"In order to give persons an opportunity to make a record of their presence at the Old Settlers' meeting, the Secretary of the Historical Society prepared a register with headings embracing the following items: "Name; date of birth; place of birth; date of settlement; place of settlement; where resided since; present residence; occupation; politics; remarks." The Register is preserved by the Historical Society. In it upwards of 3,000 names were entered. They are here given, with the principal items as written opposite the names in the register."

The names listed below are abstracted from the book, and are persons from the general area of Kentucky, and Tennessee.

In this letter written by R. W. Bell, Capt. of Co. C, 1st Battalion, 15th Regiment, Barren County, Kentucky, during the Civil War, the urgency of his need for instructions, plus his very evident integrity, far outweigh his lack of spelling. The following is copied verbatim from the original letter. Punctuation added in places.

Bell, R. W., Capt Co C 1st Battn.
Says to the Governor that the 1st Battn is dissatisfied with Col Chenowith on a/c of his whiskey drinking and puts 10 Questions to his Excellency in regard to his duties; the persons liable to Military duty and things generally. The whold of which is reffered to Inspts? Genl for answer.

To the Covenor of Ky to Wit
Mr T E Bramlert Very respectfully
I take this opportunity to ask for some information. I, R W Bell Commissioned as Capt of Co C in the 1st bat in first place not knowing my duty I failed to make a return of my co muster according to the requierments of the law.
2ond. there are some stout able boddied men in my district that have had a leg or arm or colerbone broke that are stout & able men. I want to know if they are exempt from military duty.
3d. if men who fail to attend the calls for raising Volunteers are liable to bee fined. My superior officers sais there is no compulsion to make them attend the calls of the Col. to raise Volunteers. I contend they are liable to bee fined.
4th. My duty in regard to the conduct of the company While on the field under my command & how to proceed in case of bad conduct & disobeying orders.
I, R W Bell, being commissioned & sworn to support the U S Constitution & the Constitution of Ky & the laws & all Superior officers I want to doo my duty if I know it. I have concluded to ask your onar (honor) for some advise or instruction as every man in this country has a law of his own. I Call upon you for instruction as Military officers is in some danger in this County of guarillars.
5th. Please Your honor I ask for further information. On the 11 day of June the order for draft in this county being countermanded I was ordered to notify Co C to attend on the 18th of June for the purpose of raising Volunteers or the Capt Was ordered to detial six men out of Co C for State guard purpose. Co C being the only Co ordered to meet for that purpose. Thé Failing of Col to att- end, as I think was his duty to do & let the men no What they was called to do, What kind of service, how to bee organized, how to bee armed & equiped and uniformed, and explaine the order to the Co.
I, R W Bell, Capt. together With S C Stout, A A Maj refused to
make the detail. A A Maj reported to Col. The Col then ordered the first Battalion to attend on the 24th of June to raise Volunteers, if not to detail or draft, except Co A Which has raised some men to bee under com. of Col Wolford. Which the Col exemps Co A from raising her quo to for the State guard. The Col failing to attend again on the 24th Co C raised a bounty of one hundred dollars each for Six Volunteers & got the Vol. Co B & D run a draft & Drafted six from each Co. Co B is ordered to report six more to draft the 1st Saturday in July.

6th. We need protection in our Co but I think Drafting & Arming rebells is poor protection. When they say they don't intend to fite if they get in a skirmish they will shoot there officers, also Co scattered over the county, Would I think, bee abate (a bait) for the guarillars to arm them selvs & treet the men very bad, if not kill them, as State guards is looked upon as being bush Whackers. 7th. If you Will Commission mee or some other man to raise a company to go in servise stationed in the County in camp for the protection of the County protection, there can bee a company raised of the rite sort of men.

8th. Part of the Co not being organised & refusing to organise i dont (see) how there can bee an equal quo to if the Co has to bee rais by detail, it Would bee the best to detail one Co or a portion of it so as to have the(m) together.

9th. The Commissioned officers of the 1st Battalion are very much dissatisfied with the acts of Col A S Chinouth as they think he is very overbaring, hy (high) tempered, & drinks too much Whisky for a man in his Station. Also we think S C Stout or J H Smith more competent & better Military officers. We recommend either if it Would please your onor to make the exchange, it is the general Wish of the first Battalion.

10th. Write me all the instruction you can & as quick as you can. I remain Yours obediently.

/s/ R W Bell, Capt
Co C 1st Battal 15th Regt

(To be continued)
The deposition of Samuel F Dorris - Taken at the Courthouse in Nashville, Davidson County, Tennessee on the 15th May 1830. Mr Dorris stated that in the month of May, June, or July 1822, he purchased from Daniel M Jones one cow and calf and one barren cow, for which he paid about $20, and the same time about $5. worth of bacon, in Simpson County (Ky) on the farm on which he, Daniel, had been living for some time, two or three years before. Some time after t' t, before Daniel removed from said place, he offered me some stills and mash tubs then on said place which had been his own for some year or two before - the said articles were offered for sale, and no mention was made that they were the property of anyone else. He stated that Daniel was living on the same place on the 15th March 1822 and operated the distillery in the winter of 1822-23, with the same stills and apparatus that he had previously done. In the spring of 1823 T W Williamson took possession of the stills by purchase from Daniel, was the understanding in the neighbourhood. That after March 15, 1822, until he left the place he was offering for sale articles of furniture, and that at that time the said Baalam Jones lived on the farm, and was with Daniel daily, and must have known of the sales.

The deposition of Thomas Beauchamp - Taken at the Simpson County Courthouse on 8 May 1830. Being questioned by Alfred Payne, stated that he was acquainted with Baalam Jones in the year 1822-23, and had become acquainted with him in the year 1796 or 97, that they were living within three miles of one another in Simpson County in the years 1820-21-22, and that until the Spring of the year 1822 Baalam was considered so destitute as to be dependant upon his son Daniel M Jones for support, and that about the time mentioned, March 1822, Daniel M Jones transferred all his property to his father; and his own opinion, and also that of a large majority of the neighbors was, that it was for the purpose of the evading of the debts of Daniel M Jones, and that Daniel continued exercising acts of ownership of the property, and sold part of it as his own property. That he did not know if Baalam knew of the acts and sales, but that they both lived on the same farm.

/s/ Thos Beauchamp

The deposition of Jno W Williams - Taken at the same time and place. Being questioned by A Payne stated that he had some acquaintance with Baalam Jones about 1822 but was more intimately acquainted with Daniel for several years previously. That he, Williams, as Deputy Sheriff of Simpson County, had received an execution in favor of Creson Wister & Co against Dan issued from the Clerk's office of Simpson County, and levied the execution on the tract of land on which D M & Baalam then lived together, with all the personal property, and think a negro girl was included, name of Etna, all of which was claimed by Baalam under a purchase which was said to have been made by him in March previous. I summoned a jury to determine the title, and the jury after testimony, found the property to be that of D M
Jones, and therefore liable to be sold in virtue of the execution. After the sale was proclaimed, Deft Jones claimed his right of replevy, which he done by giving Baalam Jones and Hy R Williamson as his securities; that on the day the replevy was made he had refused to accept Baalam alone as security, as he considered Daniel M and Baalam not good for the debt; the debt being that of Creson Wister & Co., which was $400. or $500. He stated that nearly all persons he had heard speak of the deeds considered them made for fraudulent purposes.

/s/ J W Williams

The deposition of Jno L Moore - Taken at the same time and place. Upon being questioned by Alfred Payne, stated that he was present at the trial mentioned above, gave about the same testimony as the others except that he stated that a part of the amount had been paid to him by T M Smith for the Defendant, and afterwards the whole balance paid before the second execution issued, could not remember exactly, but thinks it was to D M Jones himself; that the jury found that Daniel M and Baalam lived in separate houses on the same place.

Being questioned by Alfred Payne stated that he had been acquainted with Daniel M and Baalam Jones upwards of two years, that Daniel had proposed to sell him a lot in the Town of Scottville on which he said there was a good dwelling house - it was some time in last September, said it was his own property, and that he had heard Baalam Jones say that he had little or no property, which statement was made by Baalam some time last fall was a year.

The deposition of Fielding Duff - Taken at the Courthouse in Scottville, Allen Co Ky., on 14 Aug 1830. Upon being questioned by Alfred Payne stated that Daniel M Jones rented to him a stable on Lot No 45, and proposed to him to attend to Lot No 11 for him, on which the dwelling house stands; and to the best of his recollection it was after the 15th March 1822 that he thought that by Daniel renting him the lot and asking him to attend to the other, that he was the owner; that he believed that it was the same lot, and that if Daniel M had ever owned another lot with a house he would have known it. Deposition was taken from Fielding Duff by Wm Henderson, a
Justice of the Peace of Allen Co Ky.  /s/ Fielding Duff

Deposition of Thomas Sutton - Taken at the Courthouse in Scottville Allen County, Ky - being questioned by Alfred Payne stated that he acted as Deputy Sheriff for David Harris in the year 1823, and that an execution had come to his hand from the Clerk of Simpson County Ky with the name of John L Moore on it, in which Alfred Payne showed me a lot in Scottville, No 11, on which I levied and advertised according to law, and sold it on the 27th June 1822 - Alfred Payne was the purchaser for $50., and after deducting my commission, credited the execution with $47.50, enclosed to the Clerk of Simpson County Circuit Court, or to Alfred Payne's attorney, soon after the sale of the lot. It was all done in the name of Daniel M Jones, and the deed is here exhibited marked "R".  /s/ T Sutton

Deposition of Daniel M Jones - Taken in his own house in Elizabethtown (?) Ky., on the 11 Dec 1830, being questioned by Alfred Payne, stated that he became indebted to Payne in 1819 to the amount of $2400. for a tract of land in Nelson County Ky., and for the proceeds of the sale of a negro woman, which was to be refunded as required by the Plaintiff. In the Winter or Spring of 1822, Payne had insisted on him making payment of the above sum; he had told Payne that if he would allow him, Daniel, a fair price for the aforesaid lots, and some property he owned in Simpson County, he would pay him off, however we were not able to agree on a price, so we chose George Allen, who is now dead, and Henry R Williamson to value the property for us, which they did - we agreed to their valuation, and I conveyed to Pltff the lots accordingly at the price stipulated in the conveyance.

During that year I owned a negro girl worth at least $300. in Commonwealth paper, a good new Waggon & Team, together with farming utensils, and an equitable title to a tract of land in Nelson County, Ky., where I moved to that year, for which I gave $1104., $950. of which was then paid, and I have been able to pay, or could have been made to pay, by coercion or by other means, several hundred dollars at any time since.

This day Alfred Payne entered the House of Daniel M Jones, and objected to the deposition of the said Daniel M Jones being read as evidence in the above suit, given under my hand this 11th day of Dec. 1830  /s/ John Morris, J.P.H.C.

Daniel M Jones, being questioned by Payne, stated that Baalam Jones was not in this place today, and he had not seen him, that the last time, some time ago, that he had seen him, they had some conversation on the subject to taking this deposition. He stated that he wished my deposition taken, and I learned from him that he wished to prove by me; and I received from Asher W Graham, Esq. his lawyer, a letter some time since, stating that he had give(en) notice and that he wished my deposition taken, and those questions put in the foregoing deposition are more for the sake of forme than anything else; that he did not know if Baalam Jones had any agent in this place to take depositions, nor am I his agent. Mr Graham informed me by letter that he had given notice that Baalam Jones would take depo-
sitions in my House in Elizabeth Town today, and he like requested or directed me to have mine taken particular.

Daniel stated that the land in Nelson County is the same that his Father Baalam Jones lived on some time previous to moving to Simpson County and for several years previous to that; that he possibly might have told Payne that he, Daniel, had hopes that his Father might give him the land, or the proceeds after his death, but it turned out that when the land was sold, that he felt a disposition to require of me my obligation for the some of money, saying as he was going to live with me that he would let me have the use of the money until he might think it proper to require it of me, which some he did require of me, and which I paid off as above stated.

I believe that in the fall of 1819 my Father Baalam Jones sold a negro woman to Newel Beauchamp for the sum of $400., as well as I recollect, which sum of money I received, which constituted a part of the foregoing sum. The property in Simpson County was a tract of land and personal property, which together with the lots aforesaid, I let him have in discharge of the $2400.

The Sheriff of Simpson County did levy an execution on the property which I conveyed to my Father in Simpson County, and ordered a jury without notifying my Father, the reason I know why the Sheriff gave no notice to my Father, something was said bought (about) the necessity of a notice as required by an Act of Assembly to be given to the Claimant in such cases, and the Sheriff seemed rejoiced that the matter was settled, and proffered to throw in the said cost of said Jury trial, but as it seemed, he might be brought in some difficulty about it. The name of the negro girl in question was Etnah; I moved from Simpson County to Nelson County in February 1823 - I have never lived in Simpson County since I moved to Nelson.

Some time perhaps in 1815 or 16 the Defendant Payne, John M Clark, and myself (Daniel M Jones) tuck up 150 acres land in Allen County (Ky), within about one mile or less of Scottville; I purchas(ed) said Payne & Clark's right to s'd land as Payne the Deft knows, for which land I think a Patent issued before 1823, thirty odd acres of which I sold to Mr Gasaway, probably in 1817 or 18 for $3. per acre, butt said Gasaway abought that time became embarrassed, and I rescind the contract with him to save trouble. I have continued to give in said land for taxes ever since I became the sole proprietor of said land at the rates of from one to two dollars per acre, and paid the tax accordingly, and I feel pretty certain that Carleton R (or B) Gatton in 1822 offered me $2. per care for said tract of land - he then lived in Scottville. I have never conveyed my right to said land at any time, and have no other property in either of the counties referred to but the property spoken of in Nelson County in 1823, if I am correct as to the time I moved there. The land spoken of was surveyed in the name of Edward Thacker, as my recollection serves me, and transferred by him to me and Clerk, and the Patent issued to us accordingly. I was always considered the sole proprietor, and have been told that Clark has never paid any taxes for any of it, and has

-22-
not put up any claim to it; therefore I consider myself to have equitable title to 75 acres of it; that I purchased the whole right of Clark, but by some mistake the whole was not transferred to me by Thacker, and consequently the patent was issued to Clark and me.

He stated that the lots in Scottville were several, all of them out lots of little value except the one on which the frame house (was) and it was the one that had the corn crib and stabel. I think the whole of the out lots sold to me at perhaps more than $100, tho the deeds of record will show.

When I sold him (Baalam Jones) the property as above stated, I determined to move to Alabama, but the old man being old and somewhat lame, and inactive to attend to business, he hired me to remain with him for one year and cultivate the farm and do other business, for which he agreed to give me the sum of $200.; accordingly he took possession of the property and I remained with him. During the years aforesaid that I was in the Plaintiff's employ, I done business for him, and in his absence by his direction, sold articles of said property, and anything which went to my was in part consideration of the yearly hire.

DEPOSITIONS

The deposition of Henry R Williamson - Taken in Orange County, Indiana, at the house of Henry R Williamson to be read in a suit in Barren County, Ky. Upon being questioned by Plaintiff, stated that he knew that Baalam Jones held a note on Daniel M Jones for a large amount, eighteen hundred dollars or more, amount not recollected - in the year 1822; that he and George Allen had been called upon to value one or more lots in Scottville, and a farm in Simpson County Ky on which Daniel Jones then lived, that the value was done in good faith, that he and Daniel had been on terms of intimacy, and that he had never heard him mention that the valuation was not in good faith, that he remembered that Baalam had indeed employed Daniel and paid him to work on the farm for a year; that he recollected that he contracted with Daniel for a bull which was part of the property sold by Daniel to Baalam, and that Baalam had previously sold the bull to James Martin, and in consequence he reluctantly gave up the bull to save Baal- from difficulty with Martin. /s/ H R Williamson

The deposition of Zachariah Downs - Taken at the house of James D Milum's on Bacon Creek in Hart County (Ky) on 17 August 1832. Being questioned by the Defendant Alfred Payne, stated he became acquainted with Daniel and Baalam at this place about four years ago, and Daniel had proposed to sell him a lot and frame house in Scottville and which he said he lived some years ago - thought it was in the month of September 1829; at that time I expressed a wish to sell my place where I now live as I then wished to Allen County, Kentucky near my Mothers, but when I went to see my Mother I ascertained from her that she would move to the Indiana State. I therefore declined selling my place, and I also declined purchasing the lot of Dan'l. Daniel said the lot was his in the presence of his father Baalam, who always spoke of the lot as Daniel's. In the fall of 1829 Baalam told me he had no property of his own except a bed, and that all the property including the Lott belonged to Daniel. Baalam said he and the old lady became dissatisfied with Daniel M Jones and would not live with him any longer, and when Baalam Jones left Daniel M Jones, he, Daniel, loaned them a horse and a Dearbourn (wagon) for the old lady to go live with some of her other children, at which time they took a bed and clothing in said Dearbourn, together with their wearing apparel, her son-in-law was here and went with her - the old man remained here with Daniel who was then living in this house some days longer, and then Daniel loaned Baalam a horse, and he went also to where the old lady had gone, and the old man sent the horse back to Daniel. But when the old lady, that is old Mrs Jones, started from here as before stated, old Baalam Jones observed to the old lady, Mrs .

-24- *move to Allen -
Jones to start on, for all the property they owned was in the Dear-
bourne, and that they had nothing besides what was in the Dearborne,
and after the old lady was gone, Daniel observed to me that all the
property the old man had was in the Dearbourne.

Baalam and the old lady were entirely dependant on Daniel for
their support, for they were too old to work, and from the circum-
stances of his informing me, I presume he must have been dependant
upon Daniel for their support. Daniel M Jones lived in this house
for the year 1829, and for two or three years, he raised two crops
during that time here - I lived where I now live, which is perhaps
about three quarters of a mile from this place, and was on terms of
intimacy with them both then, and still am, for we have never had
any differences with each other whatsoever. /s/ Z Downs

The deposition of Tucker Williamson - Taken at the Courthouse in
the town of Nicholsville, Jessamine County, Ky., on the 4th Aug 1832.
Upon being questioned by Alfred Payne, stated that he became acquain-
ted with Baalam Jones about the year 1821 or 22, and from his acquain-
tance with him supposed him to be worth but little property or money,
and supposed him to be dependant on his son Daniel in a great measure
for the support of himself and wife; that he, Williamson, had in the
fall of 1822, purchased a tract of land in Simpson County on which
Daniel and Baalam then lived, from Daniel and Baalam. To the best of
his recollection he paid them $800. or $900. for the 150 acres, which
was paid to D M Jones - I did believe that the conveyance of the land
was made by Daniel to his father without any consideration, and that
was the reason I required them both to convey the land to me, as I
had supposed he had conveyed it to me to prevent it form being sold
under execution. I also purchased two stills and a bureau, but do
not recollect the amount. /s/ T M Williamson

The deposition of John R Jones - Taken on the 20th June 1834 at
the house of Joseph T Long in Nelson County, Ky. John R Jones stated
that Daniel M Jones sold him some horses worth or rated at $140., and
a large new rode wagon worth $140. In 1823 he had a negro girl Etnah
worth $250. in silver; that Baalam Jones was the owner of a tract
of land in Nelson County about 1816 or 17, and a negro woman named
May - the land contained about 108 acres.
/s/ John R Jones

The deposition of Joseph F Long - Taken at the same time and
place as John R Jones, above, and stated essentially the same.

The deposition of Daniel M Jones - Taken 20 June 1834 in the
house of Joseph T Long in Nelson County, Ky. Made about the same
statements as previously made. He stated that the name of the other
negro woman was either May or Mary whom he sold to Newel Beauchamp
for $400. (In this deposition Baalam Jones was questioning Daniel M
Jones.) Daniel stated to his father Baalam Jones, "You proposed to
me to let me have the use of the money provided I would take you and
my mother to my house in Simpson County, and maintain and cloathe you,
my Father and Mother, but if either of you became dissatisfied, I was
to refund said fund of $2400. without interest. My mother became very
much dissatisfied and you did also, and signified to me that you wished to return to Nelson County. That was about in the year 1821 that you signified your dissatisfaction as aforesaid, and you threatened to sue me if I did not refund you the said money. I took some time to consider it, and consulted some friends on the subject, and among others, Henry R Williamson then of Simpson County, who advised me that if you would take the money in property, to pay it off. I therefore proposed to you to pay it off in property, and that is the agreement we arrived at." The 108 acres of land Baalam owned in Nelson county was sold to Hayden Edwards for $2000., and the negro woman May whom he sold for $400. to Newel Beauchamp was the total of $2400, which Baalam let Daniel have. (Note-GBW-There must have originally been more of this deposition, as the statement ended at the bottom of a page, and there was no signature, but this was all that was in the file.)

DECREES—BALAAM JONES VS ALFRED PAYNE & OTHERS——

We are so very happy to be able to tell you that the MASTER INDEX of the first two VOLUMES of our Genealogical and Historical Society's Quarterlies is ready for delivery. Our good member, Gladys Lee Aiken, 1019 West 29th Street, Lawrence, Kansas, has compiled it for us. They are arranged by Surname, each year separate. Mrs Aiken did this work for us as a labor of love, charging nothing for her time - she even cut the stencils for us. We all are very grateful to her for this service. These first two years are for the year 1973 and 1974. She will soon have the years 1975 and 1976 ready, possibly by the next issue of our quarterly - we shall announce it. The charge for these indices is $1.50 per year, including handling and postage. This charge is only for the actual mimeographing and mailing expense. Beginning this year, 1977, we plan on including the index for the entire year in the last issue of the year, at no extra charge. You may order these indices from us for the entire four years or each separate year as you need them. We will mail 1973 & 1974 now, and 1975 & 1976 as soon as they are ready. Order from: South Central Kentucky Historical and Genealogical Society, PO Box 80, Glasgow, Ky

**1978 DUES**

Another announcement - this one without pleasure! Several of our new members are sending in their dues for 1977 and 1978. We are very grateful that they like our publication well enough that they want to be sure to receive it for the next year after this one - but unfortunately, we are having to increase our dues to $6.00 for the coming year - postage is going up again, as you know. We regret this, and we had hoped to avoid it for another year at least, but in addition to postage, paper costs have again increased. Looks like someone is trying to price the small person out of the publishing business. However, we intend to still give you your moneys' worth.

Which reminds us, have you forgotten that you are entitled to send in your queries about your ancestors which we will publish free of charge? We also welcome any genealogical or historical material of yours to publish in the quarterly. Our aim is to help you.
