The Council of Academic Deans met Saturday, May 24, 1969, at 9:30 a.m. in Dr. Cravens' office. All deans except Dr. Hourigan were present.

The first item discussed was the question of the role of the Council of Deans relative to the Board of Regents selection of a new president of the University. After lengthy discussion it was agreed that the deans should not individually approach members of the Board to discuss the matter but speak as individuals only if solicited to do so by the Board. The Council also agreed that they should indicate to the Board of Regents their willingness to be of service should the Board want to call upon them. Dr. Cravens indicated he would call Mr. Douglas Keen and tell him of the Council of Dean's position.

Next it was agreed to change the item on the agenda of the Academic Council to read: Report from D. H. E. Shadowen on Board of Regents Consideration of President Thompson's resignation.

The deans were notified that they should select a banner bearer to represent their college in graduation exercises. Names to be turned in by Friday, May 30.

Dr. Cravens said he would ask President Thompson for more time to study student membership on University Committees. He asked the deans to be think about voting rights for student members on sub-committees.

Meeting adjourned.
