A New Historic Sites Committee

The Society has formed a new committee to promote the appropriate recognition and preservation of historic sites. Mrs Howard M Jones is the chairman of the new committee, and Mrs Cecil Wilson and Mrs Vivian Rousseau are serving with her. The committee will determine what additional sites should be recognized by the placement of Kentucky historical markers. It will also determine the houses and other structures that should be placed on the list of Kentucky Landmarks and the National Register of Historic Sites. The committee will welcome ideas and help from members of the Society and others. The new history, soon to be published, will provide a good basis for the committee's work.

MONROE CIRCUIT COURT - KY - File 204 - Filed 1892

Ollie R Murley, Onie Murley, Salona Murley, W G Murley by his next Friend Milt Murley, and Milton Murley - PLAINTIFFS VS

Sarah A Spear, Onie Miller and her husband Joseph Miller, Thomas U Johnson, Peter Humes, John Humes, George Humes, Lanva Humes, Evie Humes, James Wilson, Millie F Wilson, Tasa A Wilson, Evie Wilson, Gillie Wilson, and the unknown heirs of John M Johnson & Mary J Abner, JM Hammer, Administrator of George M Johnson - DEFENDANTS

The Plaintiffs, Ollie R Murley, Onie Murley, Salona Murley, and W G Murley, by their next Friend Milt Murley, and Milton Murley, state that George M Johnson, on the ___ day of ___, 18___ about sixteen years ago, departed this life, then a resident of Monroe Co Ky, after having published his last will, which was admitted to probate by an order of Monroe Court. George M Johnson, at the time of his death left surviving him his widow, Millie Johnson, who died on the ___ day of May 1981, and his children and heirs at law, namely: Missouri Wilson who died since her father but before her mother, and left surviving her the Deft James Wilson her husband, and the Defts her children and heirs at law, Millie F, Tasa A, Evie and Gillie Wilson. 2. Dacus V Johnson who married the Deft Milton Mur-
ley, and who departed this life since the death of her ancestors Geo M and Millie Johnson, leaving the Plaintiffs surviving her as her husband and children and heirs at law; 3. Sarah A Spear who married Tinker Spear who is now deceased. 4. James H Johnson who is now deceased and left surviving him as his only child and heir at law the Deft Omie Miller who married Deft Joseph Miller. 5. Thomas U Johnson. 6. Anjaline Humes who is now deceased and left surviving her the Deft Peter Humes as her husband and Defts John Humes, George Humes, Laura Humes, Evie Humes as her only children and heirs at law. 7. W H Johnson who is now deceased and left no children and heirs at law. 8. John W Johnson, and May J Abner who are now deceased and left surviving them four and three children respectively as their only children and heirs at law, who are described and designated herein as the unknown heirs of John M Johnson and Mary J Abner. Their names and places of residence are unknown to the Plaintiffs.

The decedent Geo M Johnson was out of debt at his death, and at this time, so far as Plaintiffs know, owes no debt. The Plaintiffs Ollie R, Omie, Salona and W G Murley, by their next Friend Milt Murley and Milton Murley, state that said decedent at the time of his death was the owner of some personal estate and died seized in fee simple of a tract of land of the value of $$500. in Monroe County Ky, on the waters of Meshack Creek and bounded as follows: [abstracted - names of places, watercourses and people only mentioned, if stated-ECP] to S D Survey, Kirkpatrick's Corner, to Philpot's corner, to a sugar tree near a spring corner, to a mulberry on a ridge, . . to the beginning, containing 55 acres.

They allege that by said will said personal estate and said land was devised to said Millie Johnson deceased, the widow of said Geo Johnson, during her widowhood or lifetime, then to Missouri C Wilson (now deceased), the wife of Deft James Wilson and the mother of Defts Millie F, Tasa A, Evie and Gillie Wilson; and to Decus C Johnson, now deceased, the wife of the Plaintiff Milton Murley and the mother of the Defts Ollie R, Omie, Salona, and W G Murley; that in the personal estate to them in equal parts except one dollar each to Sarah Spear, one dollar to W H Johnson who is now deceased, without children. One dollar to Mary J Abner who is now deceased, and has three children surviving her, described as unknown Defts. One Dollar to James H Johnson, who is now dead, and Omie Miller and her husband Joseph Miller survive as his children and heirs at law. One dollar to John W Johnson now deceased, leaving four children surviving him, who are described as the unknown Defts. One dollar to Thomas U Johnson. One dollar to Anjaline Humes, who is now deceased, leaving surviving her the Deft Peter Humes her husband, and Defts John Humes, George Humes, Laura Humes and Evie Humes her only children and heirs at law.

And that by said Will one half of said land was devised to Missouri C Wilson, now deceased, and which at her death descended
to Defts Millie F, Tasa A, Evie and Gillie Wilson, and the other half of land was devised to Decus V Johnson now deceased, and at her death descended to her children, Pltffs Ollie M, Omie, Salana, W G Murley, subject to the courtsey of the Pltff Milton Murley.

The Plaintiffs state that there is no exception of the will, nor administration with the will annexed of the said decedent Geo M Johnson, and that at the death of his widow Millie Johnson, the Deft Jo U Hammer, on the ___ day of June 1891 took possession of the personal estate of said decedent at the death of his said widow without any right or order of title, and now has possession of it and its proceeds of his own wrong. They state that the Deft Thomas U Johnson is a non-resident of this state, as they believe is absent therefrom, and that the Deft resides in Lamar County, Texas, and Paris in said County is the name of the Post Office that is kept nearest to the place where Deft resides.

The Plaintiffs state that the unknown heirs of John W Johnson and Mary J Abner have been absent from this state more than four months last, part as they believe, and they have no knowledge or information as to the county in which defendants reside, or may be found, or as to the name of a place where a post office is kept nearest to the place where Defts reside; and the Plff Milton Murley believes the Plffs are ignorant of the facts and are unknown to them.

Whereupon the Plaintiffs Ollie A Murley, Omie Murley, Salona Murley and W G Murley pray for a construction of said will, and for a distribution and division of the property of said decedent Geo M Johnson, according to the terms of said will, and for Commissioners to be appointed to survey and divide the land and for deeds thereto under said will to the partied entitled thereto; for warning order against the absent and unknown heirs of John W Johnson and Mary J Abner, and against the absent Deft Thomas U Johnson, and for summons against Deft J U Hammer, and that he be required to answer herein and settle the estate that came to him from the estate of the decedent Geo M Johnson with the Master Commissioner of this Court, and that said Commissioner be required to ascertain and report the amount of debits against the estate, if any, and for all proper relief, both general and special.

BIOGRAPHY OF THE TOLLE FAMILY

by

W. D. TOLLE, GLASGOW, KENTUCKY

My grandfather Roger Tolle is as far back as I have any certain knowledge of my ancestors. He was born February 4th 1742. I don't know in what country he was born whether he emigrated from a foreign country or was born in America.

His first residence that I know of was in Fauquier County, Virginia which is in the North east corner of the State near Maryland.

At the age of forty years he married Sally Simms, a girl of 12 or 13 years old. Their first child, my father, William Tolle was born October the 2nd 1785. Their second child Alexander was born July the 10 1787 at whose birth the mother died. She had what might be termed a couple of heirlooms, although of but little intrinsic value to outside parties - was more valuable to the recipients as mementoes. One of them was a gold ring with S S the initials of her maiden name cut inside of it which she willed to my father. The other was a pair of Silver Shoe buckles which she willed to Alexander her infant son. My sister Sally's name was the whole name of her grandmother Sally Simms, so the ring was transferred to her and is now, or was in the possession of her daughter (Mary Neagle) when I last knew of it.

Roger Tolle married a second wife a widow Sanders whose maiden name was Dinah Fowler. She was called by all of my fathers' children as GrandMamma. She never had any children.

There were two orphan girls raised by my grandfather Roger Tolle who m I think should be mentioned in connection with his family. One was Lizzy Benham who married John Burch. She was a niece of Grandmamma and was called Aunt Lizzy by my father and Uncle Alexan- ders' families. I don't know the maiden name of the other girl. Her given name was Melinda. She married Younger Davidson. She was called Aunt Malinda.

Roger Tolle left Fauquier County, Virginia and bought a farm in Campbell County but I don't at what date. He lived with his youngest son Alexander until his death which occurred on the 3rd day of August 1814.

William Tolle was married to Polly Turner of Fauquier County, Virginia, March 15, 1804. There arose some objections on account of his age so he took his girl over into Maryland and were married there. How long he remained in Fauquier County, I know not but it appears that he was a citizen of Amherst County most of, if not all the time of his stay in Virginia after his marriage.

His chief occupation was over seeing the plantations and negroes of the other men. At this date, 1906, recommendations from his em- ployers can be found filed away among his old papers that have been preserved by his descendants.
During the War of 1812 he served a six months term in the military service of the United States in Capt. Sales Co. of Virginia Militia. In 1820 he moved with his family to Kentucky and went to farming in the Boyds Creek country in Barren County where he accumulated near 400 acres of land. Between 1840 and 1850 he carried the mail from Glasgow to Burksville and from Glasgow to Dripping Springs eight years in succession. The mail was carried on horseback at that time and only one trip a week. When his mail contract ended he engaged in selling clocks a few years in Green County, Kentucky.

The following are the names, births and deaths of his children by his first wife Polly Turner:

First son born Feb 3rd 1805; Died same date in Va.
Samuel Bell was born Feb. 24, 1806 in Virginia; Died April 19, 1868 of complication of diseases, Barren Co., Ky. Buried at the Tolle and Snoddy burying ground where William M. Mansfield now lives near head of Boyds Creek.
Ann Eliza born October 30, 1809 in Virginia; Married to William A. Snoddy; Died July 25, 1867 of phthisic in Barren County, Kentucky. Buried in the Tolle & Snoddy graveyard.
Martha Jane born March 13, 1811 in Virginia; Married to Benjamin A. Snoddy; Died Jan. 7, 1847 of miscarriage in Ray Co., Missouri. Buried there.
Sally Simms born August 10, 1812 in Virginia; Married to John S. Neagle. Died February 21 or 22 1874, suddenly of heart failure in Bullitt Co., Ky. Buried near Shepherdsville, Bullitt Co., Ky.
Her twin sister born August 10, 1812; Died same date.
John Turner born January 21, 1814 in Virginia; Died at Chicuahua Mexico in the Spring or Summer of 1847 in the military service of the United States - Mexican War.
A son born January 7, 1816; Died Jan 9, 1816 in Virginia.
George Washington born May 9, 1817 in Virginia; Died in 1847 or 48 of fever in Barren County, Kentucky. Buried in the Tolle-Snoddy graveyard.
A son born March 20, 1819; Died same date in Virginia.
Patrick Henry born July 13, 1820 in Virginia; Died wither of 1861 or 2 near Yorktown, Virginia of hemorrhage of the bowels in the military service of the Confederate States. Buried at Wyoming mills, Va.
A Son born December 28, 1821 in Barren Co., Ky; Died same date; Buried in Tolle & Snoddy graveyard.

A Daughter born July 16, 1823 in Barren Co., Ky.; Died same date; Buried in Tolle & Snoddy graveyard.

Polly Tolle, first wife of William Tolle, died July 29, 1823 in Barren County, Ky. of Childbirth aged 40 years. Buried in the Tolle & Snoddy graveyard.

Thomas Bransford, 1st son born Feb. 1, 1826 Barren Co., Ky.
James Madison born Dec. 31, 1827 in Barren Co., Ky; Died January 17, 1863 of wounds received in the battle of Stone river while serving in Co F 21 Reg Ky Vol Inft in the war of the rebellion.

Adrastus Minns born May 22, 1839 in Barren Co., Ky. Died May 19, 1866 of lung trouble at home. He enlisted in Co F 21 Reg Ky Vol Inft, Oct 1st 1861. Reenlisted Jan 4, 1864, was honorably discharged at Victoria, Texas 9th December 1865, arrived at home broken in health. While in the Service above named he was engaged in the following battles: Stones River, Rocky Face, Kingston, Rasacca, Dallas, Pine Mountain, Kennesaw Mountain, Atlanta, Jonesboro, Franklin & Nashville. In addition to the above named battles he was on the Skirmish line nearly all the time on the Atlanta Campaign which lasted about four months. He was gently laid to rest in the Tolle and Snoddy graveyard the 20th day of May 1866.

A daughter born October 14, 1841; died same date.
A son born March 1842; died same date.

Senora Jane born June 17, 1843 in Barren Co., Ky.

William Tolle died September 27, 1854 of a hard swelling of the jaw which was very excruciating and continued several months. He was buried in the Tolle & Snoddy burying ground.

Martha Jane Tolle died December 24, 1859 of paralysis. She was confined about four months. She was buried in the Tolle & Snoddy burying ground.

Three of the above named children: John Turner, Patrick Henry and James Madison were buried in hospital or Military burying grounds with probably no other covering than their martial Cloak.

My Uncle Alexander Tolle married Sophia Bell in Virginia but I don't know the date. He lived on the Roger Tolle homestead until the year 1822 when he came to Barren County, Kentucky.

He brought GrandMamma with him who lived with him until a few of her last years which she spent with William Tolle, where she died about the year 1835. Her funeral was preached in the Woodland northeast of the William Tolle homestead, which at that time belonged to Thomas Bransford. She was buried in the Tolle & Snoddy graveyard.

Uncle Alexander Tolle raised nine children whose names, births, and deaths are given so far as known:

Sallie Fowler born Jan 23, 1813 in Virginia; married Andrew Neagle; Died in Barren Co., Kentucky, date unknown.

Silas S. born May 10, 1815 in Virginia; Died October 2, 1846 in Barren County, Kentucky.

David Bell born August 29, 1817 in Virginia; Died April 27, 1903 in California.

Harriet Bowling born December 4, 1819 in Virginia; Married Davis Lumbert. Died May 9, 1856 in Petis Co., Mo.

Samuel Roger born August 19, 1825 in Barren Co., Ky. Died in Owensboro, Kentucky.

Caroline E. D. born March 25, 1829 in Barren Co., Ky. Died April 25, 1862 in Barren County, Kentucky.

John Thomas born March 14, 1834 in Barren Co., Ky. Died August 31, 1878 at the hand of Sterling Smiths in Glasgow, Barren County, Kentucky.

Uncle Alexander Tolle served a term in the War of 1812. He died Sept. 27, 1844 and was buried at his home a half mile North west of Glasgow, Barren County, Kentucky. His wife Sophia died June 19, 1853 and was buried by his side.
Roger Tolle had two brothers but I don't know the name of either. I know the names of a good many cousins of my father but not certain whether first or second cousins but think they are first. I have a letter before me dated: Lewis County, Ky, January 29, 1827, directed to William & Alexander Tolle. It was written by John Tolle Junior. He lived 12 miles east of Maysville and was keeping a house of entertainment and working at the wagon makers trade. He was a cousin and wrote that the relatives in that Section were quite numerous. He also wrote that his brother Jonathan, he understood calculated on leaving Virginia and going to West Tennessee. In 1845 that same Jonathan came through here on his way to see his brothers and other relatives in the upper part of the state and in Cincinnati. I have a letter before me written by him in Cincinnati, dated July 1845. He makes mention of his brother John, who at that time was living in Maysville, Ky., his brother Anderson living in that section of Country, his brother Benham living near Cincinnati; his brothers William and James living in Illinois. One other brother whose name I don't know was living in Mason County, Kentucky. He had one Sister Bettie who married a man by the name of Powell; he had another Sister whose name is unknown to me who married a man by the name of Thomas and was living in Mason County, Ky. in 1845.

He also wrote about Old Uncle George and Old Uncle Stephen Tolle living in Mason County, Ky. I recollect the time he passed through here going and coming, but this information is derived from old letters written to my father. The last account I had of him was in 1854. He was then living in Harden County, Tennessee. I suppose his descendents are still living in Tennessee. I have heard of Tolle's living in Nashville and other places in Tennessee but have never seen any but the cousin Jonathan above named.

I have other letter or rather an extract from a letter written by Rev. George Daniel Tolle who was 80 years old at the date of the letter, April 1900, who at that time lived at: 3162 Oak Street, Kansas City, Mo., who said that his great grand father was named John and came from Scotland with Lord George Tolle (his brother) in the early part of the present century, last century now *(but he must have had reference to the Century before) and settled in Loudon County, Virginia. His great grandfather had three sons but he knew the name of but one of his grandfather George.

His grandfather George had seven sons: John, Matthias, Presley, Stephen, Lewis, Reubin and George. All of these children except George, his father, together with their father moved to Lewis and Mason Counties, Kentucky in 1820. Since that time had no record of them.

His father George with his family moved to Mo. in 1836 in which State he, George Daniel lived ever since, with the exception of the time of the Civil War he lived in the South. The names that we had
and the names that George Daniel had and gave me are the same and the location being the same I infer that they are the same people but whether my grandfather Roger Tolle descended from the John Tolle of the Lord Tolle, I know not. It appears more likely that it was the 18th rather than the 19th Century that they came from Scotland.

Our kindred are numerous and live in Kentucky, Tennessee, Ohio, Illinois, Missouri, Kansas and California. It appears that of our name there was one Lord, several preachers, teachers, merchants, Civil Officers, Lawyers & c.

In 1900 there was a William Daniel Tolle living at Moberly, Missouri, a son of George Daniel of Kansas City, Missouri.

June 9, 1897 - A short sketch of the life of Uncle Aaron Kinslow. Mr Kinslow was born Dec 29, 1812, in Barren County [Ky], on the farm now owned by Mr Beverly Renfro, on the waters of Skeggs Creek, about one and a half miles from where he now lives and has lived ever since going to housekeeping. At the age of seven he went to work in a blacksmith shop under the instruction of his father. After learning the trade, he hired to John Manley, working two years in the shop for him. Mr Kinslow then decided to enter school. He went to school nineteen days, which was all the schooling he obtained. He then opened a shop of his own, where he worked for sixty years at the same stand, and claimed as his regular customers over one hundred persons.

He was always jovial, and never saw the time he could not shake hands with all men. He never had but one difficulty, and that happened at Glasgow. A man was imposing on a boy and Mr Kinslow took the boy's part. The man asked him if he wanted to fight, when Mr Kinslow promptly replied, "I can, sir." A ring was made, the fight began. Uncle Tobe says that he soon gave the man what he needed.

Mr Kinslow was married to his cousin, Miss Mary Kinslow, June 17, 1835. The union was blessed with ten children, nine of whom reached their majority, but all have since died except two. Mrs Kinslow died December 11, 1861, and on Oct 23, 1862 Mr Kinslow was married to Elizabeth Huckleby. Uncle "Tobe", as he is familiarly called, is in his eighty-fifth year, and is jovial as a boy. He boasts that he can throw any young man in the country, and the young men are of the same opinion, as they steer clear of the old man when it comes to a wrestling match. Nat Bradshaw says he would not have backed out when Uncle Tobe proposed to have a "round" with him had it not been that he had a severe pain in his left arm. Mr K never took a dose of medicine in his life, and has abstained from the use of coffee, tobacco and whiskey for the past ten years. He indulged in the above in bygone days, but says he is too nice an old man (now) to use them.

June 16, 1897 - Mr Virgil H Mansfield died at the residence of Mrs George C Young in Tracey last Friday night. Mr Mansfield had been in ill health for some time. He at one time resided on the Buford farm in the lower edge of the county, and was well known all over that section. A few years ago he abandoned farming and stock trading, secured a position with Avery & Sons of Louisville [Ky] and rose so rapidly in the esteem of the firm that he was soon placed at the head of their Texas branch establishment at Dallas, Texas. Shortly afterwards he was married to Miss Lola Young, one of the belles of South Barren, and the daughter of the Hon. Geo C Young of Tracey. The remains were buried in the Young family burying ground in Tracey, Saturday afternoon.
Death is abroad in our land. On Saturday, 6th inst. Mr James D Beck died at his home on Leatherwood branch, of Marrowbone creek, and on the following day, after religious service by Revs. James Menzer and M P Branstetter, was laid to rest in cemetery at the new Marrowbone church. Mr Beck was a high toned christian gentleman and belonged to one of the best families of Marrowbone. He died of dropsy, and was well advanced in years when he died.

Mrs Sallie Branstetter died at the home of her husband Mr L T Branstetter, one and a half miles from Summer Shade on the Burkesville road the 10th inst. and on the following day was buried in the family graveyard at the Michael Branstetter old place. . . . Our tenderest regards go out after the sorrowing husband and two motherless boys.

Mr Frank Belcher, formerly of the Hiseville Community died in Texas one day last week. Mr Belcher had made his home in Texas some years since. He leaves a wife and several grown children.

Mr Clarence Freeman, near Big Meadow Church in this county, had a two year old child to die a few days ago. The remains were interred at the Big Meadows Church in the presence of a large congregation of people.

Prof. J M Hagan and wife, of Bowling Green, passed through Glasgow Tuesday on their way to their old home at Tompkinsville, conveying the remains of their infant child of 3 months, for burial.

Mr Joseph R Witty, after a long spell of sickness, died of dropsy, at his home near Summer Shade, at 7 o'clock Saturday morning, July 16th and was buried in Summer Shade Cemetery, at 3 o'clock Sunday. Services were conducted by Elder John Lyon, of the Christian Church.

August 18, 1898 At 3:15 AM August 16th, near the thriving little town of Cave City, there passed away from the scenes of this earth forever one of nature's noblemen, Mr B Daniel Curd, in his seventy-first year of his life. No man who ever lived in Barren County was better known or more universally beloved. He was a consistent Christian gentleman and was for many years a leading member of the Methodist church in his community. In 1858 he was elected sheriff of Barren county as a Democrat over Mr A P Childress on a combination ticket, by the narrow margin of 25 votes. Funeral services were conducted at the residence at 3:30 o'clock Tuesday evening and the burial occurred immediately afterwards in the public cemetery at Cave City.

Mr George Moran, brother of Mrs John and Tom Moran, of the Bruce community, died at Columbia last Monday morning. His many friends and relatives in this county will sorrow over his loss.

Mrs Clay Steen, daughter of R B Landrum, of Roseville, dies at the home of her husband in the Peter's creek country last Monday morning of the dread destroyer, consumption. Mrs Steen was a consistent and devoted Christian woman. She was laid to rest in the Landrum burying ground near Roseville Tuesday morning.

Mrs Ed L Snoddy, of Goodnight, died at the home of her husband last
Monday night at 11 o'clock, after a long lingering illness. She bore her sufferings well and with great Christian fortitude and has gone to join the throng on the other bright shore. The bereaved husband and family have the heartfelt sympathy of the entire community. Funeral services were held at the residence, after which the remains were laid to rest beside her baby in the burying ground at Jack Boyd's.

Mr Archie Parker, son of James M Parker, of near Coral Hill, died at Jacksonville, Fla. last Sunday morning, of fever. Young Parker was in the regular Army and was about twenty three years of age at the time of his death. He leaves a father and mother and eleven brothers and sisters to mourn his loss.

Mr F H Parrish, for many years a prominent merchant of this place, died yesterday at noon at his home in Horse Cave.

June 16, 1897 - Rev. E W Owen's Letter
Becton, June 10 - Dear Times: Your utterance in this week's paper has encouraged me so much that I scarcely know where to begin. As you intimate that I propose to give some reminiscences of eighty years ago, I will just say that eighty years ago this day I was just one month old, and my recollections of that date are not so clear as could be desired, except that I have often heard my Mother say that my Father was laid to rest in the family graveyard on the 10th of June 1818, which is seventy nine years ago today. So you will perceive that my unfortunate orphanage commenced at a very early age, and its effects have followed me through my long and eventful life, and I am fully satisfied that nothing can compensate for the loss of a father.

Some years after the death of my father, my mother was married to a young man by the name of George W Johnston, who proved to be a cruel and reckless drunkard and gambler, and soon squandered the property, and I left him and embarked on the sea of life among total strangers, without means, at fourteen years of age. I hope you and your numerous readers will pardon this personal notice of my unworthy self. As you have promised your readers some interesting reading, I will endeavor to do the best I can, without further illusion to myself, unless I am compelled to in order to state some incident with which I was connected.

The University of Virginia is located at Charlottesville, the county seat of Albemarle county. Monticello (the residence of Thomas Jefferson) is also located here, just south-east of the town on an elevation sufficient to overlook the town and university. The university was founded by Mr Jefferson, and its construction commenced about the year 1823. When this was completed it was to be the finest institution of learning in the South. It was an enterprise in which Mr Jefferson took great interest. He obtained its charter for it, and had a clause inserted in it forbidding any religious denomination exclusive control.

This was prompted by Mr Jefferson's knowing the intolerant spirit of the English clergy, while this country was under English rule. Church and state then being united, it was considered a high crime against the dignity of the clergy for any one to preach or worship contrary to the prescribed rule of the church of England, and those so offending were sub-
jected to fine and imprisonment, whipping publicly or banishment, at the discretion of the magistrates.

Mr Jefferson, having been an eye witness of this cruelty, based his democracy on the fullest personal freedom of religious liberty and equality rights. This gave rise to the slanderous charge of infidelity by his enemies. I wish to say in this connection that this slander is still being circulated by some who ought to know better. It is no longer than last fall a man posing to be a minister gave utterance to the statement from the pulpit that Jefferson was an infidel, and yet the Democrats had not found it out, as they worshipped him more than God.

Beckton, Aug 10, 1897

Mr Jno Boles and wife, of Glasgow, are visiting relatives in this community.

Mr Haid Holman, of Glasgow, visited at his father's Mr S W Holman Sunday.

Miss Clara Doss and sister Mrs Lucas, of Warren County, are visiting relatives in this vicinity.

Thanks to "Sarah Jane" and "Josiah Allen" for complimentary remarks, and success to the dear old Glasgow Times.

Rev. Ellison filled his regular appointment at this place last Sunday morning, and the singing in the evening was highly enjoyed by all present. The recent heavy rains have put new life into the parched vegetation of the earth, and also into the hearts of the almost discouraged farmers.

Mr Clarence Wheeler who is teaching the school at Walnut Hill was compelled to retire for awhile on account of sickness. Mr W P Coffee will continue the school until Mr Wheeler regains sufficient health to resume his duties.

The acreage of tobacco in this country is very small but the condition seems to be fairly good. Mr J W Brookshire has a piece that is hard to beat, it being in the top and scarcely a worm hole in it. Jim takes great pride in growing good tobacco.

Mr Henry Holman went to his fine watermelon patch a few mornings since, to gather some melons for the market, and behold, some low-down, villainous, sneaking thieves had taken or destroyed the best portion of his patch. Oh what a pity that such rascals have nothing to do but to destroy the fruits of honest men's labor; even at the expense of their own character and souls.

September 18, 1900 Sixty-Three Years a Preacher - Elder Tice Spears is, as far as we are able to find out, the oldest traveling preacher in the State of Kentucky, says the Tompkinsville Record. He is 89 years old and has been actively engaged in preaching for 63 years. He is both physically and mentally preserved well. He can repeat most of the New Testament from memory and never has to turn to the book to quote a passage of scripture. It is thought that he has baptised more people, performed more marriage ceremonies and conducted more funeral services than any other one man in the state. He travels and preaches most of the time and spent a good living for the cause he so dearly loves, and has never received over $250. for all his service. Elder Spear is a member of the body known as Disciples of Christians. He says that he hopes to
be able to preach until his one hundredth birthday when he expect to preach his farewell sermon and retire from the ministry. For many years Elder Spear lived near Eighty Eight in Barren County, but for several years past he has made the residence of one of his grandsons in Cumberland county his home.

Mrs Sallie Kidwell, an estimable lady of Monroe county, died at the home of her husband Mr Tom Kidwell Jr, on Sulphur creek, Thursday of week before last. She left an infant less than two weeks old.

Mrs Lucy Gee, an excellent lady of the Willow Shade country, died at her late home on the 7th inst. She was the wife of Mr G T Gee, and was a woman of many beautiful Christian graces, and her death is universally mourned by her friends and acquaintances.

Mr David Brown, a prominent and substantial farmer near Glasgow Junction, died of typhoid fever last Saturday. Mr Brown was a popular man and good citizen, and was held in high esteem by all who knew him. His brother, Mr John Brown, died with the same malady a few weeks ago. Five children in the family of the latter have been down with the disease for several weeks.

June 16, 1897  "Uncle Henry" Pitcock

The subject of the following sketch, "Uncle Henry" Pitcock, was born in 1822 in Monroe County[Ky] where he lived until he was married. On the 5th day of March 1846 he was married to Miss Elizabeth Hollings, and their union was blessed by the birth of eight children - seven sons and one daughter. His wife departed this life December 28, 1860. On the 14th day of May, 1861, our subject again embarked upon the sea of matrimony, this time taking for his mate Miss Bettie Thompson, to whom were born three sons and nine daughters. Altogether, "Uncle Henry" is the proud father of twenty children - ten sons and a like number of daughters - all of whom save one, he raised until grown, and eight of them remain with him to comfort him in his old age. At the early age of twenty five years he joined the Baptist church, and has for many years been an exemplary deacon of his church. "Uncle Henry" has earned everything he possesses by the sweat of his brow, honesty and economy. He has settled in the woods three times, and has probably done more clearing than any other man in Barren county, as he has cleared a large tract of new ground every year since he began to hustle for himself. Although Uncle Henry was a renter, he now has a home of his own, and it is paid for. He has enjoyed excellent health all his life and has always been very strong, and he says that he wants to clear five or six acres of heavy timbered land this fall, and then quit clearing.

Besides being a Christian of the strictest sect, he is a conscientious, moral man, and a remarkable fact connected with his long and useful life is that he never witnessed a game of cards nor a set dance. What other citizen of Barren county, who has passed the age of seventy four years, can boast of such a record. Socially, he loves his neighbor like himself, and is always ready to lend a helping hand to friends in need. May God abundantly bless all people like "Uncle Henry", is the wish of the writer.

Barren County Heritage

A pictorial history of Barren County, with an informative text, has been compiled during the last two years by — The South Central Kentucky Historical and Genealogical Society

This is a once-in-a-century history. During Barren County’s almost 200 years of existence, only one other history has been published. It was more than a hundred years ago that Franklin Gorin, the first white child born in the county, published his recollections in the Glasgow Times, which he called The Times of Long Ago. Now, comes this history to add to Gorin’s landmark work.

Hundreds of interested county residents, and some who live elsewhere but have roots in Barren County, have combined their devotion and talents to prepare this history. They include —

- 18 authors
- Scores of people who have provided pictures and other material
- 100 or so who have advised or helped in the undertaking
- Other hundreds who have encouraged the effort

This book, to come off the press this fall, will contain chapters on the county towns, including the county seat, Glasgow; rural life, including country life style, farming and rural teaching in the 1870’s; a collection of pictures and text for over a hundred historic homes; social institutions, including politics and government, churches, schools, newspapers and radio; economic endeavors, including banking, transportation, business and industry; the professions of law and medicine; and the county’s colorful military history.

The book will be 8½ by 11 inches overall trim size and will have more than 300 pages featuring more than 500 pictures — some in color. It will be handsomely bound with hard cover, and will have a colorful dust jacket. It will be a book that you will be proud to own.
