REMEMBER THIS

If you work for a man, in Heaven's name,
WORK for him. If he pays you wages which
supply you bread and butter, work for him;
speak well of him; stand by him and stand
by the institution he represents. If put
to pinch, an ounce of loyalty is worth
a pound of cleverness. If you must vilify,
condemn and eternally disparage - resign
your position, and when you are outside,
damn to your heart's content, but as long
as you are a part of the institution do
not condemn it. If you do that, you are
loosening the tendrils that are holding
you to the institution, and at the first
high wind that comes along, you will be
uprooted and blown away, and probably
will never know the reason why.

S M I L E S

As long as there are final exams, there will always be prayers in our schools.

A marriage counselor began to ask a woman some questions concerning her disposition: "Did you wake up grumpy this morning?" "No," she replied. "I let him sleep."

If more than one mouse is mice, it seems reasonable that more than one spouse would be spice.

Helen: Father announced last night that he was king of our house.

Sally: Then what happened?

Helen: Oh, Mother crowned him.

If it were intended for us to talk more than hear, we'd have two mouths and only one ear.

He that criticized by the yard thinketh by the inch ought to be kicked by the foot.

If you growl all day, you're bound to be tired.

THANK YOU AND GOOD BYE!

Our Club Year is finished
And our work is all done.

Sometimes, it has been hectic,
But mostly 'twas fun!

We've hunted for NEWS
And found lots to say.

But now we are ready
To quit work and play.

We've put down our pencils
And hung up the 'phone.

We've covered our typewriters
And left the xerox alone.

To all who have helped us
We gratefully bow.

To those who succeed us
We welcome you now!

Nora Bower
