COUNCIL OF ACADEMIC DEANS
January 16, 1969

The Council of Academic Deans met in a special session at 1:20 p. m. , Thursday, January 16, 1969, in Dr. Cravens' office. All deans were present except Dr. Jenkins..

The meeting was called to consider revision of the proposed increment schedule. After some discussion a revised version of the schedule was approved. It was agreed to change the title to "Tentative Increment Guidelines."

Dr. Cravens indicated this should be regarded as an executive document to be shared with department heads only. It should not be distributed to faculty members.

The Vice President said his office would prepare copies of the revised guidelines and send copies to the deans for their department heads.

The meeting was then adjourned.
