

Bill
Dental Legislation
Introduced: 2-28-78
Passed/Failed: _____

Whereas, the Associated Student Government of Western Kentucky University is the elected voice of clubs and organizations affiliated with this university,

Whereas, laws and regulations relating to the practice of dentistry, dental hygiene, and dental specialties are of great significance to students, faculty, and administration of this university who are involved with these programs,

Whereas, it is our understanding that an amendment has been proposed by the Business, Organizations, and Professions Committee of the Senate which would delete the words "practice dental hygiene nor" from Section 313.310 of the Kentucky Revised Statutes,

Be it hereby resolved that the Associated Student Government of Western Kentucky University supports wholeheartedly any legislation which maintains the high standards of the profession of dental hygiene and the dental profession in general, including the support of Section 313.310 of the Kentucky Revised Statutes in its present form
