At 29, Garry has been honored by numerous awards in both preaching and singing. He has traveled professionally with the SEGO BROS. AND NAOMI of Nashville, Tenn., has been named a KENTUCKY COLONEL, and was recently awarded a certificate for "Excellence in Pastoral Evangelism".

For the past 3 years, Garry has been pastor of the Adair Circuit U. Meth. Church in Milltown, Ky. Here the records show clearly his outstanding leadership abilities. In 1980 by the grace of GOD, there were 31 souls added to the charge, most of which were on profession of faith! The churches have grown and prospered with Milltown church paying off a new educational building in May of 1981.

During his 4 years as a minister, Garry has preached a staggering 50 some revivals. Last year alone, he delivered 271 sermons, as well as sang in over 60 concerts. Feeling a strong call for evangelism, Garry has organized BROTHERHOOD MINISTRIES, INC., a non-profit organization for the "SOUL" purpose. As of June, 1981 the preacher-man will leave the pastorship and become a full-time evangelist. On most weekends, the BROTHERHOOD QUARTET will be with him in his revivals and crusades as well as in various concerts across the country. Here, too, it must be noted that Garry is a well-accomplished pianist and songwriter, as well as lead singer and manager for the group.

Garry's wife, LULA, and their two children, LAURA AND SARAH, comprise yet another important part of this ever-continuing ministry. And a ministry it is. Each SPIRIT-FILLED song and message contains the BIBLE - proved truth, and is carefully prepared, being preceded by prayer and then dynamically expressed. Many souls have found their way to CHRIST through these messages.

REV. GARRY POLSTON is highly respected among his peers, and yet is ever humble knowing that Almighty GOD must receive the praise, honour, and glory for all that is done. Support this man of GOD wherever he may be led. No other kind of work deserves any greater support than the spreading of the ever-lasting gospel of JESUS CHRIST!

Letter to the Editor

Dear Editor:

I would like to share with you a news brief I heard on WERH radio station in Hamilton on October 23 on the 10 p.m. FM news.

According to this IRS article, during July and August 1980, Social Security made a mistake and sent out some checks in some states namely Kentucky, Virginia and others. In cashing these checks, the requirements on the backs of the checks stated the person to have a mark in their right hand or forehead.

The banks were concerned and refused to cash the checks, and after several discussions and uproars at the bank, the IRS was contacted and they admitted that these were valid social security checks, but that they had made a mistake in sending them out early, that these checks were not to be used, and this requirement not enforced until 1984.

P.S. I would appreciate it very much if you would print this letter. I also would expect you to check with WERH in Hamilton to verify the article.

IRS MARK

During the months of July and August, 1980 the Internal Revenue Service made a mistake that it wishes could be reversed. Reports from several states such as Kentucky, Indiana, Maryland, and Virginia, confirm this startling news item.

Scores of Social Security checks were accidently mailed to recipients that required a special and unusual process for cashing. It was so unusual that the banks "REFUSED" to even try to cash them. Are you ready for this? Here is what made the difference.

As you know, government checks have a special printed paragraph on the back with instructions and requirements for cashing. Normally, it states that proper identification must be shown, with the check being endorsed at the time of cashing.

Well, that instructional paragraph on these checks was changed to read that the

party cashing the check must have the proper identification, "MARK in their RIGHT HAND or FOREHEAD!" Without it, the check could not be cashed.

Naturally, the banks as well as the receivers of the checks were surprised, confused and frustrated. In spite of all demands (even threats) the banks refused to cash any of the checks.

The IRS was contacted in each case. After much confusion, denials and arguing, the IRS admitted the mistakes. The checks were valid Social Security checks. However, they were not useable at this time. In fact, the only problem with them, was that they were sent out too soon.

These government checks, requiring a "MARK" in a person's "RIGHT HAND or FOREHEAD" are not to be put into use until "1984."

Need I say more? Thank God, it can't be long until JESUS comes. If you are going to be faithful or If you are going to reach your lost friends and loved ones you had better do it NOW....

The entire sound system was furnished by Billingsley Music, Glasgow, Ky. Dennis and the guys did a fine job and we really appreciate it. The winner of the case for microphone and cords donated by Billingsley Music valued at approximately \$120 was the Lincolnaires from Hodgenville. Almost every group wanted that case but the Lincolnaires were the lucky ones who had their name drawn out. Congratulations, guys!

The stage consisted of the beds from two tractor-trailers donated by Rilon Young. The piano was from Caverna High School.

Many people worked hard to make this singing possible. We especially want to thank our board members and our officers. They all really put forth a tremendous amount of effort. After the singing was over, numerous tasks still had to be taken care of before the event could be considered complete. The board members and officers remained until everything was finished. Most of all without the support of the people who attended, the singing would not even have happened. We want to thank you for your support and prayers and ask that you continue to support singings in your area. Start making plans now to attend the 10th annual May singing next year.
