Dear Robins;

I do hope I have a new typewriter ribbon before I write the next! Don't you think I need one!

Everything about the same here. Glad to hear and read about the Sutter wedding. The next time we send the Robin, we should have pictures and write-up about David's Toni's wedding. He and Beth went to Amarillo a week ago for it. I really hated to miss it, but just was not up to the drive up one way (450 miles) and back the next. Too, I hated to leave Joe for two days and one night. That is a long time to be alone, not able to drive, etc.

Tatums, loved the Easter picture. I could see the results of Sylvia's hand work. The family picture of the Sutters is very good, too. Also, glad to see the school pictures. Em. I'm strong is favor of these school pictures. They make a wonderful collection through the years. Beth and Joley have school year books which a good to have. And they are so proud of them. This year when they brought theirs over, I got out my high school one of 1928 to show them how GOOD I was....most popular girl, on basketball team, tennis winner of district and cheer leader. They really thought it was funny that Granny could do it!

I'm back in swimming suit making. Beth and Joely have both out grown their last year ones. The price of ready made ones, is just unbelievable! For about \$2-\$3 I can make two for each of them.

Joe and I plan to fly to Arkadelphia, Ark. for a Hollingsworth reunion the 23rd. and 24th of June. We had one about the same time last year. At deGray State Park. I beautiful place on a tremendous lake with all kinds of things to do. Good camp sites for campers or tents and good commercial places like Holiday Inn, where we will stay. There is a Lodge in the park where we stayed last year but could not get a reservation this year. I called last November and they were full for the week-nd we needed it! But the Holiday Inn is only about 4-5 miles from the park and others will be staying there for us to get rides with. We will fly to Texarkana and a nephew will meet us.

I hope the trip is not too hard on Joe. He is eager to go so I try to do any and everything he wants to try. I'd like to go to Bardstown in July and we may try it, especially if the Masons plan to be around there again. We would love to see the Tatums, Bowling Green folks and Joe Wilson's family.

This is the usual busy Monday morning, so I'd better get to my chores. Love to all of you.

Jette
