VOL. 6, NO. 2

FEBRUARY 1978

January Weather Makes Headlines

Severe winter weather has caused cancellations of singings, church services, school closings and partially paralyzed the state of Kentucky. This January is almost a repeat of last

year. Several groups did not plan singings for January due to the snow and ice. February singings seem to be picking up for the gospel groups.

Anniversary Singing

The Hart Co. Gospel Music Association is planning another Annual May singing to be held in Horse Cave Tobacco Warehouse No. II on May 5th and 6th.

The response was so good at the last May Sing that the Board of Directors along with the staff are planning with great anticipation the 6th annual singing.

Last year large crowds attended both days door prizes were given away and the singing was very outstanding.

Start making plans now to attend the sixth annual singing at Horse Cave Ky on May 5th & 6th. Invitation to groups on page 8.

Salute to WLOC

W.L.O.C. in Munfordville, Ky. has been featuring Gospel Music for the past 21 years and has also been supportive of Local talent as well as professional groups. This Radio Station has listeners all across the state and the singing groups in this area have had comments from folks who say they really enjoy the Gospel Music on WLOC. Gospel Reaching Out really appreciates stations like this that are so cooperative in playing this type of music. If you have comments or requests Write to WLOC Box 307 Munfordville Ky 42765

NEW TV SPECTACULAR "THE BLACKWOOD BROTHERS GRAND OLD GOSPEL" STARTING IN 1978

Plans are confirmed and taping dates have been set aside for the beginning of a series of programs called the "GRAND OLD GOSPEL". These TV specials will be cut in Indianapolis and then as quickly as possible will be syndicated and sent to stations all over the United States. This is just another way the BLACKWOOD BROTHERS hope to reach the millions of people in this country who need Jesus.

From the President

Now is a good time to look back over 1977. As we take inventory we can count our blessings and see our mistakes.

Our minds turn to thoughts that will help to make this year a greater year for Gospel Music.

Results have shown that Gospel Music is an asset toward winning the lost.

Let us pray for God's will to be done thru us. Let us also remember, the more we practice and prepare ourselves, the Lord is better able to use us.

If you are planning to have a singing, youth rally, praise service or plan to use Gospel Music in your revival, now is the time to make those plans.

Some of the reasons for planning early is, you will be able to secure the group you would like to have, start to publicize early so as to have better crowds. Better publicity means bigger crowds. Choose the right time and location, you will be able to work with other churches and organization, never assume that the people will come with just a little promotion. It won't happen. Remember we never plan to fail with promotion we just fail to plan.

If a public building is to be used this takes extra time.

It is hard to realize that we need to plan ahead eight to ten weeks or even longer if we are going to have a successful singing. Some groups have bookings as far ahead as a year or more. So you see it is never too early to start.

We here at Gospel Reaching Out in our Dec. 1977 board meeting made plans to again have two days for our 6th annual singing May 5th & 6th Friday singing to began at 7:00 p.m. Saturday singing to began at 3:00 p.m. in the afternoon.
