THE LaJUMPE (JUMP) HISTORY

Prepared by request March 1965. Contributed by Mike Jump, 4544 Mission Dr, #195, Indianapolis, Indiana 46254.

The story passed down through the years begins this history of our ancestors about 1529. The church at Rome had been organized about five hundred years. To be exact, the first Pope was John the XIX, a layman who was chosen in 1024. The Pope next in line was Lee IX in 1048. He deemed it necessary to organize the first army to enforce the orders of the church. History records many circumstances where the people rebelled. At an earlier period 1077 Hildebrand, Pope Gregory VII, forced the Emperor Henry IV to stand barefooted in the snow on seventeen consecutive days before he would permit him to resume his reign. The church had grown all powerful and the Priests held a monopoly on Heaven and dispense pardons and indulgences at a price.

HUGUENOTS

Under the dynamic leadership of a leader by the name of Calvin, the great Reformation took place. The times were ripe for such a leader. He asked the burning question as to what is the purpose of the church in the world? He answered this important question by saying the church is here to render service to lonely, frightened people. That sinful men may find forgiveness and acceptance, that bruised and crippled people might find healing and strength, that men who hunger for righteousness may band together to form a more righteous society. That men who thirst for godliness may dedicate themselves to a life of service to each other rather than dictation and oppression.

Many people of high rank and great ability accepted this new teaching. There is evidence of our ancestors being in this group. When the rulers in France accepted this teaching, the opposition, with its army, threatened to overthrow the government. The King's Castle was surrounded by a high wall and a huge gate. There was also a moat near this wall. There was a narrow secret place where the palace guard could jump out and attack the invaders, storming the palace gate. After the battle the persons guarding the narrow secret place in the moat would receive the "password" at the Jump and this is where our name was supposed to have originated, at the Jump (LaJumpe).

The bitter feeling of the above described groups continued to grow until the country of France was plunged into a terrible civil war. The Huguenots, or Protestants now formed a kind of republic within the kingdom which gave them political standing. The growth of the reformation continued until it caused much alarm in the Catholic ranks. The bloody St Bartholamew's massacre which began on the evening of August 24, 1572, accounted for the lives of more than 100,000 men, women and children. There were thousands of others who escaped and became refugees in England, Germany, Spain and Holland. There is a blank period now of approximately two hundred years when we have no report of the doings of the LaJumpe tribe.

There has prevailed among our ancestors the story of three bro-

thers coming to America with their families. This three brothers story seems to be standard for many families and for that reason I have tried to make an accurate a check as possible. It is my conclusion there were two brothers. There are many descendants of a Jump in Caroline, Talbot and Queen Ann Counties, Maryland. The other brother settled in Delaware. There must have been close connection and communication between these two brothers. It is here in our history where the name was changed from LaJumpe to Jump. Some gave the reason for this change to the fact that the labor of writing with a quill pen and the shortage of poke berry juice used for ink called for brevity. The other story was that Lord Baltimore who settled the adjoining state of Maryland, would and did continue the feud which caused our leaving France.

The earliest history I can find in Delaware, records that a "Grant" of land was made to Levin Jump in 1793. This record is on file in the Kent County Court House, at Dover, Delaware in Grant Book, page 9. This "Grant" states that the then Governor of Delaware directed the state surveyor to survey wilderness land south of the then known Beaver Dam Stream.

History of many Jumps I would like to give credit here to the author, Mrs. Margaret Jump Puterbaugh, 1942 Orrington Avenue, Evanston, Illinois.

BIOGRAPHICAL AND GENEALOGICAL HISTORY OF DELAWARE

Isaac Jump, M.D. was born in North West Fork Hundred, Sussex County, November 8, 1809, the youngest of twelve children born to Oliver and Mary (Priest) Jump. His father born in Maryland, removed to Delaware in early life, was a man of good education and stood high in the community. He was a farmer, surveyor and conveyancer and wrote most of the deeds, and all kinds of legal papers for the neighborhood. The elder James A Bayard once said of him in Court, that he could draw a stronger instrument in fewer words than any lawyer in the state.

He died in 1865 at the age of 56. The mother died when he was only four yearsold, and Isaac Jump made his home with his sister, Mrs Mary Nexie Stafford, until he was 18.

He attended the neighborhood schools, and afterwards engaged in teaching, continuing his studies by himself. At twenty he began the study of languages, and later the study of medicine. In 1834 he entered the University of Pennsylvania, from which he graduated in 1836. He at once located in Dover, where he built a large practice.

Dr Jump was a director of the Farmers Bak at Dover from 1848 to 1853, and was elected a director of the Delaware railroad in 1868. For a number of years prior to 1876 he was President of the First National Bank of Dover. In politics Dr Jump was a Whig and later a republican. He was elected to the State Senate in 1850 for a term of four years.

During his term, the code of Delaware was revised and what is known as "The Black Code" was re-enacted, but every provision of these measures Dr Jump opposed with a strength and a decision that is rem-

bered to his honor.

Dr Jump took a deep interest in the cause of the Union. Obtaining arms from the Federal government he organized a company of which he was elected captain, and drilled them thoroughly in military tactics. Many of them afterwards became officers of the field.

Dr Isaac Jump was married in November 1843, to Miss Ruth Anna, daughter of Jonathan Jenkins, of Camden, and sister of Mrs. Dr. Ridgely of Dover. She lived only eight months after her marriage.

On Jan 6, 1846 he was again married to Miss Margaret Hunn of New York City, who died about three years afterward, leaving his a daughter, who married Martin B Hillyard, and died in 1878, leaving two children, Mary Olive and John Hunn Hillyard. He was married a third time, October 8, 1856 to Sarrah Virginia, widow of Charles Alling, of Newark, New Jersey, and daughter of Alexander C Hyer, formerly a merchant of Philadelphia, and a member of the order of the Cincinnati.

(JUMP) UNDER TITLE, "SOME OF THE OLD FAMILIES"

Hoy Charles Medford Jump, son of Charles and Margaret (Pratt) Jump, was born January 3, 1829 in Talbot Co., where he still resides. His father was engaged in the war of 1812. He was a man highly regarded in the community, but would never accept any office, though repeatedly solicited to do so.

The Grandfather of Hon. Charles M Jump, was a Colonel in the Revolutionary War. When brought under fire at the battle of Germantown his regiment fled, but he rallied them, brought them into action and inspired by his example, they fought bravely to the end of the conflict.

He was promoted for his bravery and meritorius service on this occasion. He left at his death a family of fourteen children, eight sons and six daughters. All married.

The maternal grandfather of the subject of our sketch left five daughters, three of whom married three brothers of the name of Jump. two cousins of whom, also bearing that name married the remaining daughters.

The education of Charles M Jump, well began at the primary schools in the vicinity of his home, was finished at the Military Academy at Oxford, Talbot County, where he devoted himself to mathematics, Latin and the higher branches of study. At this school he underwent a very strict discipline, learning to work hard in youth in the field and to practice economy. He was fond of hunting, and had a decided taste of mechanical pursuits. After leaving school, he built a house, hewing all the timbers himself and commenced farming the following year, 1852. He has remained to the present time in the same place, engaged in the same occupation.

Mr Jump was married July 19, 1853, to Mary Henrietta, daughter of Philip Morgan of Caroline Co. They have five daughters. The second, Anna Pauline is the wife of Rev George S Lighttier of the Methodist Episcopal Church South now preaching in Baltimore.

Robert John Jump was born December 7, 1833 near Oakland, Caroline Co., Maryland. His parents were John Jump of Purnell and Elizabeth

his wife, formerly Elizabeth Clements. He died in 1847 and his wife in 1858.

Samuel V Jump, M.D., son of Isaac and Elizabeth Jump was born in Kent County, Delaware, June 27, 1822. His paternal grandfather came from Wales to Delaware and took part in the Revolution. His mother's father was born in England and also came to Delaware. His father died in 1832. Uncle moved to Richmond, Indiana after my great grandfathers death. My grandfather, Nearcy Jump, born 1812 Dover Del., brother to Samuel V Jump, M.D. My great uncle born in Kent County, Del. Grandpa Jump's mother's father came from England. My great great grandfather took part in the Revolution. Isaac Jump, M.D. was born in 1809.

In the Newberry Library, Chicago, you will find a stell cut engraving and a biography of Samuel V Jump, M.D. in "Who's Who in Indiana."

Sincerely,
Margaret Jump Puterbaugh

To members of our family who would like to explore our history further, besides the state archives, there are records in the Kent County Court House of wills and deeds, some of them as follows: 1803 Purnell Jump, 1807 John, 1809 Dan., 1810 John, 1813 Isaac, 1814 Daughn, 1818 Nathan L., 1847 Robert, 1846 Purnell, 1864 John, 1850 Dr Isaac and 1857 Edward A Jump.

William L Jump was my grandfather. He resided on the farm south of the Beaver Dam Stream which was a part of the original grant made to Levin Jump in 1793. This Levin Jump married Nancy Lister, April 8, 1790. William L Jump was married three times. First wife was Sally Ann Davis 1815; second Sally Murphy 1818; third Sally Ann Stewart 1839.

There were no children of record in the first marriage. In the second there were John, Leonard, Levi and Annie. In the third was Albert, Samuel, James and Annie who married a Thistlewood.

My father James Lister Jump who married Sarah Eliza Vinyard. To them was born eight children from this marriage: Annie, Alice, Mae, Jennie, William, Wilbur, Arthur and Ralph.

This very incomplete history and genealogy has been prepared by
Wilbur Henry Jump, March 1965
Houston, Delaware

Samuel Johnson Jume was born May 8th 1844; died Nov 21st 1925. My information tells me that he ran away from home because he did not like to attend school. He is listed in the Delaware census of 1850 and 1860. He married and settled down to raise a family in Roseville, Ky. He had 170 acres near Rose Creek, he was a blacksmith and a merchant in Roseville; he had the first telephone in Roseville and it worked on the relay system. Politically he was a hard line Democrat. He lived his family very much and took good care of them.

Mary Ann Jump nicknamed Molly was a good christian, she used a horse and buggy to drive and see sick people and take care of them. She died July 1st 1922.

Mary Ann (Williams) Jump b May 30th 1854 had several brothers and sisters: Ida Williams m a Mansfield; Emmitt Williams; Addis Williams m Dicy Renfro; Ellen Williams md John Saunders; Milton Richard Williams; Jenny Williams died at age 26 of thphoid fever, was never married. I have a picture of the old Jump Homestead in Roseville, Ky., taken in 1900.

Ernest J Jump and Estella (Chism) Jump are my Great Great Grandparents.

The Williams family came from Burksville, they lived on the Cumberland River on the bluffs overlooking Burksville.

The 1850 Census of Cumberland Co., Ky lists the following William family, parents, brothers and sisters of Milton Richard Williams. John O Williams 49, farmer b Va; Louisa 44 b Va; John W. 22 b Ky; Jas O. 20, b Ky; Henry E. 18, b Ky; Milton 16; Amanda 14; Daniel 12; Sally 10; Victoria 8; Julia 6, Marshall 4; Foster 2.

Would appreciate any help on any of these families.

KENTUCKY GENEALOGY & BIOGRAPHY-Vol 2, page 122:

Samuel J Jump, a resident of Roseville, was born in Delaware, May 8, 1844. His father, William L Jump, also a native of Delaware, married Mrs Sarah A (Johnson) Stewart, about 1837. She survived her husband many years, he having died in 1850. He was a member of the Methodist Episcopal Church in which he officiated as a minister for thirty years. Mrs Sarah A Jump died in August 1871. She was the mother of one daughter, Nancy and four sons: Albert, Samuel, Joseph and James. William L Jump during the latter years of his life (having retired from the ministry) resided on a farm, which he owned. He was of English parentage and his ancestors were among the first settlers of the infant colonies of America.

The maternal grandfather of our subject was Samuel Johnson, who was of Irish lineage, and a veteran of the war of 1776. Samuel J Jump was six years old when his father died. He continued to reside with his mother for several years. He received a good English education in the schools, graduated in mathematics and became well versed in classical literature. In 1867 he came to Kentucky on a prospecting tour, and soon after formed the acquaintance of Mary Ann Williams whom he married on the 24th August 1869. Her parents Milton R and Mary (Martin) Williams are natives of Cumberland County, Ky., and later, residents of Barren Co., Ky. In 1877 Mr Jump purchased a farm of 170 acres of good land, situated on the waters of Rose Creek, in Roseville District, Barren Co. One hundred acres of his farm are under cultivation and well improved. The land is adapted to grass and is endowed with excellent water privileges, and Mr Jump is largely connected with the stock trade; he is a Democrat. He takes an interest in schools and in the education of his seven sons: Ernest, James, Samuel, Thomas, Curtis, Elbert and Sidney.

WM ELLIS & C. PETITION IN EQUITY - Filed 2 Nov 1865; Case No 3158

William Ellis; E F N Ellis; George P Bush; Eddy McReynolds; William A. Bush; Thompson Hughs; Absolom Hughs; John B Scott; Anderson McReynolds - - - - - Plaintiffs

against

Peter Finch; Bolin Finch; Sylvester Finch; Jno B Benedict; John White; Elizabeth Flippin; Jesse Flippin; Lucy Hall; Larry Hall; The Unknown Heirs of Pendleton Hughs, dec'd; The Unknown Heirs of Martha Parker, dec'd; The Unknown Heirs of Kibble Hughs, dec'd; The Unknown Heirs of Lucy Scott, dec'd; The Unknown Heirs of Patience White, deceased; & the Unknown Heirs of Rebecca Finch, dec'd.

The Plaintiffs, William Ellis, George T Bush, Thompson Hughs, Absolom Hughs, John Scott and Anderson McReynolds state that in the year 1832 Absolom Hughs made a deed of gift to his then wife Sarah Hughs his Plantation farm and lands whereon he then lived in Barren County, Kentucky, situated at Hughs Cross Roads near the village called Jintown (Note: Now Fountain Run, Monroe Co Ky. GBW). Which deed of gift was regularly recorded in the Barren County Court Clerk's office and a certified copy of it is here filed.

It also gave her three certain negroes slaves named Daniel, Rose, Ebed & other property, the land and negroes to be hers for & during her natural life and then to be delivered back to his children. They state that afterwards he died in the year 1844. After making his last will and testament which was proven and admitted to record in said county Court clerk's office and a copy thereof is here filed from which it will be seen (that) he devised his estate equally to all his children and their lawful heirs.

They state that he had but six children towit: E F N Ellis who is the wife of Plaintiff Wm Ellis, and is the only one of them now living. The others were: Rebecca Finch but she is long since dead leaving the Defts Peter Bolin and Sylvester Finch, Eddy McReynolds (wife of Pltff Anderson McReynolds) and some other children whose names are unknown to these Plaintiffs. The said Peter Bolin & Sylvester are non-residents of the State of Kentucky.

Patience White was another daughter but she is dead and left children, one named John, Elizabeth who is the wife of Jesse Flippin, Lucy who is the wife of Larry Hall, all of whom are non-residents of Kentucky.

Pierson Hughs was also a son but he is dead leaving five children, towit: Plffs Thompson and Absolom Hughs, Lucy Bush who is dead leaving only two children towit: Plff George P & W T Bush; Martha Parker who is dead leaving children but their names are unknown to Plffs.

And Pendleton Hughs who is dead leaving children but their names are unknown to Plffs.

Kibble Hughs was also a son but he is dead & left children whose names are unknown to Plffs.

And Lucy Scott was also a child but she is dead leaving children all of whose names are unknown except Plff John B Scott.

They state that of said lands there are five tracts all adjoining each other and are covered by the five deeds here filed to said Testator, 1, 2, 3, 4, 5. The said Negro Daniel is dead. The said Rose had one child that is yet living named Ellen, so there is the s'd land & the three negroes Rose, Ellen & Ebed now belonging to said six children or their Heirs, the said Mrs Sarah Hughs haveing died about three years ago.

They state that said land is not worth one hundred dollars to each distributive share, that it would be impracticable and impossible to divide it advantageously amongst the Heirs, that it is greatly to their interest to have it sold & the proceeds divided according to the rights of the parties. They are informed & suppose it is true that Deft Jno B Benedict has purchased & is the owner of some interests in s'd land & negroes and they make him a Deft that is such is a fact he may manifest it & share in the division of the proceeds of the sale.

They state that the estate of the said Absolom Hughs was administered upon with the will annexed twenty years ago by Plff Wm Ellis, and the entire estate administered and settled except for the s'd land & Negroes, so Plffs charge that they and s'd Defts are now entitled to have s'd land and negroes sold.

Wherefore they pray for judgement ordereing and directing the same to be sold and proceeds divided according to the rights of the parties and for general relief.

William Ellis states that he believes the Statements & Allegations in the foregoing petition are true. /s/ Wm Ellis

Amended Petition - Filed Jan 30, 1866

The Plff William Ellis & others state that one Joseph P Taylor is now residing upon the land named and described in the original petition and has been for several years. He came into possession under one W S Souther who was purchaser from Robt Taylor of the lifetime privilege on s'd land of the widow Sarah Hughes. They state that they have demanded possession of it of s'd Taylor & he refuses to surrender it. Plff were not aware of the death of S'd widow for several years after her death & Taylor remained in possession & has been there in possession without right for so long a time that an action of Forcible Detainer will not lie against him, as they are advised. And he is now in possession without right & is wrongfully holding & refusing to give possession. He is Insolvent. He has injured and wasted the Improvements by burning up the rails, pulling down Houses and burning them up, tareing off the weatherboarding upon the Dwelling house, and opened out the entire farm to the tramping and distruction of stock generally to the amount and value of several hundred dollars,

and is still so using and destroying the place as before stated & by burning up the timber. For all which he might be & is as Plffs are advised & charges responsible to these plffs & defts in damages, but he is hopelessly insolvent.

The course of injury and wanting destruction of the place by s'd Taylor is producing and has produced irreparable injuries and as he is insolvent Plff are constrained to apply for an Injunction. Therefore they pray that s'd Taylor be made a Deft and that he be enjoined and restrained from further using any timber, rails, or houses on s'd land & that he is prohibited from useing any of s'd land & finally adjudged and ordered to surrender possession thereof to Plffs or to such person as the court may direct, and for general relief. They state that no former Injunction in this case was ever applied for or refused.

/s/ Leslie & C for Plffs

The Clerk of the Barren Circuit Court will let an Injunction & restraining order issue according to the prayer of the foregoing Petition upon the penalty of the Plff entering into bond with good Security to the Deft Joseph P Taylor, conditioned to pay him all costs and damages he whall sustain by reason of this order provided the same shall have been improperly granted. Jan 29, 1866

/s/ W R McFerran, JBCC

Allen County, 17 Sept 1832; in open court, Elisha Warden, aged 71 makes oath that he enlisted in 1777 in Fairfax Co., Va. in militia under Capt Thos Pollard as substitute for Wm Simpson. Cites his certificate of service which he has retained. In 1776 served under same Captain Thos Pollard for some weeks in protection of the estate of General Washington at Mount Vernon from the depredations of the British. Served in 1781 under Capt. James Waugh.

Was born July 1761 in Prince William Co., Va. and living in Fairfax County when called into service. Since the Revolutionary War has lived in Fauquire Co., Va. and Ky.

John Gibson of Allen Co., said and deposed that he resided in Fairfax County, Va. in 1776, '77 and '78 and knows of the activities of the troops as set forth in Warden's Declaration, but he was not in the company and states what was generally talked of and was matters of public notoriety at that time.

Allen Co., 23 July 1855: Fanny Warden, aged 73, makes oath that she married Elisha Warden in March 1798 in Fauquier Co., Va., the ceremony being performed by John Pickett, a Baptist preacher; my maiden name was Fanny Dearing. Elisha Warden died 19 Dec 1835. She submits a small very old and discolored leaf from an old family Bible which in handwriting of Elisha Warden contains the record of the birth of our first three children.

By which it appears:

James Warden, eldest child, born 11 May 1790.

John Warden, born 9 March 1801.

William Warden, born 11 May 1803.

On reverse side practically illegible a record which may be: Sarah died 31 March 1804. But am not at all sure of the Warden of the record or of the 1804, because it is so worn and defaced.

William Warden, aged 52, makes oath that he is the third child of Elisha and Fanny Warden and has always known and considered the above Bible Record to be the true record of the ages of himself and brothers.

The Justice before whom these affiants were sworn says he has examined the Bible and "I find another loose fly leaf which comes on down in regular dates containing later births of children, etc." But their names were not given.

28 July 1852. Thos Rickman of Allen County, aged in his 60th year makes oath that he intimately knew John and Patsey Weaver since his earliest recollection. That he was born and raised in the same neighborhood in Halifax County, Va. When they lived there. That said John and Patsey Weaver had 2 children well known to this affiant, to wit: Nancy Weaver who married Joel Legrand and James Weaver who was several years older than this affiant. He does not hesitate to say the said Nancy Weaver is now 63 or 64 years old and the said James Weaver now 61 or 62. Said John and Patsey Weaver removed to Kentucky about 2 years before affiant.

TO OUR MEMBERS

We would like to remind you that all materials used in our publication of the South Central Kentucky Historical and Genealogical Society are collected and compiled by our members. We would like to encourage ALL OF OUR MEMBERS TO SEND MATERIAL FOR PUBLICATION.

Also we wish to thank our many contributors to our quarterlies. We have received so much interesting material and it is most sincerely appreciated. Again for the benefit of our newer members, we wish to state, that we will be most happy to publish some of your genealogical and historical material. You may be sure that someone, somewhere will benefit from it in their searches and most likely be of help to you in your research - - - - by sharing their material with you. We urge you to keep your contributions coming. We will publish them in turn as we receive them.

QUERIES

REMINDER: Queries are free to our members. They are not limited by the number per year for each member, and may be of a reasonable length to give the proper information. It is important to remember to give the location, State and County if possible, of your ancestor, as there are many duplications of names in each state. If you do not know the location, it helps to give the last known place they were.

MEETINGS

A REMINDER - The regular meetings of our Historical Society are still being held on the 4th Thursday evening of each month at 7:00 o'clock in the Mary Wood Weldon Memorial Library, 107 West College St., Glasgow, Ky. If any of our many out of state members, and those who are farther than a normal driving distance, are in or around Glasgow on the 4th Thursday evenings, we would be so happy for you to attend our sessions.
