LANDMARK ASSOCIATION
10TH ANNUAL MEETING
Monday, May 14, 1990

Make your plans to attend the 10th Annual Meeting of the Landmark Association. This year in celebration of National Preservation Week, our meeting will be held at the historic Shaker Tavern in South Union, Kentucky on Monday, May 14, 1990. A wine and punch reception will begin the activities at 6:00 PM, followed by a traditional Shaker dinner.

The keynote address will be given by Philip Thomason, a preservation planner from Nashville, Tennessee. Phil, who grew up in Bowling Green, will discuss and show slides on his topic of "Preservation Planning - An Agenda for the 1990's." He is the son of Jean and Hugh Thomason and is Director of Thomason and Associates, a preservation planning and consulting firm. Over the past eight years his firm has completed over 150 preservation projects in the South and Midwest.

Phil graduated from Knox College in Galesburg, Illinois with a BA and received his Master of Arts in Historic Preservation from Middle Tennessee State University in 1981. He has served on the Board of Directors of Historic Nashville and as Chairman of the Tennessee Heritage Alliance.

Officers and Board members for 1990-91 will be elected at the meeting in addition to the presentation of the 1990 Heritage Award.

Invitations to all members will be mailed, and guests are welcome. For further information or to make reservations, call the office at 782-2489. Tickets for the event are \$17.50 per person of which \$6.50 is tax deductible. Because the Tavern seating is limited to around 100, please make your reservations early to be assured of a place.

FROM THE PRESIDENT...Herb Smith, Jr.

Over the past several weeks, two very important committees have been working hard to increase Landmark's membership base. Jay Sloan, Membership Chairman, and Douglas Thomson, Corporate Membership Chairman, with the help from Board members, have added 65 individual and family members and 12 corporate members since the first of the year, as well as upgrading the membership of several of our corporate contributors.

These additional members are important as they add to the numbers of persons and organizations committed to preserving our valuable architectural and cultural background. A growing membership is also important as it gives us a stronger financial base from which to work.

Funding for Landmark has been a combination of city and state contributions, along with membership dues and fundraising activities. But, our state funding has run out, so this requires from us a greater degree of local support.

I would like to urge each member to help, and in this respect I challenge each current member to recruit one new member OR give a gift membership to a friend or neighbor. This would double our membership, add vitality to our preservation program, strengthen us financially, and add a new dimension to the lives of these new members.

WILL YOU ACCEPT THIS CHALLENGE? Use the form below for your new member.
