Billy Kennedy, Scots-Irish Expert to Speak in Bowling Green

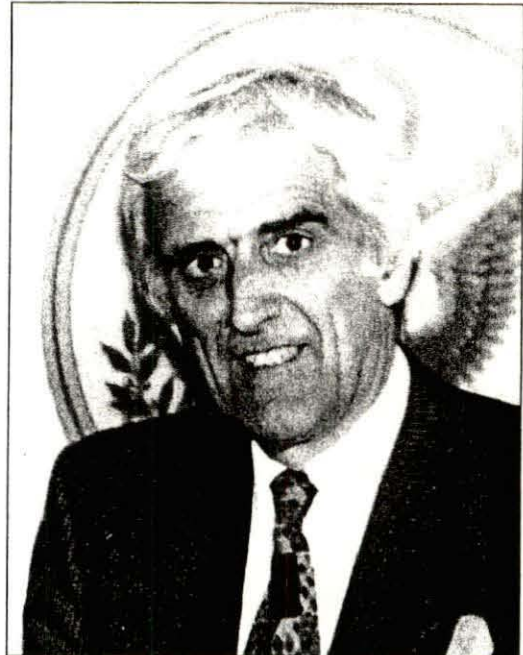

The Southern Kentucky Genealogical Society, the Landmark Association, and the Kentucky Library at WKU are pleased to present a lecture by Northern Ireland journalist and author, Billy Kennedy. He will discuss the Scots-Irish diaspora in the United States, with particular reference to the late 18th century Kentucky and Middle Tennessee settlements including some of the luminaries who emerged from this hardy strain of people. The meeting will be held on Sunday, March 10th, at 2:30 p.m. at the Kentucky Library, Western Kentucky University.

Kennedy is a widely recognized journalist in Northern Ireland, where he has written for the past 30 years. With the *Ulster/Belfast News Letter*, a newspaper founded in 1737, he was a news editor for 18 years and assistant editor and lead writer for five. He now operates as a full-time freelance journalist, public relations consultant, author and lecturer. His abiding interest is in the history of the Scots-Irish settlements on the American frontier. Kennedy has lectured on the Scot-Irish diaspora in American in major cities and towns in the southeastern Appalachian region, on the eastern seaboard and in Texas. He is also an authority on American country music and culture.

Kennedy's six books are: *The Scots-Irish in the Hills of Tennessee* (1995), *The Scots-Irish in the Shenandoah Valley* (1996), *The Scots-Irish in the Carolinas* (1997), *The Scots-Irish in Pennsylvania and Kentucky* (1998), *Faith and Freedom: The Scots-Irish in America* (1999), *Heroes of the Scots-Irish in America* (2000). Kennedy's newest book is entitled: *The Making of America: How the Scots-Irish Shaped a Nation*. Kennedy will have some of the books available for signing at the meeting. This highly popular series of books considerably widens the inspiring story of how a highly determined and very courageous God-fearing people from the north of Ireland stamped their distinctive Presbyterian character on the various facets of American life.

In the establishment of the United States, the Scots-Irish were one of the most highly influential groups, both in the drawing up and signing of the American Declaration of Independence on July 4, 1776, and in the Revolutionary War which followed. This group of dedicated stalwarts, whose families emigrated to American from the Irish Province of Ulster throughout the 18th century, were resolute and uncompromising champions of the movement for American independence.

Our own inimitable Ed Moody will give a brief bagpipe concert after the presentation.

1797 Kentucky Land Grants South of Green River [continued]

Bowling Green, KY 42101

The Land Grants South of Green River are contained in 29 books and comprise 15,730 separate grants. They were granted between 1797 and 1866. The grants, sometimes called "Headright Claims" were based on an Act of Kentucky General Assembly dated 21 Dec 1797. Until 1797, no person could enter a survey within this area except a soldier. The 1797 Act of the General Assembly opened up the vacant lands in this area to any person possessed of family and over 21 years old. Such persons were entitled to not less than 100 acres and not more than 200 acres. They had to have lived on the land for one year before they came into actual possession. The surveys upon which these grants are based are recorded in 18 books in the Kentucky Land Office. The following are part of those recorded in Volume 1 of these grants. They were transcribed from the filmed original Grants South of Green River, Volume 1, 1797-1803, FHL film 0272828.

Wood Family Bible

*The Bible is believed by the owner to have been the family Bible of **Thomas B. Wood**. **Thomas B. Wood** was the son of **Joseph Wood** and **Elizabeth Keith**. According to Logan County, Kentucky Marriage Records, **Joseph** and **Elizabeth** took out a marriage bond in Logan County on 31 May 1798. **Joseph** and his probable brothers: **James**, **Avary**, **John**, **Thomas**, **Bartholomew**, and **Moses** had come to Logan County, Kentucky about 1799 and settled in the Muddy River area. By 1815, **Joseph Wood** had moved to Muhlenberg County and settled in the Hooper's Lick area. Some of the families listed in the Bible stayed in Muhlenberg County and others left the state for Missouri and other places.*

*The Bible is presently [2001] in the possession of **Stephen Wood**, 2014 Clinton Place West, Owensboro, KY. **Stephen Wood** inherited the Bible from his grandfather, **Thomas Ewing Wood**. Writing on several loose papers written by **Thomas B. Wood** is similar to the writing in the Bible. The Bible was photographed at the home of **Stephen Wood** on 21 September 2001 by **Richard L. Miller** and **Gail Jackson Miller**, CGSM. The photographs of the Bible are presently in the possession of **Gail Jackson Miller**, 425 Midcrest Drive, Bowling Green, KY. Transcribed by **Gail Jackson Miller** from the photographs. The Bible was missing the title page, but the concordance page following page 1080 of the Bible was intact.*

Bristow - Jottings from that Section.

Experience has demonstrated that oats sown in the month of February and plowed with a two horse plow is almost a certain crop.

Mr. Mit. Hines bade farewell to home and friends on Thursday of last week and started to Texas via the West. He was taken sick at Oakland, and remained over until the first of this week. May health, happiness and prosperity attend him in all his travels.

Miss Nancy Schroader will teach the spring session at Oak Grove Seminary.

Mr. **E.F. Richardson** has been teaching a writing school at the Grider school house, and will begin one at Oak Grove, February 11. He teaches twelve lessons for \$1 per scholar.

Mr. **R.D. Stone** will engage in the tobacco trade this season.

Mr. **John Graham** has established himself in the shop at Mr. **Roup's** mill, and is making the anvil ring.

For several weeks eggs have been selling at a handsome profit, but the funny part about it is no one scarcely has any to sell. There's the rub.

If the "**Little Corporal**" **McElroy** of your city, and Mr. **D.C. Amos** of Oakland, will consent to make the race for the Legislature, they will receive a hearty support from this vicinity. They are both too well known to need any compliments. Suffice it to say, should they be elected, Warren County would carry the banner in the next General Assembly.

Regular appointments for preaching at Mizpah every fourth Sunday.

Mr. **C.N. Graham** has been rustivating with relatives in Metcalf county for several days.

'Tis natural for some people to blab where they are not individually concerned and I am not altogether exempt. I am decidedly in favor of graded schools in your city,. Public school houses should be built, or your people should keep quiet about their "enterprise." If some responsible person would bind himself to furnish free drinks for the city, in consideration of a house and lot, I venture to say it would be furnished without delay. (Hit 'em again—EDS)

Messrs. **John Quisenberry**, **Lod Jenkins**, **George Gray** and **James Rawley** have each a fine, bran [sic] new boy; and Mr. **Wat Ramsey** a girl. What a smiling neighborhood and a yelling one, too.

I learn that Mr. **Perry Breedlove** contemplates moving to the vicinity of Louisville, where he is now engaged in work.

A proposition is on foot to build a turnpike from Mr. **Roup's** mill to the Louisville and Nashville pike, provided the necessary funds can be raised. It would be a great benefit to the traveling public.

When a man gets mad, he is insane. So say **Tom Buford's** judges. Well, if Tom should use his shot gun on a few more it might be beneficial, inasmuch as it would have a tend

Our section of country is decreasing instead of increasing, in population. We have lost, in the last few years, a great many of our best citizens by death and removal. There seems to be a general exodus among all classes to the western country. The poor are hunting cheap houses, and the rich, cheaper lands, to invest their means in. Land is held too high here for the country to prosper.

W.H. Hudson, Willie Martin and Leander Tate have been making a geological survey of Edmonson county, prospecting for coal to run the Oakland mills. They succeeded in finding it, but the question then arose as to whether they would move the mill to the coal or the coal to the mill.

Mr. J.L. M. Strange is preparing to start to Kansas, where he expects to live until next fall.

Our mill has been on a strike so long that the children about Oakland call crackers cold biscuits.

J. M. Tucker is building a handsome cottage at Oakland. Messrs. **Miller** and **Moulder** are the contractors.

The ecclesiastical fight in the *Glasgow Times* is progressing finely to the disgust of all except the disputants.

There are several young ladies visiting our village from Barren County, but I shall omit their names, as your local correspondents usually bore you to death about Nancy visiting Belale and vice versa.

Mr. S.L. Sharpe will return to Philadelphia in a few days, having rented his farm the present year to **Mr. W.M. Hines**.

There was one of the gayest parties of the season at **James Kelly's** Saturday night last. Among the guests, were **J.W. McFarland, S.L. Sharpe, J.C. Alexander** and **C.S. Martin**. Mrs Kelley being absent from home, the guests had a lively time.

Personal

We are glad to see **Dr. John Moore** on the streets again. He was recently quite ill.

Our young friend, **Pat Murphy**, will go to Louisville Monday, the 21st where he will live in future. Pat is a clever, tip-top young gentleman, and the good wishes of all will follow him.

Mr. Moses Potter will start on a visit to New York city about the 1st of March, if nothing prevents. He will probably go by way of Washington, in order to see the inauguration ceremonies.

Mr. George Alley, representing the well-known grocery house of Wheat & Durff, Louisville, was in the city Wednesday. We have known George since his infancy for a tiptop, square fellow. His is one of the leading wholesale groceries in Louisville.

Mr. Commodore Coutts, formerly of Clarksville, Tenn., but no traveling salesman for Closterman & Co., Cincinnati, furniture manufacturers, was in the city Wednesday. Coutts is an upright, clever young gentleman, and we cordially commend him to the trade.
