## THE CHRISTMAS STORY

And she brought forth Her first-born son, and wrapped Him in swaddling clothes, and laid Him in a manger; because there was no room for them in the inn. And there were in the same country shepherds in a field, keeping watch over their flocks by night. And lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them; and they were sore afraid. And the angel said unto them Fear not: for behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David, a Saviour, which is Christ the Lord. And this shall be a sign unto you: Ye shall find a babe wrapped in swaddling clothes, lying in a manger. And suddenly there was with the angel a multitude of heavenly host praising God and saying, Glory to God in the highest, and on earth peace, goodwill toward men.

Luke 2: 7-14

## WHEN IT'S CHRISTMAS IN KENTUCKY . . .

It's Christmas! How much is said by those two words! The weeks of eager anticipation: hoping for a dream to come true. The secrets: preparing to surprise someone with joy . . . with a gift deeply desired. The greetings: from old friends who would otherwise be lost forever. The wonder of a child on Christmas morning. The sheer jubilation of church on Christmas Eve. The magnificence and overwhelming reality of the Christmas Story. The magic power of heartfelt charity to renew the soul. The realization that Love is the source of it all. Yes, it's Christmas! How bleak our lives would be if it were not so.

## SONGS OF CHRISTMAS

The most widely sung of all Christmas Carols is "O Come All Ye Faithful." Its origin is not known for certain, although some believe it was written in A. D. 1221 by Bonventura of Tuscany. In 1841, the Latin of this ancient "Adeste Fideles" was translated into English so literally that the words do not rhyme, but hardly anyone is aware of this.

Just as beloved is "Silent Night," which was written because the priest in a tiny parish in Austria walked through the starlit snowy hills and was awed by the quiet and beauty. "It must have been like this that silent holy night in Bethlehem," he mused. And he went home to write the wonderful words we still sing. His organist Franz Gruber, supplied the tune next day. It was written for voice and guitar because the mice had chewed the bellows of the church organ.
