Outliers in the Region are to be Bill Utsey of Madisonville and Brad Mitchler of Scottsville.
College High School's Cardinal netters swept to the championship of the Fifth Region, thereby gaining a spot in the state tournament basketball tournament at Louisville, by downing a scrapping Franklin team by 43 to 34 at Glasgow Saturday night. Pictured above are: first row, W. R. Fisher, Johnny Goodman, Sam Cox, Frank Loudermill, Eddie Diddle and Tracy Slate. Second row: Cheerleaders Barbara Howard and Billy Harris, Kenneth Fleener, Tommy Redford, Cooper Smith, Jr., and Cheerleaders Will Roy Coleman and Mary Ann Richardson. Third row: Horace Miles, Coach Ted Horshack, Bobby Perkins, Tissie Harris and Thomas Perkins.

**College High And Franklin Capture Opening Games In Fifth Region Play**

By Herb Wallace

College High moved into the tournament quarter and took a 34-14 decision from Murobbow in a game played Friday night at the Glasgow gym. The local Cardinals followed Franklin-Simpson into the championship bracket, the Simpson counties having eliminated Glasgow 34-24 in an afternoon game that waxed rather warm during the closing stages.

The Cardinals played a championship brand of ball in the opening quarter to run up an 18-4 lead over the Martha Norris boys and never were in danger, although the loons began hitting with regularity during the final minutes.

Frank Loudermill, who counted 16 points, in leading the Red Birds to their win, was a one-man scoring machine in the opening minutes of the game. He started eight of the Cardinals first nine points to knock the wind out of the Murobbow boys. College highs moved in front by 12-1 before Stevenson, Murobbow center, batted in a fellow shot for the loons' first fielder.

The Cards were slowed somewhat in the second period and took a 26-18 margin into the intermission. The third quarter saw the locals again go on a scoring spree to lead by 43-24. This margin was increased during the final quarter to 49-24, before a cooling Murobbow hot streak cut it to the final count.

Stevenson tallied 18 for the loons.

Here Is List of Teams By Regions

DEAR HERB:

It was with interest that I read your column in today's (March 6) issue of the Park City, particularly the part pertaining to "Franklin Cuts Off Noise to Spike Pass." One word will answer your question as you seem to be so in the dark as to why—political. In fact this word will answer nearly all of the ill of the world today or the why of the world's troubles.

"Franklin has for the past number of years been trying to get a regional meet here. They have not only cleared the city of nearly 1000 people but two gymnms. The city gym will seat over a thousand and with standing room and crowding, etc. over 1500 can see a game. This is my idea of Glenn County's capacity.

Franklin as I understand it went to Bowling Green last Sunday and found that Duddle or Hornback already had been playing politics and the Marrowbone vote sewn up. Franklin offered to flip—so to—see if the tournament be held in Franklin or Bowling Green and to vote with them, but Bowling Green said no. This left Glasgow and Bowling Green both out on a limb so they flipped a coin to see if they would vote for Franklin or Glasgow. Glasgow lost and was obligated to vote with Bowling Green, Glasgow then beating them. Bowlin g Green said no. This left Bowling Green and Bowling Green both out on a limb so they flipped a coin to see if they would vote for Bowling Green or Glasgow. Glasgow beat them. Bowlin g Green has never had a team meet held in Franklin or Bowling Green or to vote with them, but Bowling Green said no. This left Bowling Green and Bowling Green both out on a limb so they flipped a coin to see if they would vote for Bowling Green or Glasgow. Glasgow beat them. Bowling Green then beatin g Glasgow. It is my idea of Glenn County's capacity.

Dear Herb:

I want to congratulate you on the fine report you have submitted to the readers of the Park City. You have truly told the story of the history of the Glenn County.
Breck Edges Male 144 to 142

Final Courier-Journal Poll Shows Vicco 3d, Russell 4th

By DEAN EAGLE, Courier-Journal Staff Writer.

Breck and Male! That's the way it started early in January and that's the way it ended.

It came close to being a photographic finish did this final poll of The Courier-Journal regional writers. Breckinridge Training School of Morehead, the leader all the way, was given 144 votes - just more than two more than Louisville Male. Male eked out a 47-45 victory over Breckinridge Saturday night at the Armory here, and the Poll-Cats knew this. They probably weighed the home-floor advantage to Male and believed the testimony of Morehead fans that Breck was not up to its usual efficiency.

However, the ratings were made before Breckinridge's second loss - 31-25 to Olive Hill. Had they known this later development, Male might have been in first place and might not have been. At any rate, Olive Hill's prestige would have been in for a rise.

Breckinridge followed the same path in downfall as did Male. Male won 18 in a row, then bowed to Dayton 35-34 and St. Xavier 34-32. Breck captured 19 straight and also lost two in a row. The two now have identical records of 19-2.

Male (26-4) to the No. 3 niche in the final Big Ten despite its 48-44 loss to Wayland. Russell, victor recently over Greenup, Oil Springs and Ashland, boosted its record to 25 wins against three losses and climbed a notch.

Frankfort (16-2), which has weathered some rather stormy opposition in its last five games - Paris, Danville, Kavanaugh, Versailles and Georgetown - continued to gain favor and rose from seventh to fifth place.

Central City (21-5), upset 67-32 by Owensboro, fell from fourth to sixth. Dayton (16-7), Owensboro (14-3), College High of Bowling Green (18-1) and Olive Hill (31-8) round out the top ten. Sunday the 1-2-3 picks of the Poll-Cats in their own regions were made.

College High (18-1), which will be announced.

A REAL 'HELD-BALL'

By Times Staff Photographer.

From the start, play in the Kentucky high school basketball tournament which opened this morning at the Armory was close and tight. Scrambles and scraps for the tall under the baskets were common such as this in which Dupress of Vicco is tied up by Sam Cooke, a member of the College High team of Bowling Green. Ed Diddle of College stops short to stay out of the tangle.

Kentucky High Finalists Boast 22 and 4 Marks

Dawson Spring's 26-1 Leads; College High, Breck' Follow

By DEAN EAGLE, Courier-Journal Staff Writer.

If brilliant records ring true to form, there should be some fancy doings at the Jefferson County Armory here this week-end when K.H.S.A.A. Secretary Ted Sanford pulls up a chair alongside other members of the Board of Control and tells the Big Sixteen: "Aw right boys, let's see who's gonna carry this thing (trophy) home?"

Just in case you're statistic-minded or figure-happy, here's the show: the 16 regional champions have won a total of 365 games and lost only 74. That's an average of 8.7 more than 22 scalps apiece and just a little over four losses.

Of course, it's the type of competition that counts, but some credit is must be given for the winning habit, and that is what a majority of the teams had plenty of.

DAWSON TOPS

The mark that outpaces them all is Russell of Breckinridge, contender from the Second Region, who was successful in defending its regional crown. Dawson has lost only one game while winning 26, including tournament play.

College High of Bowling Green, up from the Fifth Region, has the next nestest mark, having won 21 and lost only one.

In the third niche is Breckinridge Training School of Morehead, winner of 24 out of 26.

Owensboro, Male and Campbellbell County have lost three each. Fort Knox, Lawrenceburg, Williamsburg and Vicco four each, and McCarey County has come out on the short end five times. Inset has suffered six casualties but is second in the number of games won to Vicco with 26. Vicco has triumphed 32 times.

Don't let records that are not so sensational throw you off on the tournament odds. Letchfield, Central City and Bremen will vouch for the fact that although Drakesboro, representative of the Fourth Region, has lost 11 games while winning 21, the Drakes are plenty tough.

Bowling Green, Ky., March 12—College High, displacing Bowling Green High as representative of the Fifth Region, has brought a string of 16 straight wins to the state net tourney at the Louisville Armory.

Including tournament games in district and regional tourney, the Cardinals have amassed a record of 24 wins against a single loss for the season, their only defeat coming January 18 at the hands of Greenview.

In posting their sixteenth straight over Franklin-Simpson in the Regional final last Saturday at Glasgow, the College High team was in trouble during the first half, but were able to pull away from the Simpson County duo to score a 42-28 victory.

The trip to this year's state meet will mark the third appearance of the Cardinals in state play. The Red Birds, under the tutelage of Bear Lawrence, made the select 16 in 1936 and again in 1937, dropping first-round decisions on both occasions.

Have Speed.

Coach Teddy Hornback's current College High five has combined speed and height to advantage in hanging up its outstanding record. Frank Londermilk, a forward, and Sam Cooke, center, are both over six-feet, three-inches in height. Eddie Diddle, other forward and high scorer for the team with 394 points, is slightly over six feet.

Dricing their 25 games the Cardinals have registered 1,330 points for 627 to the opposition, 249 of the Cards' points coming in their five tourney games.

Following Diddle in the individual scoring are: Londermilk with 233 points, Cooke with 194, Bishop Fisher with 193, and Bruce State with 141.

In advancing to the state meet the Cards were pressed only in the regional final, in which they breezed by North Warren, had a little trouble with Bowling Green in the semi-finals, and disposed of South Warren handily in the finals. Before meeting Franklin in the regional championship, the Cards ousted Mentor Norris of Marrowbone 51-34.

ted to the second round of the state championship basketball tour-
ney by downing Valley, 47-35, in the opening tourney game this morn-
ing at the Armory.

Little Fisher was definitely hot, and through his efforts the Cards tacked on an early lead and never were threatened. They had Vicco on the ropes before the end of the first quarter.

It took Fisher a little time to get his sights adjusted, but when he did, he rang the bell for three fielders in the first period, which ended with the Red Birds on top by a 14-3 margin.

By costing the mountain school, the Cardinals equalled any previous Bishop Fisher's effort in the state meet, and by virtue of their showing in the Vicco game, the Cards are favored to win their second game against Valley. The side-
finals are pitched on a margin of 2-3.

The Cards played the best game that they have played during the tail-end of the season, and had Vicco hopelessly outclassed during the first half. However, the Mountainers all but made an issue of the affair during the closing two periods.

Sam Cooke, Frank Loudemilk, Bruce Slave, and Eddie Diddle, were rebounding for all that was in them in the game, with the aggressive slave kid jumping up to battle with Vicco's biggest boys.

Fisher missed two set shots to start the game, and then Diddle muscled one, but the former came back to knock out a long and added a clip to make the count 4-0. Cooke stripped and Slade added a free throw to make the margin 7-0 before Shively counted with the initial Vicco basket.

Loudemilk contributed a couple of two-pointers and Fisher hit a long shot before the end of the period to run the count to 13-4. By half time the Cards had a 20-13 lead.

During the third period the Cards make 19 points and Vicco counted with 14 to make the stanza a scoring game.

At the four-minute official time out, the Cards had a 44-28 lead and were playing a delaying game. They probably could have run the count higher had Coaches Teddy Oglesby and Ed Utley been allowed.

The Card sub played during a greater portion of the period. The Red Birds Meet Valley 21-14, as Bishop Fisher said, before Vicco could ever get over tomorrow, it will be the first time a Bowling Green team has ad-
anced to the semi-finals of the state meet.

Following Fisher in the Card scoring parade today was Diddle with 10 points and Slade with eight. Diddle hit four of the one-pointers in five tries.

Shively and Barker were the big guns for the losers with 12 and 11 points, respectively. Most of the Vicco baskets were one-handers pitched in from far out.

The Valley High Knights of Jeff-
erson County eliminated Drakes-
boro 47-35 to make the second round of the tournament.

The Knights had to pull from behind as Drakesboro dominated play through the first two quarters. The score was 17-1 at the first rest period but Valley pulled into a 23-21 advantage at the half. The winners increased to 33-25 at the third quarter.

A couple of three-pointers, a hooking forward, led all scorers with five. Shively accounted for four of the five. The Cards are favored for the remaining game.

Breckinridge Places 2 Players On All-State Basketball Squad

By DEAN EAGLE, Courier-Journal Staff Writer.

While the fireworks behind Dawson's success, his ball-handling artistry and accurate shooting moved his team right along to the No. 2 spot in Kentucky basketball. He was one of the high pointers of the meet with 63.

**HIGH SCORER**

Adept from long or short range, London's Combs was another who had plenty of scoring punch. He ran up probably the highest total in all Kentucky last season-524 points.

As he led Brewers to an upset win over Paducah Tilghman repeating. He led Brewers to a hard fought win over Paducah Tilghman last season-524 points.

Rounding out the second in the All-State cage squad, two did.

Board of Control, The Kentucky High School Athletic Association

Members of the Board of Control along with great numbers of other school men and interested parties are becoming increasingly alarmed over the violent breaches of sportsmanship displayed at so many of the games played this season. Recent disciplinary action was taken by the Board penalizing member schools when very likely the greater portion of the blame should fall on unruly spectators over whom school authorities have little or no control. Almost vicious criticism of officials seems to have been the rule in many sections of the state—the criticism coming from those who refuse to accept any decision that is not flagrantly favorable to the team supported by the hecklers in question. In most cases the most unreasonable criticism comes from those who never blew a referee’s whistle and have no conception of accurate decisions. Recently newspaper columnists of our state have called attention to this sad state of affairs with the attendant warning that the whole sports program will suffer unless conditions improve.

The State High School Basketball Tournament brings together the better teams of the state; sportsmanship and conduct of all who attend should be in keeping with the type of play. The tournament gets bigger every year—it should become better as well.

Tournament History

The winners of the Kentucky State High School Tournament during 28 years have come from eighteen different schools. Representatives of the large schools have capped the lion’s share of the championships, Lexington winning five times, Manual four, Ashland three, St. Xavier two and Male one.

Here’s How They Started in the Regionals

The Lucky? Sixteen Teams in this tournament had a mite of passing, guarding, rebounding, dribbling, shooting, etc., to survive the rigors of district and regional play. In the sixty-four teams listed below were several other than the sixteen winners, who would have made worthy representatives of their regions here in the Armory. A number of strong combinations were eliminated in the district meets, among whom were: Central City, Lone Oak, Scottsville, Anchorage, London, Benham, Dayton, Covington, Hazard, Paintsville, Prestonsburg, Elizabethtown, Lafayette, et al. Lady Luck is not always kind!

Cardinal Five, Under New Coaches, To Play North Warren On Tuesday

The College High Cardinal quintet, coached this year by Ted Hornback and R. E. Diddle, will inaugurate their 25-game schedule here Tuesday night when they take on the strong North Warren high club, undefeated in five starts.

Site of the first game will be announced later, pending the being done on the Training school gymnasium floor. It is possible that the strong North Warren high club, undefeated in five starts, the local cag team has prospects for a good season. The return from last year of five pupils who bore the brunt of the club include: Tom Folli, Jerry Bowers, and a senior, 1n Loudermilk and Seward; Glenn Seward, assistant coach; and a member of the varsity crew.

The above-name the game for the 1944-1945 season will be coached by Bob Carmichael, who returned every one of the first game's players, including Glenn Seward, John Myers, Bill Sandefur, and a senior.

Cardinals To Play Tonight

The College High Cardinals return to the hardwood tonight in the opening game of their 1944 schedule, taking on the undefeated North Warren at 7:30 in the Western gymnasium. Only a varsity tilt has been arranged.

Both teams are playing under a new coaching regime, the Cardinals being tutored by Ted Diddle and Ted Hornback, while the Smiths Grove club plays its first season with Fred Edwards at the helm.

The host team has a liberal sprinkling of veterans among the squad while the North Warren returns every man from last year's list.

Probable starters for North Warren are: Dunn and Barrick at guard; Jordan and Pearson at the forwards; Loudermilk and Sam Cook, Jr., at forwards; Pennington, center; Glenn Seward and Billy Sandefur at guards.

Cardinals Scheduled Against North Warren

The College High Cardinals open their 1944-45 season Tuesday, November 23, at 7:30 p.m., in the Training School gym with a strong opponent in Coach Fred Edward's North Warren Eagles.

The undefeated north-side will be gunning for their seventh straight victory in the tilt with College High.

The Eagles will enter the game with everyone from last year's starting team in the lineup and will have lost two starters from the team that did.

Cardinals Play Eagles

(Continued from page 6) featured the county boys twice last year by small scores.

Edward's boys have beaten Bristol, Park City, Temple Hill, over a month ago, and the Red all-star team by comfortable margins.

The Eagles starting line-up will be Jordon, Pearson, Pennington, Cooper, and Dunn.

The Cardinals' starters have yet to be determined but will probably be Sandefur and Seward at guards, Loudermilk and Cook at forwards, Folli at center.

Coaches Diddle and Hornback have been pushing the Cards hard since the start of practice and are the only seniors on the Lawrenceburg starting five and the Cards expects to have an even stronger team next year.

The Bullets are a speedy, re-driving, and sharp-shooting outfit. They hit for a 32 per cent average on all attempted field goals this season, but oddly enough connected on only 18 per cent of them in upsetting Frankfort.

County Team Pushes Locals in Taking First Loss

Co-Coaches Ed Diddle and Teddy Hornback uncaged their College High Cardinals last night at Western gymnasium and after a spirited bas-

ketball game hung on their belt the scalp of the previously un-
defeated North Warren quintet by a 37 to 26 score.

The game wasn't as easy as that, however, even though the Card-
dunked the first basket of the game and were never headed. The Northmen, with the same team that performed last season, pre-
vented a potentially powerful team and with a little more drive may have extended the Red Birds to the limit.

Coaches Diddle and Hornback, who inherited a wealth of material from the 1944-45 College High agg-
regation, showed clearly that they plan to make the most of the high school team. The Cardinals played a fast, aggressive game from the opening whistle and even when they held a comfortable lead kept pegging away at the basket.

Although it was the first game of the season for the Birds they presented a fairly well-oiled ma-
chine and gave evidence of developing into a top-notch aggre-
bution.

Folli, Cardinal center, tipped in the initial basket but North War-
ren retaliated. The tie was short-
lived, as the Birds connected for two more baskets before the Northmen were finding the range again.

College High dunked and led to lead by 8 to 2 at the quarter.

In the second period the County team matched the Birds basket for basket and the half ended with the locals ahead by 16 to 12.

With the opening of the second half the hosts found the range and out-distanced the foes for 10 points while North Warren was getting 2 to run the count to 26 to 16, but the Warren boys got two more baskets while the locals were tallying one to bring the count to 28 to 18 at the three-quarter mark. In the final period the scoring was about even with the Ca-

dinals getting 9 points to the ponies' 6.

The Birds scored 16 field and five foul shots while the Warren boys rang up six field goals.

First half the two teams...
The Cardinals of College High, with Coach Ed Diddle and Ted Hornback at the helm, defeated the Park City High School's squad by a score of 55-33. The Red Birds, under Coach Diddle, scored fourteen points, while the Bulldogs were held to twelve. The game was played Friday night in the gymnasium.

The Cardinals, led by Little Buck Sydnor, center, a member of the thirteen-man squad, scored fourteen points, while holding the Bears to six.

The game, despite the use of many of their thirteen-man squad, was a score too low to reflect the ability of the teams. But the Cardinals were victorious in the third quarter.

The Bears trailing by 21-17 at halftime, came back stronger than ever in the third period to match College High point for point, each team making twenty points in the main period.

In the final quarter the Red Birds, despite the use of many of their thirteen-man squad, scored fourteen points, while holding the Bears to six.

The Training School boys, unable to set up plays on the small Park City court, displayed a team that was fast break sparked by Diddle and Sanderfurr throughout the game.

The Bears' scoring was paced by Loudermilk with nineteen and Follis with thirteen. McDaniel and Toms led the Barren County team with eleven, and ten points.

The Bears had their second victory in as many games, while Young Ed Diddle, who used many men, placed his team in the final period to a comfortable margin.

The Olmstead lads were undefeated until Friday night, having won handily from all opponents, including a double-score victory over Tompkinsville.

Friday night's victory was the third in a row for the Red Birds, having defeated North Warren and Park City. Tuesday night the boys will battle Brand New, Jeff Scottville and then the Western.

Scottsville No Match As Cardinals Win By 33 to 14

The Scottsville team, with but one dropping through with about three minutes to play, was flying in the first quarter. The Scottsville team, with but one regular from last year, was never in the running although the boys were scraping around throughout the entire game. However, last year's veteran, was best for the visitors, with Porter running a close second. Tuesday night's loss was the fourth of the season for the Allen county team against six victories.

The Cardinals of College High school had a narrow escape last night but after an uphill battle checked out their Victory in seven starts this season by defeating a determined Glasgow team by 24 to 23.

Playing without their regular members, Coach Ed Diddie and Teddy Hornback who did not arrive on the scene to guide the high school lads, the Red Birds fought back after a slow beginning to edge out the Barren county boys in the final minutes.

Hal Gilmore, who positioned for the Hilltoppers for a spell a couple of years back, held the reins last night in the absence of the regular leaders and did a good job at the bat.

After a slow first quarter, at the end of which the locals held a 4 to 2 lead, momentum picked up and the Scotsies bounced ahead 13 to 12 at the halfway mark.

The defensive game grew tighter in the third period but the Scotsies clung to a 21 to 16 advantage at the end of the third period but the third period but the last period the determined Red Birds blazed in eight points, while holding Glasgow to two and thereby capturing a victory that earlier had seemed a lost cause.

Sparking the Cardinal attack were Cooks and Folliis with 6 points and 4 points respectively, while Sanders hurled an outstanding floor game for the winners and tossed in 4 points to boot.

For the visitors was Steenbergen was the man to watch. The veteran Glasgow forward tossed in 13 points on customary fine floor game as well. He was faithfully assisted in the scoring department by Johnson, his running mate, who tallied with him.

The Cardinals, who have been beaten only by Letichfield, take on a formidable foe Friday night when they travel to Allen County for a battle with the striving Cardinal five.

**Russellville Downed By College High Fri 86-10**

Russellville's basketball team was never in the running at a fast clip, probably not the corner to be the toughest targets tonight when they battled the always well-coached and talented Lufkin Panthers at Western gym when the College High school Cardinals sailed past over the Logan county lads by a score of 36 to 10.

It was a romp for the Red Birds from the opening signal when Loudermilk dumped a field goal and started the men of Coaches Ed Diddie and Teddy Hornback on their way.

The inexperienced Panthers were never able to hold up in the fast-paced opening of play. The Red Birds swayed away to a 14 to 1 lead at the quarter and at the half the score read 29 to 3. For the three-quarter mark it was Thurmond and Hornback to the rescue.

The Cardinal men used 12 men in the fray but even the subs found a niche and continued to pile on at will. Russellville presented no threat to the new team with one lad seeing action in a game for the first time.

**Cardinals Hang One On Glasgow By 24-23 Score**

Running into a surprisingly stubborn Allen County team the College High school Cardinals, the Mountain Coaches Ed Diddie and Ted Horrback, followed up with a barrage of baskets in the final three quarters of a game at Scottville Friday night to rack up a 47 to 22 night on Allen County high school.

Frankly, the first period with the Allen boys holding an 8 to 6 lead when the whistle peeled. However, the Cardinals found their shooting eyes in the second period and continued to score while their opponents were toiling in 9, bringing the score to 16 to 14.

In the final period the Allen county lads went two while the Cards hurled 11 more.

The cards were in the third quarter while the Allen boys continued to look like Allen points in the third quarter while the Allen boys continued to look like Allen.
Cards Defeat Franklin
Quintet By Score of 39-27

Franklin was unable to cope with a
bombardment of baskets engineered by
Loudemilk and Diddle who tallied
twelve field goals during this period
and who were ably assisted by
Follis and Sanderfur. The latter came
through with a couple of timely
two-pointers. The host team was
held to two field goals during this
period while the Cardinals burned
the hoop with 16 markers.

Franklin had his eye
trained on the basket all night and
failed 14 points for the Red Bird
cause. Diddle, from his guard post,
scored nine, while Sanderfur and
Follis got six each with Cooke
scoring in 6.

Cook and Follis did outstanding
work under the baskets and these
two lads practically controlled their
own rebounds. Loudemilk also got his
share of rebounds, while Sanderfur
and Diddle played excellent floor
games and held Franklin scoring to
a minimum.

The Cardinals will battle the
Allen County High crew Friday
afternoon at 4 o'clock in the West-
ern gym. The game will be played in
the afternoon as the Red Birds are
committed to conflict with the West-
ern varsity later in the evening.

The score was a 19-19 tie after the
first half. The second half was
another blow out with Allen County
enjoying a 20-9 run.

Allen County will be the deciding
factor in the game with the Western
varsity. If the Red Birds are able to
handle Allen County, they will
clearly have the game in hand.

The Allen County High team is
expected to be a strong contender
in this game. The Western vari-
sity is expected to give them a
good game. The Allen County High
team has been practicing hard for
this game and is expected to be in
top form.

The Allen County High players are
expected to be led by their
captain, a senior forward who is a
top scorer for the team. The
Western varsity is expected to be
led by their captain, a senior guard
who is a top scorer for the team.

The Allen County High team is
expected to be in the top
rankings in the county and will be a
strong contender for the county
title. The Western varsity is

**Cards To Play North Warren**

**Red Birds Expecting Tough Battle At Smiths Grove**

College High school's Cardinals are expecting one of the hardest games of the season tonight when they tackle the North Warren invaders of Coach Fred Edwards at the Smiths Grove gym.

The Red Birds, boasting a record of 13 wins in 14 games this season, defeated the North Warren Eagles in the first game of the season by 43 to 26, but the county boys have come a long way since that time and have tired the scalps of several good teams to date, including the overpowering Warren county tournament team last week with comparative ease.

The men of Coach Edwards are tall, agile and aggressive and have a mean eye for the basket. With the exception of Jordan, the boys fill with the six foot mark and all are experienced players.

The Cardinals coached by Ed Diddle and Ted Hornback, have been improving throughout the season and have been beaten in only one game. Led by Candy Groves, Cardinals have averaged approximately 40 points per game while holding their opponents to 29 points per contest.

Out in front is Frank Loudermilk with 142 points, Tom Follis next with 110. But, Sanderford and Sam Cooke, 76.

Unquestionably these three will unfold all their wizardry as yet, with the Red Birds continuing their fast pace.

They have won 15 and lost one game this season. The loss was at the hands of a fast Leitchfield club in the score of 29-21.

**Red Birds To Meet Leitchfield Five Tonight**

Out to avenge their only defeat of the season, the Red Birds will be up to all their old wizardry against the Leitchfield Five tonight in the Grayson county elixir. During the Christmas holidays the birds fought the local boys black and white throughout the year for 34 points between them. The local lads jumped into an early lead and were ahead by 8 to 2 at the quarter, 22 to 9 at the half and 37 to 14 at the three-quarter mark. K. Knight got eight points for the Panthers, while Hardy had 4 and Collins tallied 6 for the home boys.

Tuesday night the men of Coaches Ed Diddle and Ted Hornback will buck the team that bailed the Cardinals' only defeat of the season. Leitchfield have been opponents of the Red Birds on the Leitchfield court. The Bulldogs defeated the locals here by 29 to 21 during the Christmas holidays and are favored to take the scalps of the locals Tuesday night.

**Leitchfield Is Beaten By Red Birds, 48 To 38**

College High Comes From Behind To Gain Revenge

Revenge was sweet for the College High Cardinals last night as they downed Leitchfield, the only team to take their measure this season, by a 48 to 38 score on the Grayson hardwood court.

Co - Coaches Ed Diddle and Ted Hornback had led their boys to six straight victories when Leitchfield invaded the local gym. The boys were up 10 in a row in the final minutes and in the end avenged the Cardinals' loss earlier in the season.

The Bulldogs started right off on the cards and held a 13 to 1 lead at the quarter. At the halfway point the local team was still ahead by 22 to 17. But, as the birds went ahead at the three-quarter mark, 28 to 25, and were never headed from there on out.

In their 17 games this season the Bats have not scored under 30 points while holding their opponents to 41. Their average game has been slightly over 40 while opponents have averaged a little over 24 per contest.

The Cardinals have handed Leitchfield a last night when Slate was unable to make the trip to the cold.

**Cards Edge North Warren By 33 To 32 Score**

**Red Birds Come From Behind To Nip Eagles**

Taking the lead for the first time three minutes before the end of the game, the Cardinals of College High school defeated a fighting band of North Warren Eagles last night at Smiths Grove to gain a 33 to 32 victory over their county neighbors.

It was a turnover battle from the opening gun with the Eagles out to average an earlier loss to the Red Birds at Western gym, while the Cards were attempting to hang up their 3rd victory in 13 starts.

The Eagles zoomed into an early lead and the College High lads spent most of the first half catching up. At the quarter North Warren was ahead by 14 to 8. The Eagles made six points to 10 garnered by the Birds in the second period to make the half-time score 20 to 18. At the third-quarter half North Warren's lead had increased to two points, 26 to 24. The Edward's boys continued to maintain every chance of energy and drudginess surrendered the lead in the waning minutes of the game.

With the score 33 to 32 against them the Bobcats were given a chance to tie up the game when Pennington was awarded a foul shot. The North Warren Free throw specialists, 13 points for his team, had missed one, but from the floor line during the night, batting five hours in a row. His sixth, the one that would have tied the game, however, rimmed the bucket and dropped out, and North Warren had lost a bitterly-contested ball game.

Fighting just as hard to gain their victory as was North Warren to slay off defeat, the Cardinals looked good to the final three periods. In the first quarter the locals were able to get but two few tricks at the basket and most of these went wide in. In the second, playing under pressure, the players of Eagles Ed Diddle and Ted Hornback got back in the ball game and through the final half it was anybody's game.

last night with every member giving a glowing account of himself. Loudermilk shot victory in a more stock. Cooke put in 11 and Follis tossed in 8. Eddie Diddle didn't crack the basket once, but did his assigned duty, that of holding down Han. Leitchfield star, when the chips were down. Dunn tallied field goals and got 5 fouls for 17 points, but in the final half he was held to four points by the Red Birds. The Bulldogs started right off on the cards and held a 13 to 1 lead at the quarter. At the halfway point the local team was still ahead by 22 to 17. But, as the birds went ahead at the three-quarter mark, 28 to 25, and were never headed from there on out.

In their 17 games this season the Bats have not scored under 30 points while holding their opponents to 41. Their average game has been slightly over 40 while opponents have averaged a little over 24 per contest.

The Cardinals have handed Leitchfield a last night when Slate was unable to make the trip to the cold.

**LINEUPS**

Cardinals Defeat Gamaliel Tigers

College High annexed their seventeenth victory, against a lone defeat Thursday night February 8, in surprising fashion. Gamaliel five by the lap-sided score of 48-14.

The game was unusual in the respect that the aCardinals coaches used two guards against the five regular playing but half the regulation time.

The score was in favor of the Cardinals throughout, with a 23-3 lead in the first half and a 16-point margin at the 30-minute mark. The coaches ordered the game turned to a 48-14 final score to be published.

Diddle led all scorers with 14 points, while every member of the squad participated in the scoring.

Cardinals Beat Olmstead Five By 34-28 Count

Jumping into a lead early in the game and playing it, Liberal five, against repeated attacks by a smooth Olmstead five, the College High school Cardinals hung up their 20th victory in 21 starts last night at Western gym when they downed the Logan county lads by 34 to 28.

The improved Logans, who had swept everything since an earlier season defeat on their home floor by the Cards, had blazed in their eyes in an attempt to even the count with the men of Coaches Ed Diddle and Ted Hornback. They made a game of it throughout and were right on the Red Birds’ heels during most of the encounter.

"Little Bucky" Synder was all over the floor for the Logan lads and broke up numerous scoring threats by the locals. He found time to score six points for his team while in turn his own scoring threats were at a premium.

Young Eddie Diddle proved a thorn in "Little Bucky’s" side on his many scoring threats and had not this youngster been a stalwart of his own side the score would have been a dead heat.

The Cardinals, with their 20th win now, have won 17 out of 20 games and are expected to win the District.

Cardinals Face Crucial Test In Games Tonight

Local Lads To Play Strong Olmstead Team Here

Having won 19 to 20 games this season, the College High school cards face their most serious threat of the regular season tonight when they battle Olmstead at the Western gymnasium.

Although they hold a 23 to 25 victory over the visitors in a game played earlier in the season, the Red Birds will be facing an improved team tonight. The Olmstead quintet has not lost a game since they were beaten by the Birds and have increased their strength with the addition of a new player, who has been hitting the hoops for an average of almost 20 points per game.

College High has suffered but one defeat this season, by the strong Leitchfield team which later was beaten on its home court by the locals. All other opponents have been swept before the Cardinals. Playing a deep and fast game, they are learning their basketball from Co-Coaches Ed Diddle and Ted Hornback.

Probable lineup for tonight will be: Loudermilk, Diddle, Eccles, and Sanders in the front line. Substitutes: Subs.—Gardner III, Sanders, Diddle, Eccles, Sanders, and Sanders.
Cardinals Win 22nd Game Of Season, 72-36

Blaze Park City Five Off Court In Scoring Jubilee

The College High school Cardinals won their first game of the season last night at Park City high school. The Cardinals scored a total of 72 points, while Park City scored 36. The final score was 72-36 in favor of the Cardinals.

By Clarence Davis

The Cardinals' win was their first of the season. They have won a total of 22 games so far this year. The team is currently ranked as a co-favorite in the district competition.

College High Has Won 22 Of 23 Battles

Red Birds Are Ranked High In This Section

(Editor's Note—The first of a series of articles on the basketball teams which have stamped themselves as leaders in the Western District championship, with nobody to be greatly surprised if they repeat their perfect marks for last year.

The College High Cardinals, however, have to be reckoned with, and that in no uncertain terms, since months ago and on through the season they have established themselves as a force to be reckoned with, and in particular, on their home court in this district, where this year's tournament will be played.

The Western playing field has been shortened about 12 feet, to conform to high school regulations, and with the added seating capacity of the gymnasium, this year's tournament should attract a large crowd.

Dr. C. H. Jaggars, of the Training Board, is the tournament official, and Saturday that Cook, of Park City, and Burnie, College High, will be selected as officials.

Tickets for the Thursday afternoon games are 50c, and 25c for students, with a surplus for other sessions priced at 50c and 25c.

Adult season tickets may be purchased for $5.00, with the students season passes to be $1.00.
Red Birds Smothered After Assuming Early Lead

By Clarence Davis

Bowling Green high school's Purple basketball team again demonstrated its ability Saturday night when it won for the fourth consecutive year the championship of District Thirty-Three by downing the highly-touted College High Cardinals by the score of 22 to 21.

To all intents and purposes the Cardinals were in the game, although they jumped into a 3-0 lead in the first seconds of the game. Their inability to hit the baskets proved fatal as it always does in a tournament tight spot.

Getting off to a poor start, but gaining momentum in leading 10-6 at the first quarter, the Purples had a half-time lead of 22-9 after their ace, Bobo Davenport and Dick Heman adjusted their sights and found the target.

They continued to put the pressure on to gain a lead of 32-13 as the third period came to a close.

Sanderfur, a guard, who made the all-tournament team led the College High scorers with seven points, and in addition played the best all-around game for the Red Birds.

Frank Loudermilk and Tom Follis, with six points each, were next best on the Cardinals' offensive.

The crucial game of the tournament opened with a jump shot by Follis, the Red's lanky center and Loudermilk, fouled by O. G. Milton, at the Purples put the College high crew ahead, 3-0, but Pete Anderson, Purple center, capitalized with a brilliant jump shot to make it 3-2.

A free throw by Sanderfur, Cardinal guard, who was fouled by Wallace, boosted the count to 4-2 for the BIRDS and the battle, as tense and hectic as any ever fought between the two clubs, was on for keeps.

A long, one-handed shot by Dick Heman, almost unanswerable by Milton, gave the Purples a 5-2 lead, Loudermilk called for a personal foul on the Purples' big forward and Heman made good at the 10-foot line to make the score 7-4.

This advantage was short-lived, however, as Tom Follis executed a neat crip shot to narrow the Purple margin to 7-6, Dick Heman came through again for Bowling Green on a one-handed fling, to post the books at 9-6 and Bobo Davenport completed the first quarter scoring with a free throw after being touched.

Cards And Purples Reach Finals In Friday Games

The College High Cardinals and Bowling Green High schools' Purples wrote their tickets to the finals of the Thirty Third district basketball tournament when they defeated the North Warren Eagles and Rich ardsville, respectively, in semi-final tilts Friday night.

The Cards had to play full-steam ahead to subdue a capable, hard-fighting band of Eagles by the score of 32 to 30. The Purple team of Coach Elvis Donaldson scored at will to trample a spirited Richardsville crew by the count of 66 to 36.

The Red Birds and the Eagles, playing in the first game, were deadlocked at 5-5 at the first period. The Cards, however, forged out in front to take a 15-10 lead at half time and enjoyed a 22-16 advantage at the third-quarter.

Both teams registered 16 points in the final frame, but the edge gained earlier in the game by the Red Birds was enough to carry them through to victory.

Sanderfur with nine points, led the College High attack, and BIRDS center, tallied nine to lead the Eagles' offensive.

reading 10-6 at this point.

Milton, Purple guard, opened the second quarter with a toss from way out and Davenport flinging in one from the corner made the score 14-6. Anderson, playing perhaps his best game of the year for Bowling Green, eased the Purple lead up to 16-6 on a tip-in and Bobo threw in another long distance shot to make the count 18-6.

Two more heaves by Davenport, who finally got warmer than a cook stove, consisting of a short from the side and another "fur one" made things read 22-6 and O. G. Milton connected again to write up the book.

Loudermilk, Red Bird forward, crippled and Bobo duplicated the shot to make things 26-6 for the Purples. Loudermilk fouled Heman, who made good on his throw, but Pete Anderson came too close to Loudermilk, who converted at the free-throw line to make the count 27-7. Bobo ended scoring for the first half on his gravid throw, awarded when he was fouled by Follis, Cardinal center.

The third quarter scoring was begun on a free toss by Loudermilk, who was fouled with a crisp shot to place the BIRDS having chances in a lead of 20-10. Dick Heman made 32-19 on another of the one-handed shots which amazed the spectators, and Sam Cooke, then fouled by Heman, gave the Birds another point to post the books at 32-11. Sanderfur scored a crisp shot for the College five and the third-quarter whistle ended the play at 32-12.

Another long shot by Davenport, for the final quarter opened, gave Bowling Green a commanding lead of 34-13, but Sam Cooke, executing a twist shot, made the tally 34-13. Little Ed Diddle, fouled by Dick Heman, boosted the count to 34-16, and another long shot by Davenport brought the score up to 36-15.

Pete Anderson drew his fifth personal and exit from the ball game when he got too close to Loudermilk, who converted the shot to make the scoreboard read 38-17, O. G. Milton, playing an outstanding game registered on a single-handed attempt and the edge held by the Donaldson team was 38-17, Follis scored for College High on a medium shot and Sanderfur came through as the score read 38-21. Milton then fouled Diddle, Cardinal guard, who connected and the score was 39-22. A long shot by Sanderfur ended scoring for the night at 39-24.

Valley Whips College High 36-31 and Breck Topples Owensboro 52-42 to Reach Semis

By JOHNNY CAREICO, Courier-Journal Staff Writer.

The third quarter was almost a draw as it ended 21-22 in favor of Valley. College, despite the jeering of the fans, it strive to pursue. Valley, closed in the sixth Region championship in the last chapter tying it at 28-28 with five minutes to go. Bruce Slate, Cardinal guard, put College in front temporarily with a free throw, but Johnny Reacher, who gave Valley a lead it refused to relinquish. The success of Valley, which whips College High 35-37 in its first appearance, lay in its un-approachable will to win and staunch fighting heart. College lacked the aggressiveness which Valley employed so well and tried to peg its offense on the long shot accuracy of W. B. Fisher. The fast-foot, seven-inch guard contributed 12 points but it wasn't enough.

Rosenau compiled 11 of Valley's well-distribute points with Bob Martin, one of the oldest centers in the tourney, scoring 12. Defensive Buddy Murphy, a headed youngster who tries to keep permanent company with the ball, made only two, so the Bears' lead teetered through the second frame but in the last four minutes the Vikings began registering more often with their shots and ended the half ahead 26-16. Valley made only four field goals in the first quarter while taking 12 shots; in the second period the Vikings shot nine times with five of them counting. VALLEY LEADS

The championship match will start at 9:45 p.m., following a consolation game at 8:30 between the two remaining Valley tourney program.

The Red Devils refused to give an inch and led Breck through most of the first period, but the Red Devils were down Lawrence McGinnis' boys in the second half.

The last of the tournament field, found Owensboro unflagging through the first half but the furious pace set by the Eagles was down Lawrence McGinnis' boys in the second half.

The Red Devils refused to give an inch and led Breck through most of the initial session, yielding the advantage only at the end of the period. 15-11. They bounced right back as the second quarter opened to send sweep left 12 advantage and then kept step with Breck through the rest of the period as the score was tied at 15-12, 17-17, and at halftime 23-23. The lead changed hands five times in the quarter.

Breck, which looks like a college club at times, gave the Red Devils no quarter in that torrid third frame. Frank Fraley, the Eagles' phantom forward, poured in three goals and a free throw and Sonny Allen, Fraley's colleague, registered five points of 20 which Breck produced. The Red Devils made a continuation of preceding one though was well-scanned, played alert ball and made only one mistake—into the same bracket with Lawrence McGinnis.
