1932

ENUMERATING SHEET FOR RECORDING SCHOOL CENSUS DATA

Greenville District in Muhlenberg County. Subdistrict No. _____ Year 1932

KENTUCKY SCHOOL CENSUS LAW

Section 4449, Kentucky Statutes. "It shall be the duty of the trustee of each subdistrict, biennially during the month of April, to take an exact census of all the children that reside in such subdistrict on the first day of April, who will be, on the first day of July following, between the ages of six and eighteen years, and on or before the first day of May report a list of the same to the county superintendent, and a duplicate list to the clerk of the county court, to be filed in his office, specifying the name, age, sex, and names or the parents or guardians of each child, to be entered in a book furnished him by the state and kept as part of the records of his office. Should said trustees willfully add to the list the names of persons not entitled to be placed on same, or otherwise knowingly make a false list, such persons thus offending shall, in addition to being liable to punishment for the crime of false swearing, be subject to a fine of not less than fifty dollars; and should any other school officer be a party to such fraudulent lists, or in any way aid in the commission of such fraud, he shall be liable to the same punishment. For a failure to take such census and report the same within the time and in the manner herein required the trustee shall be liable to a fine of not less than twenty dollars (\$20.00); and said trustee shall not take the census of any children who have recently removed into the district and who have been previously reported in the census of the pupil children for the year in the district from which they have moved, or who had recently removed into the district from another state or county; but any pupil child who may not have been reported in the district in which he resides may attend the common school without payment. This section shall be printed in the census blanks furnished by the superintendent of public instruction."

Section 4434a-3, Kentucky Statutes, in part. "He shall make a complete census of illiterate children of school age, with the names of their parents or guardians, with their post office address; also the names of all children of school age who have completed the common school course, together with their ages. He shall make a census of the names of the children who are attending school outside of the district in which they reside (private school). This census and these reports must be made by the subdistrict trustee at the time now provided by law for taking the school census."

INSTRUCTIONS TO THE ENUMERATOR

Be sure you know the boundary of your district or subdistrict before attempting to take this census and be careful not to list children outside of your boundary. Visit each home, residence or place of abode, in the district, and, by actual observation and interrogation, enumerate the census children of the same. Consult family record, if one is available.

Include in this list only children who were bona fide residents of the district on the first day of April. Include children six years of age on or before the first day of July but do not include any who are eighteen years of age on or before that date. Do not include children who moved into the district or subdistrict after the first day of April or who reside only temporarily (for employment or other purpose) therein.

Enumerator must swear to this report and deliver two copies of same to the county superintendent, on or before May 1.

JAMES H. RICHMOND,
Superintendent of Public Instruction.

1932 *Greenville - Cal.*
