

7/28/2014

Hello everyone,

I am running for Staff Council and would like your support. I work as a Tech Support Specialist for The College of Education and Behavioral Sciences and a WKU alumni. I have volunteered and worked at WKU for over 10 years in technical support areas. I have a personal goal to facilitate student achievement through taking an active role to ensure classroom and instructors have little disruption due to technical issues. I have sought out ways to provide cost effective support and cost savings in areas outside of my department and college.

Your vote will give me the opportunity to serve as your voice on the Staff Council.

I would like to remind everyone that each and every vote counts.

Thank You for your support

Stan Herren
