Dear Dr. Livingston,

I enjoyed talking to you on the phone the other day concerning your U.S.O. tour of Europe. I hope to soon contact the persons whose names you gave me on the phone concerning a ride to Bowling Green for the auditions. As I stated during our conversation, I am happy to say that I have been selected as a member of the touring cast for the Soviet Union Tour sponsored by Opryland, U.S.A. and therefore, would be out of the country from September 10th to October 10th, but I would be available from November or the latter part of October. If you would be interested in having me audition for your tour, which sounds fantastic, please send me a date, time, and place for your audition (s).

I've enclosed some information about myself that I thought you might like to read. I am now working at Opryland, U.S.A. in the "My Country" show. I am 25 years old and single (never married) and have been singing for nine years. I play the 6 and 12 string guitars, the auto-harp, and the Ozark Mountain Mouth Bow.

Thank you for your interest!!

Sincerely,

Sandra Thomas

P.S. Hope you had a good time on your vacation !!!

Note: I would just like to say again, that although my musical background has a great deal of folk music in it, i can sing any type of music that you might wish, country, pop, blues, etc. I love all kinds of music!!!! Oh, yes, and I forgot to mention on the phone that i also am a mountain style clogger; I was thrilled this year to win 4th place in the women's individual clogging division in the National Square Dancing Contest held at Natural Bridge State Park in Slade, Kentucky!!
