Dear Reaching Out.

I want to write you a letter telling you how much my husband and I look forward to our paper each month looking over it to see where there is any Gospel singing going to be where we can go. We love Gospel singing and we attend a lot of singings. We live at Louisville and not too many are here from the Gospel Reaching Out. Wish there was more. I sure do like being in service for the Lord and a good old time singing. I can feel his wonderful power sure is great. I sure did get a blessing from Jerry Monday's personal testimony in Aug. paper. I wish I could get WLOC for there is a lot of good singing and preaching on that station. I have a nephew Bro. Glen Poynter for the Cave

City Church on WLOC on Sunday morning. And the McCubbins family I sure do like. They mean a lot to me. We look forward to the state convention every year. We haven't missed one for seven years and looking forward to the 8 years in Bowling Green in Sept. So may the Lord bless you all in your good works. And I am sending for my paper renew. And our address has changed from 3605 Parthenia to 1533 Clara Ave. Louisville, Ky. 40215 My paper run out in June and I sure do thank you for sending it on to me. So here is the money for another year. May God Bless.

BANANNA SALAD

The secret lies in the dressing. Take a bag of peanuts ground fine. Several Bananas, sliced length ways, then in halves. Roll one piece at a time in the dressing, then in the peanuts. Small amount of each.

Dressing-

One egg, half a cup or two thirds cup of white sugar, (if want it sweeter.) 2/3 cup of white vinegar. Cook until thick, then cool, and use.

Mix together . this batter will be stiff. Pour into well greased and floured pan.

Mix 1-8 oz. pkg. cream cheese, creamed with 1 egg, mix well. Add 1 box confectioners sugar. Mix well, pour on top of cake and bake at 350 degrees for 30-35 min. or until golden brown. If you like, you may use chopped nuts on top of creamed cheese mixture and between cake.

Auto Accident for McCubbins Family

The McCubbins Family were involved in an auto accident on July 24 at Saloma near Campbellsville, Ky.

It is reported that Annette sustained a back injury. She has a compressed fractured vertebra.

After spending 8 days in Suburban Hospital in Louisville, she is able to be up and about with the aid of a back brace. (she will need a lot of extra rest.)

Haskell thought that he was only shaken up. Several days later he had to be hospitalized in Greensburg for 2 days for what was thought to be a heart attack.

He was taken to Suburban Hospital where tests revealed his heart to be perfectly normal.

Those heart attack symptoms turned out to be muscle spasms.

Lucindy the only other passenger in the car was not injured.

Their car appeared to be a total loss.

Laborers and God

The Carpenter's tools had a conference. Brother Hammer was in the chair. The meeting had informed him that he must leave, because he was too noisy. But he said, "If I am to leave this carpenter's shop, Brother Gimlet must go too: he is so insignificant that he makes very little impression."

Little Brother Gimlet arose and said, "All right, but Brother Screw must go also; you have to turn him around and around again and again to get him anywhere."

Brother Screw then said, "If you wish, I will go but Brother Plane must leave also; all his work is on the surface only; there is no depth to it."

To this Brother Plane replied, "Well, Brother Rule will have to withdraw if I do, for he is always measuring other folks as though he were the only one who is right."

Brother Rule then complained against Brother Sandpaper and said, "I just don't care, he is rougher than he ought to be and he is always rubbing people the wrong way."

In the midst of the discussion, the Carpenter of Nazareth walked in. He had come to perform His Day's Work. He put on his apron, and went to the bench to make a pulpit. He employed the screw, the gimlet, the sandpaper, the saw, the hammer and the plane and all the other tools. After the day's work was over and the pulpit was finished, Brother Saw arose and said, "Brethren, I perceive that all of us are laborers together with God."

Oh how many of us Christians are just like those tools--fussing at others because they do not do things just the way we think they should.

There was not an accusation against one of these tools that was not absolutely true; yet, the Carpenter of Nazareth used every one of them and there was not a single place where He used any one where any other one would have done at all. How careful we should be not to find fault with any of God's tools.

"For we are laborers together..with God..." I Corinthians 3:9

"I'd Never Miss Heaven"

Who Said God is dead.

The Steps of Faith have sang at a lot of singings and revivals the last 3 years, but July 24th was the first time we had to stop singing because people were shouting and praising the Lord so much.

Bro. Jesse Britt of Shilo General Baptist Church had booked us ther for an evening of Gospel Singing. That Sunday morning he called my wife and told her that their revival was still going on, and wanted to know if we still wanted to come. she said that we would be more than glad to. The meeting had started into its 3rd week.

Of all the meetings we have been to we will never forget July 24, 1977. No matter how cold the way may seem the power of God is still the same.

Pray for us and we will pray for you. God has blessed us with our first album, "I'D NEVER MISS HEAVEN FOR THE WORLD." We would like to thank Mr. Louie Swift of MISSION RECORDS IN Nashville for his great help.

Come be with us when we're in your area.

The Barren River Boys was in Tenn. August 14 at Royon City Baptist for their homecoming. It was a wonderful day there, we heard the pastor bring the message from the word of God. Everyone seem to enjoy the good meal. After lunch there were two other groups to sing. Everyone seem to enjoy the singing and feel the spirit of God in the Service, we just had a wonderful time together. Like to say thanks to God for all of it.
