THE COUNCIL OF ACADEMIC DEANS

June 30, 1969

The Council of Academic Deans met in Dr. Cravens office at 1:30 p.m., Monday June 30. Dr. Minton presided over the meeting attended by Deans Jenkins, Russell, and Hourigan and Dr. Crawford Crowe and Mr. Robert Sleamaker, representing Dr. Hatcher and Dr. Page respectively.

Dr. Minton called attention to proposed revisions in the pay scale for teaching graduate extension courses. Deans Jenkins and Russell indicated they felt the rates were still too low and that they would like to consider this item of business further. Dr. Minton said it would be retained on the agenda.

The deans having no objections, it was agreed that a modified calendar would be used during the 1969-70 school year to facilitate transition to the revised calendar in 1970-71.

Dr. Chelf indicated he would contact Mr. Walters about the TV programs on the Community College and would inform the deans as to the outcome.

The deans were reminded that their college summaries for the President's report are due July 3.

Next the deans turned their attention to student membership on University committees. The proposal was discussed at length and several potential problem areas explored. Dr. Russell asked that the members of each college curriculum committee and the department heads in each college be polled to determine their feeling on this matter.

The council agreed to meet again next Monday.
