IN MEMORIAM

EVA COE PEDEN
APRIL 6, 1918
OCTOBER 5, 1980

Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me. Psalm 23: 4

And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain; for the former things are passed away. Revelation 21: 4

Eva Marshall (Coe) Peden was born April 6, 1918 in Monroe Co., Ky., daughter of Charles Edgar and Mattie Belle (Edens) Coe. She married July 9, 1939, Charles Howard Peden, son of Lucinda Elender Mansfield and Charles Luther Peden, of Barren Co., Ky. Their marriage was blessed with four children:

Jo Anne Peden, who was born June 18, 1944 in Richland, Washington. She married Donald Thomas Smith, and is a teacher in the Hart County, Ky. school system. They have two children: Bradley Thomas Smith and Leslie Elender Smith. They reside in Horse Cave, Ky.

Wanda Lee Peden, who was born April 5, 1946 in Barren Co., Ky. She married Gerald Thomas Scheidt, and is a teacher in Dayton, Ohio, where they reside. They have a daughter Niki Scheidt by his former marriage.

Sue Elender Peden, who was born October 28, 1947 in Barren Co., Ky. She married Howard Dickson Taylor, and is a nurse. They have three children: Brian Lawrence Taylor, Emily Gist Taylor and Micah Dickson Taylor. They reside in Barren Co., Ky.

Charles Howard Peden Jr, who was born January 11, 1958 in Augusta, Richmond Co., Georgia. He is now in his senior year at Western Kentucky University, Bowling Green, Ky. He resides in Glasgow, Ky.
Eva died Sunday morning at 8:30 A.M. October 5, 1980. She was survived by her husband, the above children and grandchildren, and two sisters, Mrs Virginia Emberton, of Tompkinsville, Ky., and Mrs Bonnie (John) Martin, of Phoenix, Arizona; and one brother, Durelle Coe, of Indianapolis, Indiana.

Funeral services were held Tuesday, October 7, 2 P.M. at Hatcher and Saddler Funeral Chapel, with Dr Patrick E McDowell, pastor of the Glasgow First United Methodist Church officiating; and Mike Dunn, organist. The casket bearers were: Allen Bradshaw, James H Bybee, Lewis Button, Worthy Britt, Ray Lewis Dillingham, and Marvin Matthews. Burial was in the Peden Family Cemetery.

Eva was a member of the First United Methodist Church of Glasgow, Ky.; Past Matron of Glasgow Chapter No 257 Order of the Eastern Star; Past Worthy High Priestess of Shrine No 4 of the White Shrine of Jerusalem; Past Matron's Club; Shrine Club; Co-founder and charter member of the board of directors and incorporators, past corresponding secretary, and co-editor of the South Central Ky Historical and Genealogical Society Inc; Kentucky State Historical Society; Monroe County Historical Society; Green County Review; Hart County Historical Society; History Speaks (Metcalfe Co Ky); and member of many other local, state and national societies.

She was author and co-author of many historical and genealogical books. These will be found listed at the end of this tribute. Many authors and compilers of like works gave her credit for her generous help in contributing to their research. She has touched countless numbers of lives other than her family and close friends, as she has been for years a remarkable source of information to family line researchers. She was both accurate and thorough in her assistance, and as she had accumulated a library of considerable size, both in books and family vertical files, she was able to open many hitherto closed doors for her clients.

Dr Lynwood Montell, Professor and Head of the Department of Intercultural Studies, of Western Kentucky University, in his book, "THE SAGE OF COE RIDGE" - A Study in Oral History, published 1970, states that both Mrs Howard Peden and members of her family had contributed extensively to the data assembled for his book. This book includes her family line of Coe.

Our historical society owes an everlasting debt of gratitude to Eva Coe Peden, who with other dedicated historians and genealogists of Glasgow, saw the need for an organization which would disseminate needed genealogical and historical data relevant to this area, to other interested persons. Barren County has a Historical Society (now dormant) which was founded some forty or more years ago, and which was very active at one time, compiling many valuable records, most of which are now available for research in our local library; but they did not issue a publication. Eva was a member of this society while it still assembled.
Therefore, in January 1973, a new society was founded and incorporated under the name of "The South Central Kentucky Historical and Genealogical Society Inc. Both Eva and her husband Howard were among the incorporators. This society planned to compile and publish a quarterly, and accordingly, the first issue was mailed to our members in April 1973. As one of the original and continuing editors, Eva set high standards for the quarterly, and was ever eager to furnish our members data which they were most interested in. Countless hours of her life were spent collecting and transcribing material for the publication - hours which she thoroughly enjoyed, as by doing this she was able to help others.

We shall continue to abide by those same high standards; we shall be constantly grateful for her instruction and inspiration; and we are proud to announce that the byline, "Contributed from the files of Eva Coe Peden" will remain a feature of our publication, as her husband Howard has very generously offered to continue furnishing material to our publication from Eva's files.

When she learned in September 1978 that she had cancer, and that even with chemo-therapy, the outcome was in doubt; she doubled her efforts to type her notes and ready them for publication as speedily as possible. She was nearing completion of the second volume of Barren County Bible Records, and also the second volume of Barren County Cemetery Records. Her family plans to complete and publish these books before too long. She told this writer she worked so hard because it helped her to forget the terrible burden she carried, and that she tried to think and plan no further than day by day. Her great love for genealogy and history allowed her a pursuit that could engage her attention sufficiently to draw her mind away from that terrible verdict. This served as long as she was physically able to work; she never "gave in" to her illness - she fought it bravely all the way, uncomplainingly. She had such a store of courage. After about a year and half of those painful treatments, her doctors asserted that they could "wave the victory flag" over this case - then very shortly afterward those terrible headaches began - prognosis, tumor in the brain, inoperable - life expectancy six months.

To all of us, her family and friends, that last six months seemed in retrospection, such a short time. Soon she was confined to a wheel chair, then to her bed, and then the last month in the hospital. So terribly soon came the time for Eva to leave us. Daily her increasing weakness was evident; her voice becoming a whisper, and then the faint whisper failed to make itself heard, yet she was always conscious, and was made fairly comfortable with a minimum amount of medication. Our prayers were answered there, for we had prayed that she would not have to undergo uncontrolled agony. Thank God for that. That the end was very near became evident only a few short hours before death came. While many were preparing to go to Sunday School and church, God took Eva to her heavenly home.
Her funeral was held on a bright autumn day, the blue skies holding captive a few scattered white clouds moved around by gentle breezes - natures' benedictions. The Peden Family Cemetery is located in the county, about seven miles from Glasgow, a short distance from the main road. The little graveled lane which led from the road, carried the procession across a small wooden plank bridge spanning a dry and rocky wet weather stream bed - gently climbing upward and curving around a high hill to the level top, where we stopped outside the fenced in graveyard - God's Acre.

We viewed a well kept large family graveyard, containing the graves of perhaps as many as five generations of Pedens and allied families; the older part of the grounds being shaded and guarded by numerous huge, towering cedar trees, some of which may be as old as 147 years - the oldest, or first grave having been placed there in 1833.

So, while our hearts grieved and our tears were shed for our loss, her earthly body was laid to rest amidst this scene of quiet beauty - on the brow of that high hill, the encircling horizon displaying the beautiful green verdure and the self same hills and hollows which those already resting Pedens had chosen for their settlement in this spot so long ago, when both Kentucky and Barren County were mere infants. This scene which she had enjoyed so many times, surrounded by these graves which she had tended lovingly through the years. This place she had chosen for her resting until the final awakening. While the last prayer was being given, in the distance was heard a few notes of a bird, like a musical farewell, and very nearby the cheerful chirp of a cricket, giving his solo to the background music of other natures' creatures, telling us that live will go on, and that through our sadnesses, God promises that he will wipe all tears away, and that we all have a better and happier life when we too, have finished our time on this earth, if we only receive him into our hearts.

There it was that we said farewell to our dear Eva; she was beloved by me and so many others. Yet through my sorrow, I have the comfort of knowing that, at will, I can bring her back into my memory, reliving our words, and the many joyous times we have spent together; and I thank God, repeatedly, that he made me the gift of her friendship, and all of the many things involved in that friendship that have permanently enriched my life - and the lives of so many others whom she has helped to preserve the heritage they are passing down to their descendants. I miss her very much. She has filled empty spaces of my mind - her loss has closed chapters of my life - she was such a good and true friend. I shall always miss her, and I thank God that I was given the privilege of knowing and working with her. I also know that as long as her published works exist, she continues her great work of preserving the heritage of our forefathers and her memory will be blessed.

Jan 24    First meeting of the year held on Thursday evening at 7 o'clock at Mary Wood Weldon Memorial Library. James Disman, who is preparing a topic on Rural Life for the Pictorial History of Barren County Ky., that is expected to be published by the Society later this year, was speaker for this meeting. Mr Disman gave comparative figures on agriculture in the early days of the county and told how they compare with our agricultural products of today. A general discussion pertaining to methods of early farming, early farm implements, land clearing, log rollings, house and barn raisings and the social activities of the rural community, took place also. Every one present seemed to enjoy this meeting.

Feb 28    Mr William J Lawler, president of the Hart County Historical Society was the features speaker for this meeting. Mr Lawler told of different plans and ways they were using to finance their projects. Presently, they are preparing a museum for the county, hopefully to be finished this year. Mr Lawler continued his talk by describing some of America's past heroes, and conclusion stated that we of today are in need of some national heroes that would be comparable to those of earlier years. Every one present was quite attentive and seemed to enjoy this meeting.

Mar 27    Brice T Leech, who is compiling the county commercial history for the Pictorial History, gave some unusual and interesting facts on the early country and city stores of early Glasgow and Barren County. Mr Leech had in his possession an inventory that contained the name and price of each item and article that could be purchased in these early stores. Comparing prices with the price of merchandise now, we all felt that the economy was in better condition then, than it is of today. At the close of the meeting a general discussion was held.

Apr 24    The featured speaker for this meeting was Nancy D Baird, who is presently librarian at the Kentucky Library at Western Kentucky University. Mrs Baird, an accomplished historian and author, gave an address on the life of Gov. Luke P Blackburn, who was elected and served one term, 1879-1883 as the twenty ninth governor of Kentucky. Gov. Blackburn was a medical physician by profession, and from the beginning it appeared that his chance for winning was quite slim. However, he went on and captured the fall election with the honor of being Kentucky's first governor from the medical profession.

May 22    The program for this meeting was presented by Dr. Harry L Jackson, a Kentucky historian, author, and art collector, of Bowling Green, Ky. Dr. Jackson's talk was well received, as he went into detail, and told of exploits of the noted bandit Jesse James and his gang of robbers who harassed this area during the
latter part of the last century. Dr. Jackson told also why Virginians refer to Kentuckians as long-gone briarpatch cousins, none of whomever learned to read. The story goes that a proud Kentuckian in retaliation asked the Virginian to prove his statement. "The dust of our golden voiced orators demand it said the Kentuckian. "That proves itself," replied the Virginian. "Long ago we posted a sign at our end of the Cumberland Gap that said, 'Anybody who goes beyond this sign is a damn fool!' So all who could read, went back home!" Every one present seemed to enjoy this meeting.

Jun 22 State Representative Bobby H Richardson and Attorney Woodford L Gardner gave a preview on the topics that each have prepared for the Pictorial History. Every one is eagerly waiting for this publication, which is expected to become a reality by early autumn.

Announcement was made that our next meeting will be replaced by the Society's annual picnic. Birdie Lutzow was named to complete plans for this annual event.

July 17 Several members and guests of the South Central Kentucky Historical and Genealogical Society met at 6 P.M. at Weldon Park on Cleveland Avenue in Glasgow, Ky., and enjoyed a delightful picnic.

Aug 28 Miss Kay Harbison who is president of Metcalfe County Historical Society, was speaker for the meeting. She told what their society is doing to collect and preserve the History of Metcalfe County. They are presently compiling Bible, Cemetery, church, and some school records. Other items that they are collecting are old photos and early county newspapers. Miss Harbison also gave a brief history on each of the communities of the county along with the origin of their name. This was an interesting meeting.

Sept 25 The speaker for this meeting was Miss Mary Davis, a retired Glasgow High School teacher, and past Regent of the Edmond Rogers Chapter of the Daughters of the American Revolution. Miss Davis gave an interesting and inspiring talk on the history of this national organization; and also told of projects that have been achieved, and of future plans to perpetuate the memory of our Revolutionary War patriots.

Oct 5 Death of Mrs Eva Coe Peden - one of the first 10 directors and original incorporators of the South Central Kentucky Historical and Genealogical Society.

Oct 23 The Building and Preservation of Historic Sites committee and the committee on future projects planned for the future, gave reports at this meeting. Quite a bit of discussion took place among the committee members, and members of the society. This was a rather lengthy meeting, and well attended.
Oct 30  Pictorial Histories arrive for distribution.

Nov 20  Dr. Lynwood Montell, Head of the Department of Folk and Intercultural Studies at Western Kentucky University, of Bowling Green, Ky., and his Assistant, Dr. Anderson, presented the program for this meeting. Dr. Montell demonstrated his lecture on "How to Recognize and Appreciate Historic Houses," by the use of miniature models of early American homes, and by movie slides taken of the different styles. We were told of the name and origin of the 'dog trot,' 'shotgun,' the letter I,' along with many other house classifications.

Dr. Anderson gave a follow-up by presenting a movie film on the homes of the Pilgrims and Indians of the Massachusetts Bay Colony. Life of the Pilgrims and pictures that depicted scenes of the first Thanksgiving were shown also.

This was an educational and interesting meeting and was greatly enjoyed by all.

Dec 25  No meeting.

With best wishes to all our members in the coming year.

The following is a letter written by Benjamin Franklin Matthews, my great, great grandfather in 1897. He was very interested in fine dogs, especially those of the Trigg variety.

Sept 11th, 1897
Glasgow, KY

Mr. A. Tinnin

Dear Sir - The old saying - "Truth is stranger that fiction" was never more fully verified that now. I wrote you and mailed the letter last Monday, described the young bitch Annie and explained the case I think fully. I fed her early in the morning and had her confined in a chicken yard - was from home all day, my wife fed her at 12 o'clock and gave her water. When I got home at sundown she was dead.

I brought her from Mr. Renfro's in a buggy. She was in a fix and apparently in good health. So you can see, I was in a Fix. I went to see old friend A. J. Christmas in Tuesday and told him the hole case through about the Martin back out and all. He told me he had a bitch out in the country three or four miles he would let me have at the same price. And after describing her and her breeding, I decided to ship her to you on the 13th.

She is two years old, has had one litter and has not been run much since last winter.

I hope this will be satisfactory.

Yellow and White Fox Hound bitch sired by Rather (Dick's Dog) he by Jim Sibbins, he by Trigg, he by Lead Pete (see chart). Her dam was out of Nora Smith she by Wild Goose. Nora's dam Minnie G. Birdsong out of Light she by Tall out of Ellen. Tall by Ward out of Lize she by Riss out of Bee (litter sister to chase) Jim Sibbins dam Fannie by Trump out of Della. Trump by Rock out of Mercv.

I have given you the plainest facts in the case and hope you will be pleased with them as I knew you wanted a clear cross for the Tomp-Dal pups. is bred in the purple, and I was glad to secure her for you.

I have had tough luck clear through. Annie died on my hands and of course by loss. Please write me after you have had _____ out and let me know how she works with you dogs.

Respectfully,
B. F. Matthews /s/
THE DYNAMITE CLUB

The Dynamite Club met last night at the usual place, but at the request of the President, Mr. George R. Gorin, adjournment was effected in order to give the chemist of the club, Herr Vogel, time to make certain preparations. It is understood that several applications for membership have been favorably passed upon, and the ceremony of initiation will take place at the next convocation of the society. The rite is stated to be very impressive - blue lights, coffins, human skeletons, Vogel's wolf and two bears all assisting in the affair. After taking the oath the new members will be seated over a dynamite cartridge and blown through the roof of the building. The TIMES does not hanker for a membership in the Dynamite Club.

1 pint cherry preserves
1 teacup of whiskey or brandy
Blend all the fruit except orange and lemon rinds and soak over night in the spirits. Steam for 3 hours and then bake for 2 hours.

These are only a very few of the recipes from Mrs. Terry's cookbook. Today we think nothing of just running out to the store to buy all sorts of foods to stock our pantries, but many years ago all of the foods were cooked at home with only a few of the ingredients having to be bought.

MINUTES OF PLEASANT HILL NO. 2 BAPTIST CHURCH
1855 - 1873
(Continued from Vol. 8 - No. 1)

These minutes are now in the possession of Mrs. Trulon Britt, nee Ollie T. Winn, Route # 10, Box 107, Glasgow, Kentucky 42141. Pleasant Hill is not located on Highway 249 as was erroneously reported in Vol. 8, No. 1, of this Quarterly, but rather has been found to be still active at Allen Cross Roads. The Church is on the Peters Creek Road a few yards south of Highway 1318 (Tobacco Road), and has been in existence since 1829. The present congregation was unaware of the existence of these minutes, and of the fact that services were even held during this period. We are grateful to Ollie Britt for the "untrunking" of this book which adds yet another piece to the puzzle for many people.

The following was typed and noted from the original book by Marjorie Ralston, who left the original spelling intact. (Heaven help us!)

THESE MINUTES WILL BE CONTINUED IN FUTURE QUARTERLIES, ALONG WITH SOME OF THE OTHER OLD PAPERS AND LETTERS FROM THIS SAME COLLECTION.
Dear Cousin Ollie:

I have your letter of Jan 16th and when I have time I will go through my files and see if I can connect this Green Settle & etc. I notice with interest that you would like to have a record of our Barren County (Ky) Settle Family; so, I am going to send it to you. You can keep it as long as you see fit and then pass it on to whom you please.

To save space and bulk in mailing I will write on both sides of each sheet. It may take careful reading and some study before you fully understand this entire matter.

With Best Regards,

Simon DeWitt Settle

Code as to abbreviations - b, born; m, married; d, died; circa, calculated; 1-2-3- etc generation in America

If there is any part of this that you want explained please do not fail to ask me. /s/ S. D. S.

Some Facts Relative to the "Settle" Family in Barren County, Kentucky.

The first of our Settle Family in America was Francis Settle, he was born in Yorkshire, England about 1635, he came to what is now Richmond County, Virginia in 1656, his wife was named Elizabeth (maiden name unknown), he died in Richmond County, Virginia 1708, his sons were, John, Thomas, Francis, Henry.

John Settle was b circa 1660, m 1680 Mary Strother, d 1738 in King George County, Va, Issue (sons): Francis, William, Joseph, Benjamin, Strother, Isaac, John.

Isaac Settle was b in Va circa 1706, he m 1726 in King George County, Va, Charity Browne, daughter of Maxfield Browne. Their first home was in King George Co, Va. In 1742 he moved with his family from King George County, Va, to what is now Fauquier County, Va. His home there was on a 370 acre tract that was on Barrow's Run. This tract was granted to him in 1742, by Thomas, Lord Fairfax, Proprietor of the Northern Neck of Va. He died at this location in 1752. This old home place on Barrow's Run in Fauquier County, Va, was held by his son
George Settle until 1806 when he (George Settle) came to Buck Creek, then in Warren County, Ky., but now in Barren County, Ky.

XI. 4Francis - born 1740, died in Va.

(Notes by S. D. Settle) With the 4th generation ie: 4George Settle, we really begin our Barren County Kentucky record. I will give that part that is relative to your line, in more detail.

George Settle, son of 3Isaac and Charity (Browne) Settle; was born in King George County Virginia in 1738. In 1742 he moved with his father and family from King George County Va. to Fauquier County Va. After the death of his father, George Settle came into possession of the old home place of his father (Isaac). This home place was on the east side of Rappahannock river and also on Barrow's Run. George Settle lived at this location until 1806 at which time he moved from Fauquier County Va. to Buck Creek, then Warren County, Ky., but due to a change in the county line between Warren and Barren Counties, Ky. Buck Creek is now in Barren County, Ky. At the head of Buck Creek he built a home, opened up a farm and in 1810, built a mill. This was a water powered grist mill with an overshot water wheel. This mill was at the big spring that heads Buck Creek.

George Settle was not the first of his family to come to this section of Kentucky. His son William was the first to come. He (William) came in 1797 and settled on Skaggs Creek and founded the town Old Rocky Hill. In 1802 his son 2Simon (son of 4George) came to Barren Co., Ky. and settled on land adjoining his brother Wm. (These matters will be shown later in this record) In 1806 4George Settle in company with his youngest son Charles Settle, his slaves, his baggage and equipment and also in company with his daughter 3Hannah Willis and her husband William Willis and their family; in company with his daughter Molly (Mary) Smith and her husband Elijah P. Smith and their family. The Wm. Willis family settled near Buck Creek. The Elijah P. Smith family settled on land that adjoined the land of her brother William Settle at Old Rocky Hill.

4George Settle married in Fauquier County Va. circa 1761, Mary Morgan, daughter of William Morgan. She died in Fauquier Co., Va. before 1806.

Issue: (All born in Fauquier County, Va.)
I. Thomas - born circa 1762, d. Franklin Co., Ky. 1816
II. Hannah - born 1765 m. William Willis, died in Barren Co., Ky. before 1820

I will list for you below, the family of William Settle (son of Geo.) and the family of Simon Settle (son of Geo.); also the family of Samuel Smith because your line goes back to each of these men.

William Settle, son of George and Mary (Morgan) Settle, was born in Fauquier County, Virginia 25 Feb. 1770, and died 25 Feb. 1808 in Barren County, Ky. and is buried in the family burial plot on his old home place at Old Rocky Hill. (Old graveyard, on the hill near the big spring).

He married in Culpeper County Va. circa 1790 Elizabeth Huffman, a daughter of Tilman Huffman, a Revolutionary War soldier.

In 1797, Wm. Settle and family came to Barren County Ky and bought 394 acres of land from the Henry Vowles Military Survey. By trade he was a planter and gunsmith. He made Kentucky flintlock rifles. This old home place is today (1962) known as the Garland Page farm. He built his house on the hill near the big spring. This house is now gone but the foundations can still be seen. The house that is now on this place was built in the 1840's by his oldest son Franklin Settle.

Simon Settle came to Barren Co., Ky. in 1802. His father George Settle gave him a good farm that adjoined the land of William Settle (his brother). Here he built a very unique brick house and here he lived until he died. This farm in today (1962) known as the Babe Williams farm and part of the old house is still standing (but will soon go under water).

XIV. 6Simeon (Sim) - born 1830 not married.

From the record you will see that Samuel Smith had three daughters who married Settle men and one son who married a Settle girl. ie:

5Charles Settle (son of 4George) m. 1811 Elizabeth Smith; 6French Settle (son of 5Wm. Settle) m. Matilda Smith; 6Felix Settle (son of 5William Settle) m. Sally C. Smith; Washington Smith m. 6Polly (Mary) Settle (Dau. of 5Wm. Settle).

Samuel Smith was born in Northumberland County, Virginia 19 April 1763. Before 1800 he moved to that part of Warren County Kentucky that was in 1815, formed into Allen County, Ky. His home place was just west of Port Oliver and on a bluff that overlooked Barren River and at a point on Barren river that is today known as Irwin's Ford, near Meadow, Ky. He was a Revolutionary War soldier and served in Captain Daniel Morgan's company of riflemen. In 1833 he was allowed a pension for his service.

In Allen County, Kentucky, he was a farmer and also in partnership with his sons-in-law, 5Charles Settle, 6French Settle and 6Felix Settle, he opened a "Salts works". The well that furnished the salt water from which the salt was evaporated, was drilled on the north side of Barren river and on the land of French Settle. This land on which the well was located was in Barren County, Ky., the kettles, 50 - 200 gallon, iron kettles were on the south side of the river and in Allen County, Ky. The salt water was piped across the river in wooden pipes. At the death of Samuel Smith this salt works was sold to the Irwin family, 1839.

Samuel Smith married, circa 1785 Sally Catlett, of Northumberland County, Va.

He lived at the home of his father at the head of Buck Creek until after the death of 4 George Settle in June of 1820.

He then moved to a good farm that had been given to him by George Settle. The place to which he moved was near Old Rocky Hill and the land adjoined the farms of his brothers William and 3 Simon.
