## INTRODUCTION

This index is a full first name index for the 1850, 60, 70 and 80 census for Muhlenberg County KY that are on microfilm, listing heads of households or those living in households with different last names. Many names were misspelled and a conscientious effort has been made to correct and spell all names as we do today. Some misspelled names are easily recognized as to what they are.

### National Archives Microfilm Publications:

1850 = film # 432 roll # 214;                      1860 = film # 653 roll # 388;  
1870 = film # 593 roll # 490;                      1880 = film # T9 roll # 435.

Families were not separated by reel page numbers thus they may not be at the exact page break on the microfilm, but an adjustment forward or backward of the reel should locate a family in question.

The examples listed below are for using this index, please read these in order to take full advantage of the purpose of this index.

The first two numbers following the name is the year of the census.

The second three numbers are the page numbers in that year.

Example:     SMITH, THOMAS 50004 = 1850 census reel page 4.  
               SMITH, THOMAS 60027 = 1860 census reel page 27  
               SMITH, THOMAS 70221 = 1870 census reel page 221  
               SMITH, THOMAS 80185 = 1880 census reel page 185

Head of the household William Tanner died between 1860 and 1870, his widow appears in the 1870 and 1880 census.

Example:     TANNER, WILLIAM 50098  
               TANNER, WILLIAM 60100  
               TANNER, WILLIAM (ANNA) 70023  
               TANNER, WILLIAM (ANNA) 80122

When there were more than three names in any given census the following method was used to distinguish one from the other. Abbreviations, SR or JR have no special meaning.

Example:     in 1850 there were five John Allen's.

ALLEN, JOHN                      appears in the 50, 60, 70 and 80 census  
ALLEN, JNO                        appears in the 50 census only  
ALLEN, JOHN SR                 appears in the 50 and 60 census  
ALLEN, JOHN JR                 appears in the 50, 60 and 70 census  
ALLEN, JNO SR                 appears in the 50, 60 and census  
ALLEN, JNO SR (MARY)        his widow appears in the 70 census
