Training School  
History Class  
March 9, 1938

Dear Sue,

We were so sorry to hear that you had to have an operation. We have missed you very much and hope you will recover quickly.

Our class was wondering whether you have advertised in the Want Ads for your appendix? You know someone might have found it.

Since you have been sick, nothing of importance has happened in our history class, but everybody is excited over "College Hi" playing in the Regional Tournament Friday afternoon in the Western Gym.

We wish you the best of luck.

Your history class.
