**Administrative History:** The Registrar's Office was created in 1909 and served the dual function of registrar and bookkeeping for the school. Registrar services have expanded through the years relative to the need of the academic community. The office currently provides academic support services in three major categories: registration activities, organization and maintenance of academic records and graduation services.

**Description:** Series contains annual reports and head count books recording statistical data such as gender, county and student status by quarter. Also contains state university enrollment comparison.

**Dates:** 1932-present

**Extent:** 1.25 cu. ft.
